

## **SCA Emergency Management Bulletin #8 Update (October 2026)**

### **Emergency Supply List**

The following are recommendations for a Home Emergency Kit:

#### Dry Goods

|                           |                                    |
|---------------------------|------------------------------------|
| Flashlights & extra bulbs | Clock (wind up or battery-powered) |
| Battery-operated radio    | Plastic garbage bags               |
| Battery-operated lanterns | Fire extinguisher                  |
| Batteries (various sizes) | Scissors                           |
| Matches                   | Manual can opener                  |
| First aid kit             | Clean clothes                      |
| Duct tape                 | Blankets                           |
| Rain gear                 | Heavy gloves                       |

#### Food and Water

Pack non-perishable food for each person in household for 3-7 days. One gallon of water per person per day for drinking and sanitation.

|                                                     |              |
|-----------------------------------------------------|--------------|
| Bottled water                                       | Canned food  |
| Bottled juice                                       | Dry pet food |
| Two coolers – one for drinks and the other for food |              |

#### Medical Needs

|                         |                              |
|-------------------------|------------------------------|
| Wear medic-alert tags   | Over-the-counter medications |
| Insect-repellent sprays | Children's medicine          |
| Feminine hygiene items  | Bandages                     |
| Sunscreen               | Adhesive tape                |
| Soap                    | Antiseptic solution          |
| First aid kit           | Thermometer                  |
| Prescription medication | Tweezers                     |

#### Pet Supplies

Your pet will need more than a bag of food in a storm.

|                        |                                        |
|------------------------|----------------------------------------|
| Water for pet 3-7 days | Updated shots and medical records      |
| Non-perishable food    | Microchip with up-to-date contact info |
| Crate/carrier          | Any medications                        |
| Leash (non-extendable) | Calming aids                           |
| Collar and/or harness  | Tags                                   |
| Favorite toy           | Puppy training pads                    |
| Blanket or pillow      | Heartworm preventatives                |
| Clean litter box       | Rain gear                              |

If you find yourself in an emergency during a storm, your first call should be to 911.#
