Dedication

A first impression of this woman leads one to believe that she is a small, frail figure, but don't be deceived by this tiny body; underneath is a dedicated and involved woman who just doesn't stop. Her energy keeps her involved in programs like Human Relations and Student News as well as fulfilling her job as an English teacher. This contemporary woman is best represented by her creative ideas and open-mindedness. She is down-to-earth and is able to relate well with her students, so often mistaken as one of them.

He is also dedicated. This hardworking man spends a great deal of his time working with his students as well as organizing the print shop for the Maroon and Gray. His consideration for others overflows greatly, and he represents a man who should be idolized. With never a dull moment in his life, this family man appears rugged and stable. Recognized by his beard, this talented man is admired by many of his students.

What do these people have in common?

They represent more than just themselves, they represent an entire class. They are the heartbeat behind the Class of '82, and that is why, because of their sincere dedication to us, we dedicate this book to them.

Thomasina Hyland and Phillip Perello.

The years at Nutley High School have been memorable ones. The four years we've spent growing, learning, and experiencing have culminated into one memory. This lasting memory has given us a rich heritage that will set us in a proper direction towards the future.

Since birth, we passed through doors we didn't know existed. We were unaware at the time that the accomplishments of our infancy were the basic elements of human existence. As we grew older, we recognized our achievements, and they became the major building blocks in our lives. Our movement through new doors increased. Crossing thresholds of time became a part of our daily growth. With this movement came the successes and failures of our lives.

Now, as we reach a cornerstone in our lives, we must decide upon which doors to choose. There are so many doors which are offered to us. Some are right at our fingertips while others are more distant. Having the instinct and ability to grasp the handle of the right door is our own responsibility. When we reach the other side of the door, none of us are fully aware of what lies ahead. Some thresholds will bring light into our lives, others darkness; but every one of them leads to our development.

In high school, we have met challenges from which many of us have benefitted greatly. We have reached these challenges by entering doors which have included scholastic and recreational activities.

In the classroom we were exposed to many facets of educational knowledge. Our horizons were broadened with every new experience. With the assistance of our teachers, we were able to open the doors of our minds beyond the scope of the classroom, ready to meet the challenges of our society.

The decisions of the future stem from our educational background. So many doorways have been presented to us, but our decision to reveal their contents becomes one of personal selection. The foundation for this selection has been amply provided for by the faculty at Nutley High.

Aside from academic activities, there is time which we devote to our personal outlets of relaxation. Extracurricular activities have become the fundamental base of our total social growth. These projects help us to release our tensions, anxieties, and emotions of every day life. This is where our individual talents come through to express our true personalities.

Another major part of our lives is spent developing our physical attributes. The momentum which has built up inside of each of us must be positively released. The doors of our inner selves represent a proper exit for emotions. When we exercise, we mentally, as well as physically, develop ourselves; and this helps in preparation for the doors which we must open to achieve the necessities in our lives.

We take for granted the beauty which our parks shed upon the township of Nutley. In our parks we are able to find serenity which is beneficial to the total development of our inner selves. Our parks provide the place for recreation and a place where we can meet new people and have fun with our friends.

Each season provides us with a different door of natural beauty — a beauty in our surroundings as well as a beauty within ourselves.

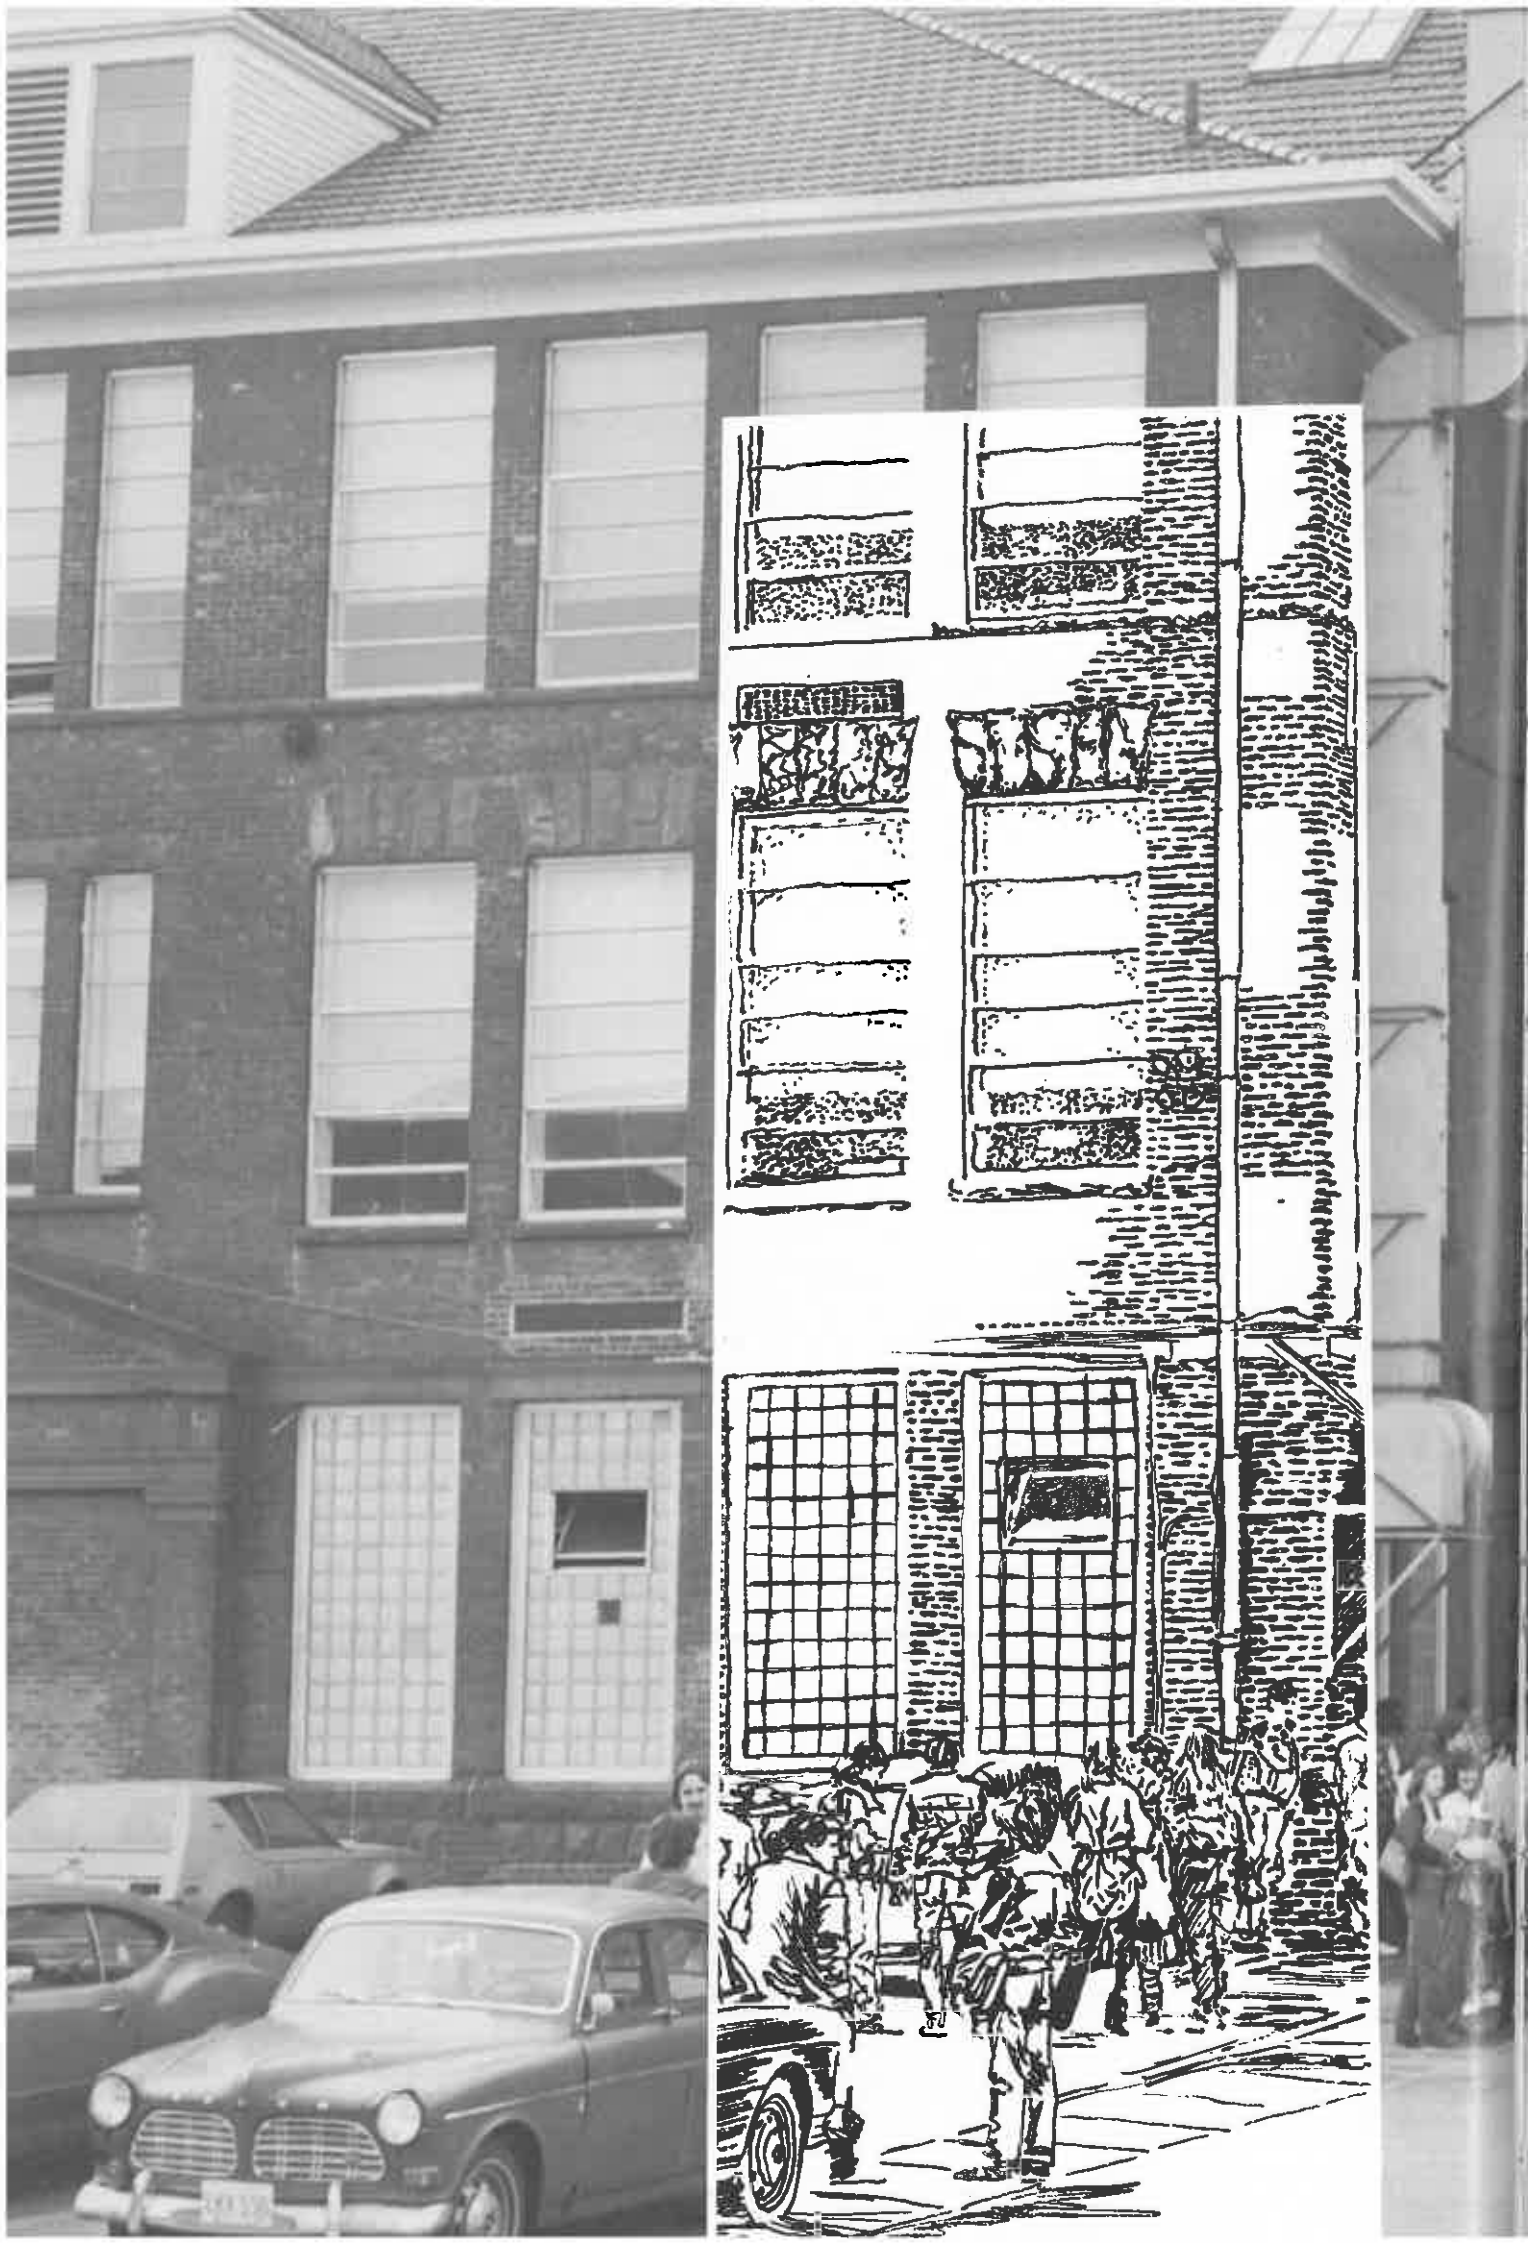

In spite of all the thresholds we have crossed, there are still many doors to be opened.

What awaits us beyond that next door?

1981 VARSITY FOOTBALL TEAM — Front row (l to r): P. Leotsakas, R. Pastore, P. DeVany, R. Esposito, J. Canterelli, B. Miller (captain), S. Shepard, Head Coach L. Zacche. Second row: R. Blank, M. Sasso, K. O'Mara, R. Marzo, A. Anzevino, D. Spera, R. Bowes, A. Testa, Trainer J. Bolcato. Third row: Assistant Coach L. Moncelli, M. Vecchio, D. Garibaldi, T. Sposato, J. Battone, S. Micciche, B. Carlo, D. Tritto, G. Geraghty, L. Paradiso, Assistant Coach J. MacGregor. Fourth row: P. Franchino (manager), A. Alessio, R. Pesci, J. McDaniel, M. Pascal, F. Laratta, D. Restaino, P. Scaperotta, D. Petillo, D. Parker, M. Morrison. Fifth row: D. Jackson, L. Scerbo, M. Iacobucci, R. Labenski, K. Williams, D. Sorenson, S. Searle, J. Powell, T. Roundtree, A. Zecca, J. Capalbo.

The Varsity football team finished its season with one win and eight losses. The final record does not reflect the talents of the individual players. The boys must be commended for their athletic ability and their patience to withstand the tough and defensive opposing teams. Although it was a difficult season, the Raiders maintained their confidence and did not lose their team spirit. The morale of the team was strengthened by the victory over Livingston.

The senior gridmen include Anthony Anzevino, Rocco Esposito, Ricky Pastore, Marc Sasso, Dominick Garibaldi, Rick Blank, Ray Bowes, Peter Leotsakas, Dan Spera, Tom Sposato, Rick Marzo, John Canterelli, Pat DeVany, Brian Miller (captain), Alan Testa, and Ken O'Mara.

The Star Ledger named Brian Miller to its All-Essex County offensive squad, third team, while Pat DeVany was named to its defensive squad, third team.

Sue Mancini swings into action.

The girls' tennis team had a good season in 1981. The team finished its season with a record of twelve wins and six losses. This fine record was due in part to four senior girls who played super tennis.

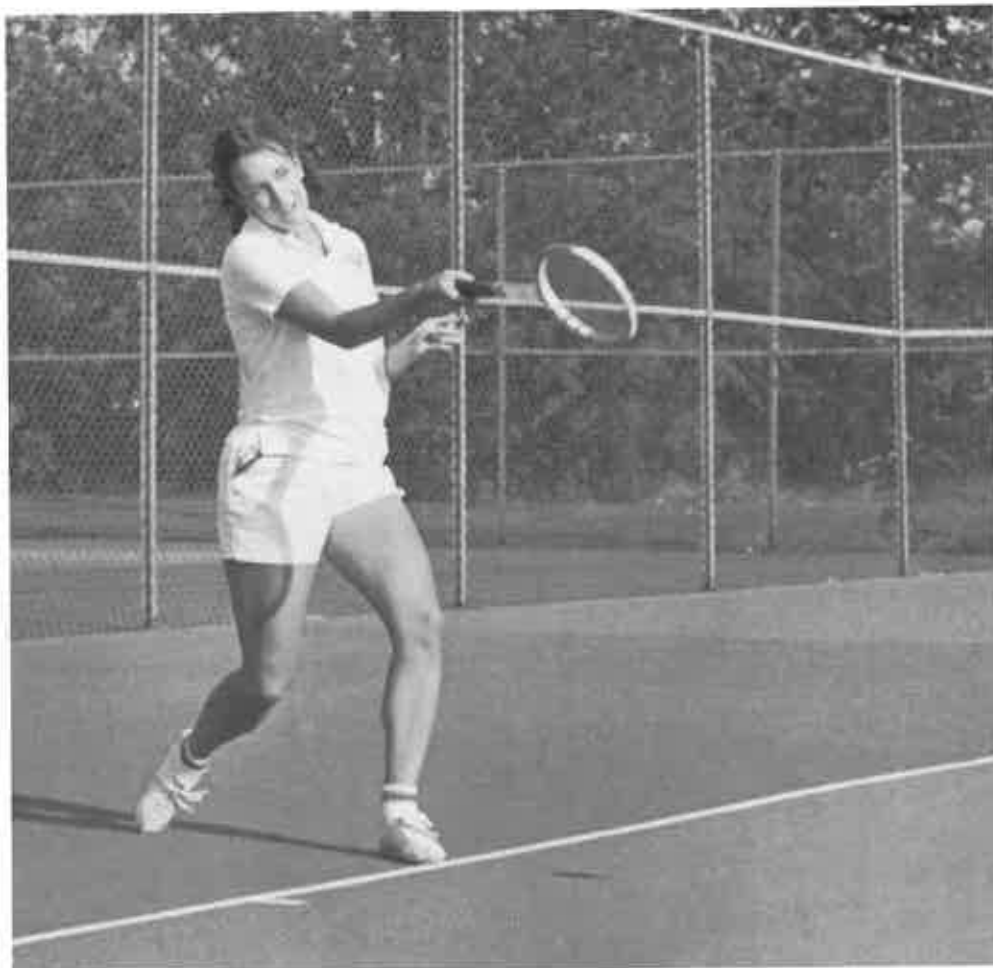

Lori Lupinacci and Jane McNamara alternated at first and second singles all season. Both seniors are four year veterans of the varsity squad. Lori's record was nine out of eighteen while Jane won ten out of eighteen.

The other senior girls, Joanne Wasiuk and Sue Mancini, have been on the varsity team for three years. As partners they made up the first doubles team all season.

The four key players were successful with the help of the younger members of the squad. The girls were devoted, hard workers, and always highly praised by Coach Turturiello.

The varsity soccer team completed one of its most successful seasons ever. With a new coach, Steve Kasyanenko, the team finished with an 11-5-1 record. They had one of the best win-loss records and the most goals scored (54).

The senior-oriented team was characterized by its tough defensive style of play. Of equal importance was the offensive style which attributed to its outstanding record.

The seniors responsible for the record number of goals scored include captains Ken Hyland and Bill Haddock. Both were selected for All-State and All-County. Other players included first year Steve Andrews, Sean Coogan, Eric Deeks, John Kenney, and Rob LaRicca; second year Pete Parelli, and third year Tommy Melillo.

The defense was largely controlled by second year goalie, Ulysses Smith. He was fourth in the state with least goals scored against him. Other defensive players include first year, All-County Hugh Tole, Craig Wood, Peter DeAngelo, and second year, All-County Jeff Randazzo.

Ken Hyland finished the season as the team's leading scorer with fifteen goals. He also tied with Sean Coogan in leading the team with six assists.

Girls' Soccer

This year the girls' soccer team proved to be successful through the guidance and support of the new varsity coach, Anna Melnyk, and her assistant, Noreen Baris.

The core of the team was comprised of seniors. The scoring was controlled by Gloria Valvano (captain), Barbara Jo Avagliano, Cecilia Han, Chrissy Semple, and Pam Dunn. Other key players, Carolyn Capaccio and Liz Butler, gave the team a solid foundation. Another senior, Karen Parker, was a first year junior varsity player.

The team got off to a super start overcoming Mt. St. Dominique and Fair Lawn. The confidence of the team was beneficial in their effort that posted them with a 6-8-2 record. The final outcome of the season was a berth in the state tournament — an excellent reward for the girls' team, now in their third year.

Cross Country

1981 GIRLS' CROSS COUNTRY TEAM: Front row (l to r) Elizabeth Johnson, Dawn Padner, Betty Albright, Dorothy Albright. Second row: Coach Joe Statile, Sandra McArthur, Chui Fong Yap, Mary Lynn Musco (captain), Kathy Bitterle, Joan Zalewski, Coach Ed Arnett.

The cross country teams enjoyed successful seasons, achieving several medals and honors. Both teams ended their seasons with nine wins and one loss, one of the best records in Nutley High School history.

The only senior on the girls' team was Chui Fong Yap. She helped to fashion a winning record and provided the balance needed to defeat the opposition. The boys' team was led by Pete Giannoglou (captain), Chris Molinaro, Joe Cunningham, and Jack Fellers.

The highlight of the season was their finish in the invitational meets. Silver medals were earned by the boys' team at the Passaic Invitational. They also earned bronze medals from the State Sectional Championships.

Such a good record and participation in the Invitionals should be highly recognized by fans at Nutley High School.

Wrestling

1981-82 VARSITY WRESTLING TEAM - Front row: (l to r) Ray Johnson, Greg Tale, Lee Balparda, Walter Pasciak, Rob Rubino, Bill Maher (captain). Second row: Coach Sommerkamp, Pete Leotsakas, Rick Blank, Brian Miller, Bill Smith, Todd Roundtree (captain), Anthony Montenari, Mark DiMaggio (captain), Assistant Coach White, Assistant Coach Cohen.

The 1981-1982 WRESTLING TEAM has done a tremendous job this season. The team is made up of wrestlers of various levels of experience. Among these fine wrestlers many consistent winners have evolved. Among these winners are tri-captains Billy Maher, Mark DiMaggio, and Todd Roundtree, and also seniors Rick Blank, Joe Cunningham, Brian Miller, Rob Rubino, Billy Smith, and Tom Sposato. These seniors all greatly contributed to the outstanding win against Kearney, 32-25.

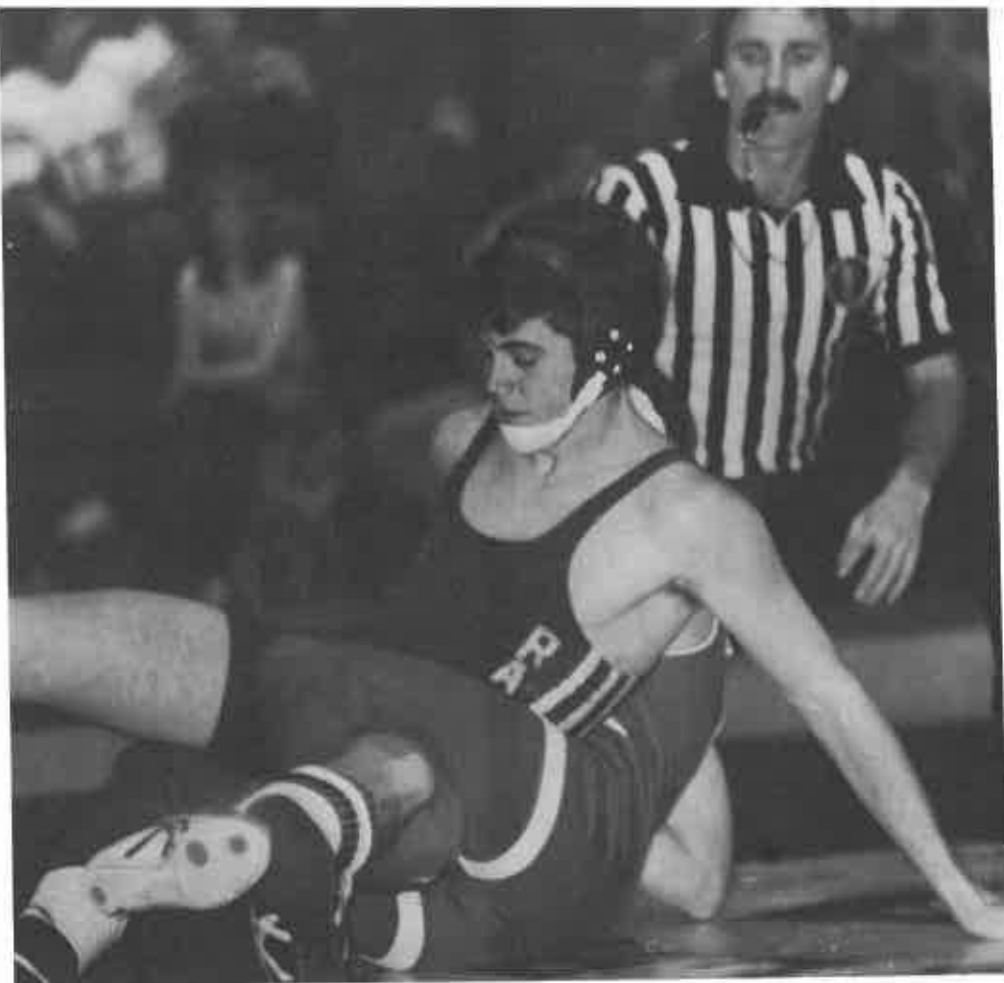

Todd Roundtree took first place in his weight class at the Bloomfield Tournament making his record 12-2. He also finished first in the Town-County Tournament along with Billy Maher. Mark DiMaggio and Rob Rubino finished second in the Town-County Tournament. Mark DiMaggio and Todd Roundtree took second in the Districts; Rob Rubino took third place. The Team finished its season winning 5 and losing 8 with no ties.

Boys' Basketball

1981-82 BOYS' BASKETBALL TEAM — Bottom row: (1 to r) Coach Gallagher, Bob Harbison, Dave Siepert (captain). Second row: Tom Morsch, Nick Petti, Bill Hollick. Third row: Jack Michaels, Karen Parker (manager), Denise Genna (manager). Fourth row: Assistant Coach Carter, John Nagle, Maureen Duffe (manager). Fifth row: Tom Downey, Scott Keena, Greg Bernhardt. Top row: Mike Forlenza, Chuck Martin, Ken Martin.

This year's basketball team has done an "outstanding" job thus far. The squad is comprised of a mixture of experience and new talent. The senior members are Dave Siepert, Tom Morsch, John Nagle, and Scott Keena.

Dave Siepert has been a starter on the varsity for three years. "Sieps" has led this year's team through his hard work and leadership. Dave is the first male in the history of Nutley High School to score 1000 points. He scored his 1000th point against Belleville, a well deserved honor. The other seniors had never played varsity basketball before this year. They have worked very hard and have become solid team members. John Nagle has been beneficial on the defensive boards while chipping in with a number of valuable points each game. Tom Morsch has done an excellent defensive job. He has also added to the team with his great offensive work. Scott Keena has come off the bench to fill in for other players up front. He has contributed to the team through his persistence and hard work.

The Raiders are always highly praised by Coach Gallagher. He's proud of their ability to play with pride and intensity. Their hard work has paid its dividend posting them with a 10-7 record.

Girls' Basketball

1981-82 GIRLS' BASKETBALL TEAM — Bottom row: (l to r) Robyn McDonald, Maryanne Lepore, Robin Conti (co-captain), Dawn Flanagan (co-captain), Dawn DeRose, Dawn Roselli. Top row: Diane St. George, Julie Bernhardt, Cheryl DeLuca, Janet Serio, Maureen Kneser, Theresa DeLascio, Coach Melnyk, Assistant Coach Sasso.

The girls' basketball team has had a good record to date. Dawn Flanagan and Robin Conti are the two seniors and co-captains of the squad. Dawn has been on the varsity team for two years. She has a swing position of playing either guard or forward. Robin has been playing forward on the varsity squad for three years. These two girls, along with their teammates, make up a fantastic squad.

The most impressive victories this year have been against Bayonne, Belleville, and Kearny. The Bayonne victory started a four-game winning streak.

With these achievements the spirit of the team has posted them with a 7-6 record.

Student Council

Mr. Greg Catrambone, Sponsor; Randy Underwood, President; Ulysses Smith, Treasurer; Stephanie Schmidt, Recording Secretary; Laura Rotonda, Corresponding Secretary; Elisabeth Bulter, Vice-President

The Student Council is the association in Nutley High where students can have a say in the social life as well as voice opinions about the academic facets of their school. The Council participated in the annual UNICEF Drive, the Blood Bank, the Homecoming festivities, street hockey tournaments, and various student exchanges with other schools nearby.

THE BLOOD DRIVE: The Education Association of Nutley participates in four blood banks during the year. Students who are seventeen years of age are invited to join faculty members in donating blood. This coalition of donors provides between one hundred and two hundred pints of blood per year. The availability of credits makes it possible to provide blood for all faculty members and students and their families.

Students who donate blood seem to develop a sense of civic pride which is intensified by the compliments they receive from faculty members and Red Cross workers.

Mr. John Suffren is faculty-student coordinator; Mrs. Theodore Lester is the Nutley Red Cross Recruitment Chairperson

The Fine and Industrial Arts Department of Nutley High School holds its annual festival during the last week of May. It is the largest student-run event that takes place at Nutley High.

The festival, located in the main gym, is open to all Nutley students and the general public. Here completed works of art are displayed, and students demonstrate their abilities in the following areas: Art, Photography, Home Economics, Foods, Crafts, Clothing, Auto, Electronics, Mechanical Drawing, Graphics, Metals, and Woods.

Over the years, this festival has afforded the youngsters involved the opportunity to demonstrate the skills they have acquired while working in the Fine and Industrial Arts classes.

Maroon & Gray

The staff of the Maroon and Gray works daily to produce the monthly school paper. This self-sufficient process is sponsored by local businesses through ads. Under the direction of Mrs. Jill Landsman, the literary part of the paper communicates school news and events monthly in the school newspaper and on the Nutley Sun School Page. In addition, student journalists assist Mrs. T. Hyland in the preparation of news copy and production of the news program for Channel T. The technical production staff, under the council of Mr. Phil Perello, is responsible for the actual printing of the school newspaper.

EXIT can only be classified as an experience. No one can really appreciate the complexity involved in putting a book of such good quality together. It takes a lot of time and even more dedication and effort to work on the yearbook.

Being an editor of EXIT '82 has proven to be more difficult than anyone of us could possibly have imagined or expected.

In the beginning, we asked ourselves how hard could it be to crop pictures, meet deadlines, think of captions, select a cover, and choose a theme. Now we can tell you, it's not as easy as we thought it would be.

We are a group of individuals who have become friends and shared many memories of EXIT. Beth is very dependable and a hard worker on the staff. Todd, known as Mr. Clean, is the chief source of communication with the photographers. Hope, alias "Munchkin," is the expert on the Boy's Varsity Soccer Team. Kathi is the boxing champ and jock of the staff. JoAnn, alias "Mother Hubbard," has a never-ending dream to have a duckie of her very own. Tammy practically lives and works in the EXIT office but always seems to have her materials at home. John, our editor-in-chief, will be remembered for his disappearing tricks and his 3:45 time clock. Chris thinks it is patriotic to cut down a Christmas tree. She is known for her "Shaz baz" expression. Flora would laugh the most when deadlines were near.

All kidding aside, you couldn't find a better group of people who were more dedicated than we, but we couldn't have done it unless we had someone to fall back on — our advisors, Mr. McCrohan and Miss Fisher.

We would also like to thank Mr. James Bastinck and Mrs. Elaine Haszko; our photographers Debbie Baumann, Eric McGriff, and Kathy Sterni, Mr. Ohlson and Sang; Mr. Lou Esposito; the Nutley Sun; and all others who helped make EXIT '82 a success!

AMERICAN FIELD SERVICE: By sponsoring foreign students throughout the world, the American Field Service fosters international understanding. These students travel to the United States for a year, experiencing a totally new culture and different way of life. In addition, a Nutley pupil frequently travels abroad, usually for the entire summer. This

year, Chui Fong Yap was our exchange student. She is from Malaysia. The AFS Organization sponsored an exchange weekend. Exchange students from various countries participated in this cultural weekend.

Sponsor, Mrs. Toni Klop

First, I would like to thank the EXIT staff for letting me write a few words.

In the few months that I have been here, I have gained a great deal of insight to the American way of life. The variety of people makes up a whole different culture that is unique and interesting to know. The apprehension that I felt before I came to this country is gone. I am enjoying my stay here very much. I am glad that AFS has given me the opportunity to come to America to experience living here. It makes a great difference to spend a year in a different country rather than to hear about the country without seeing it.

I would like to take this opportunity to thank my host parents, my brother, and the Nutley High School staff and students for make this year so wonderful for me.

Walk together, take together,
All ye people of the earth.
Then, and only then,
Shall we have peace.

AFS is love, AFS is brotherhood,
We are here for just one year,
To make our message understood.

The Muppet Phenomenon

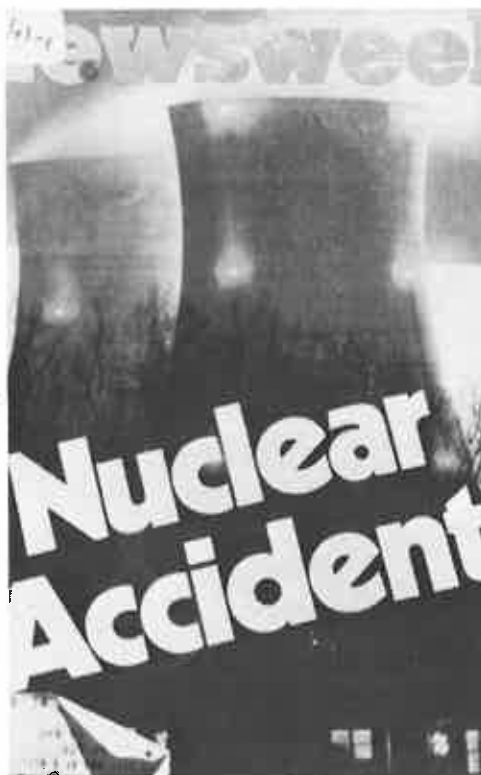

1978-1979

This was a year of realization. People all over the country realized our nation's position in the Middle East through Khomeini's threats and the stifled oil availability. This situation proved to each American that economic and political tension would increase. The effects of nuclear power were revealed after an accident in the Three Mile Island plant in Pennsylvania.

Some adults realized the child within themselves while watching the Muppets after their television and movie debuts. King Tut drew many to New York City to view his treasures while Superman attracted people to the box office.

Internationally, the world was blessed with a new pope, Pope John Paul II, one of the most loved and highly publicized popes ever known. While many admired John Paul II, others mourned the death of a great film star, John Wayne.

1979-1980

This was a year with an emphasis on the media, first "Star Wars" and then its sequel, "The Empire Strikes Back." Both were box office smashes. In television, audiences were kept captive with the curious question, "Who shot J.R.?" In music, Bruce Springsteen broke the international scene.

It was also an explosive year with the emergence of tennis idol, John McEnroe, showing his unique style on the courts. Preppy styles entered the fashion world with symbolic colors of pink and green. A volcanic disaster erupted from the unpredictable Mount St. Helens, leaving many homeless. Inflation and high interest rates were on the rise in this very explosive year.

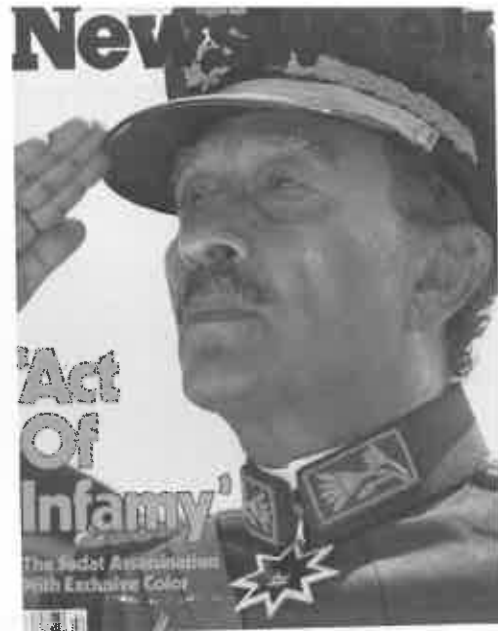

1980-1981

This was a year of expansion. New heights were reached in aviation by the launching of the space shuttle, Columbia. New aspects in family television viewing became more diverse through cable TV and video. An accomplishment for Women's Liberation was the appointment of the first woman Supreme Court judge, Sandra O'Connor. A liberation was granted to the U.S. hostages in Iran after a thirteen month ordeal. In fashion, the look of innocence became popular.

Although this year was an expansive one, turmoil still occurred. People all over the United States had to conserve water because of a low supply. There was also the lack of air traffic controllers due to their country-wide dismissal by the President. But still the most devastating one was the loss of a talented man who was more than just a composer, but an inspiration to us all: John Lennon.

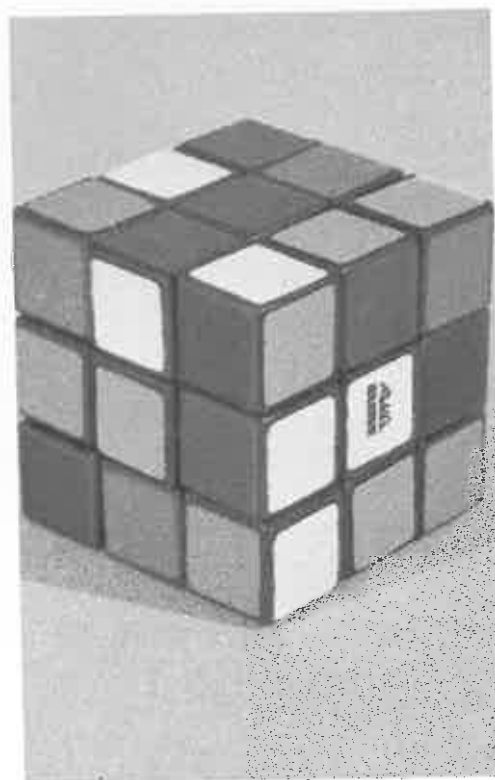

1981-1982

This was a year of extravagance in spite of the loss of a great comedian, John Belushi, and the brutal murder of President Anwar Sadat of Egypt, people all over the world were able to experience one of the greatest events to happen in a century. This was the union of royalty. Lady Diana and Prince Charles were married in front of an audience that spread around the world.

Games were a great sensation this year. Extravagant video games such as Space Invaders and Pac Man used lights and sound to mesmerize people. If a video game wasn't within reach, people could still have been amused with a color coordinated Rubik's cube.

Mick Jagger and the Stones appeared this year with their outrageous performances and music. Punk fashions spread quickly with the help of mini skirts, leather, and clothes of other eras.
