Dear **Safari Agaba**,

Re: Business Name Approval - SaftechCanadaCollege SaftechCanadaCollege

Thank you for completing the *Business Name Approval* application requesting the written consent of the Ministry of Colleges, Universities, Research Excellence and Security (the "Ministry") for the use of the word "college" in the above-noted proposed operating name under the following provincial Act(s):

- **Business Names Act No**
- **Business Corporations Act ... Yes**
- **Corporations Act No**
- **Other No**

The Ministry **consents** to the use of the word "college" in the business name.

Please note that this consent is conditional on the registrant and the organization not representing themselves to the public as a college of applied arts and technology or as a university or other degree-granting post-secondary educational institution, and on their compliance with all relevant

legislation.

Also, please note that this consent is solely limited to the use of the word "college" in the name indicated above under the provisions of the **Business Corporations Act**. It should not be relied upon for any other purpose. Any liability stemming from confusion with the name of another business or institution, including a private educational institution or an out-of-province educational institution, is the sole risk of the applicant. Registration and confirmation of availability of the name must be done through the Ministry of Public and Business Service Delivery, which can be reached at 416-314-9151 or 1-800-565-1921.

If you have any further inquiries, please do not hesitate to contact me through the Inquiry function (<http://www.pcc.tcu.gov.on.ca>) in PARIS or by calling toll free at 1-866-330-3395 or (416) 314-0500.
