Discover the beauty of *Provence* with Philippe & Lisa Boët

June 5 - 14, 2027: Join us for a 10-day culinary-wine exploration in Provence, France. Our adventure starts with a week-long cruise on board Le Phenicien, an elegant hotel barge, navigating the Southern Rhone and its delta, La Camargue, and finishes with two nights at the legendary five-star hotel Baumanière in Les Baux de Provence and includes dinner in the Michelin 3-star L'Oustau.

Our first night in Paris we'll stay in the four-star Hotel Odeon St. Germain. The next day we travel to Avignon to board our private barge and begin our Provence adventure. Visits and excursions include: the walled city of Aigues Mortes, a Manade ranch in Camargue with French cowboys, wineries in Châteauneuf-du-Pape, an olive oil mill in Baux de Provence, the St. Rémy de Provence market, and the antique cities of Arles and Avignon. We'll delve into regional cuisine with two hands-on cooking classes with French chefs in La Mirande and a traditional Mas Provençal.
