Daybar Xpress Opens in Phoenix, Arizona

Phoenix, Arizona August 3, 2020 – DAYBAR Steel Doors and Frames is pleased to announce the opening of Daybar Xpress in Phoenix, Arizona. Daybar Xpress Phoenix is a regional manufacturing facility focused on serving the Western US market with quick-ship, project, custom, and stock steel doors and frames.

“We are pleased to announce the next phase of our US expansion with the recent opening of Daybar Xpress in Phoenix, Arizona,” said Mark Dodson, President of DAYBAR Industries. “Between Mixael and Bud they have over 50-years of industry experience including all aspects of quick-ship manufacturing from the plant floor, to engineering, to sales,” Mark added referring to Daybar Xpress leadership and quick-ship veterans Mixael Amaya, General Manager, and Bud Brown, Sales Manager. “These guys have been perfecting the art of quick-ship for most of their careers and together we have assembled an elite, highly experienced team. Daybar Xpress will be operating out of a well-designed and well-equipped manufacturing facility that will allow us to optimize speed, quality, service.”

“DAYBAR has contributed manufacturing expertise, resources, and investments in equipment and technologies that take our capabilities up a few notches,” added Bud Brown, Daybar Xpress Sales Manager. “Daybar Xpress will be the premier source for quick-ship, project, and custom hollow metal on the West Coast.”
