FuturePlan Consulting, LLC (FPC), based in Tallahassee, Florida, brings 35 years of consulting experience in transportation planning and travel demand modeling. Mr. Robert G. Schiffer, AICP, President of FPC, has served as Principal-in-Charge, Project Manager, Task Manager, and Project Advisor on a full range of transportation planning projects in 21 states and commonwealths, including work for the U.S.

Department of Transportation (DOT), Transportation Research Board (TRB), State DOTs, Metropolitan Planning Organizations (MPOs), local governments, and private interests. The map below depicts project locations where Mr. Schiffer has worked during his career. Rob's key areas of expertise include:

- developing, validating, and calibrating statewide, urban, and regional travel demand models;
- preparing comprehensive, multi-modal long-range transportation plans;
- forecasting travel demand for highway and transit projects;
- conducting travel behavior and origin-destination travel surveys of all transportation modes;
- researching best practices for studies on national, statewide, long-distance & rural travel;
- authoring and delivering training workshops/courses in travel demand modeling;
- studying site impacts (e.g., developments of regional impact and concurrency management);
- assessing the feasibility of expressways, bridges, managed lanes, and interchanges;
- compiling and analyzing socioeconomic/demographic data for travel demand models; and
- providing leadership on national and regional transportation planning conferences.

FPC is certified as a small business with the Florida Department of Transportation (FDOT) and is prequalified in FDOT work areas 13.4 (Systems Planning) and 13.5 (Subarea/Corridor Planning). FPC is also pre-qualified with the Georgia Department of Transportation in 1.01 Statewide Systems Planning, 1.02 Urban Area and Regional Planning, 1.04 Mass and Rapid Transportation Planning, and 1.05 Alternate System and Corridor Location Planning and participates in the GDOT Small Business Program.
