

Warranty

Daybar Xpress warrants all steel doors and steel frames for use in normal conditions against defects in workmanship and materials for a period of one year from the date of delivery.

Daybar Xpress will, at its option, either repair or replace any defective doors or frames, and will have no liability or obligation for any damages of any kind beyond such repair or replacement.

Unauthorized back charges will not be accepted.

This warranty is subject to the following provisions:

- (a) Appropriate product application and hardware selection, reference SDI 108-90 and HMMA 805-12
- (b) Appropriate job site storage, reference ANSI A250.8-1998 and HMMA 840-17
- (c) Proper installation of the door and frame in accordance with industry standards, reference HMMA 840-17 and SDI 122-90
- (d) Proper maintenance is required to maintain warranty, reference Documents SDI 122-90, SDI 124-98, and HMMA 840 TN02-10.
- (e) All material is required to receive a coating of finish paint within 30 days of delivery.
- (f) Warranty does not apply if product is subject to prolonged exposure in highly corrosive conditions caused by chemicals, cleaning solvents or atmospheric conditions.
- (g) Thermal bow of doors is not covered by this warranty; definition and suggested remedies can be found in HMMA-810 TN02-17.
- (h) Warranty shall not apply to products which, in the opinion of Daybar Xpress that has been modified, repaired, altered in any way without the express written consent of the Company.
