The Boëts

~DATES To Be Announced~

September 2027: Join us for a 11-day culinary, cultural, and wine exploration of the Loire Valley's secret treasures! Loire native Philippe, along with Lisa, will share fascinating details of this former vacation spot of French royalty and celebrated as the "Garden of

France" for its abundance of wineries and family-owned farms.

After meeting in Paris, we'll travel to Le Mans (Philippe's birthplace) and its old center, Le Vieux Mans, one of the most impeccably restored medieval town centers in France and the cornerstone of the Plantagenêt dynasty. We'll discover the local Jasnières wines, Chenin Blancs, with unusual aging potential, and visit a family farm in La Sarthe, the surrounding countryside.

Next we'll continue south to historic Candes-Saint-Martin, designated one of the "Plus Beaux Villages de France." Located between Saumur and Chinon, the magnificent Château de Candes will be our home for the next eight days. Overlooking the confluence of the Loire and Vienne Rivers, Candes is a perfect location for discovering local specialties: famous Loire red wines, goat cheese, and mushrooms nurtured in nearby troglodyte caves carved out of white tufa stone. We'll delight your palate with locally-sourced meals in bistros, Michelin-starred restaurants, and custom meals prepared for us in our private château!

Price includes: First night in a four-star hotel in Paris, two nights in an elegant guest house in Le Vieux Mans and seven nights in the beautifully appointed Château de Candes, 10 breakfasts, 9 hosted lunches and 10 hosted dinners, all beverages and fine wines paired with meals. All excursions including: wine tastings, guided tours in Le Vieux Mans and in the Fontevraud Abbaye, hands on cooking class with a French chef, among other special experiences for a small group of gourmands!

Per person & Single pricing to be announced Summer 2026.
