Annual dues are payable with application submittal and annually thereafter on January 1st. Dues or assessments of new members shall be prorated based on the calendar year Jan 1 – Dec 31. Within one year of admission as a club member, the club member may resign from membership and receive a refund (minus application fee) of any assessments paid to the corporation and a return of any property, whether real, personal or intangible, the club member transferred to the corporation. After one full year of club membership, all assessments paid by the club member and all property transferred by the club member to the corporation shall be deemed non-refundable.

**Members are the total members in club; Memberships are total number of paying members in clubs; so a married couple is 2 members, but 1 membership, or a Nonpaying entity is 1 member, but not a membership*
