A classic bitter, **Slave to the Money** has a complex and measured malt base and generous additions of Kentish Bramling Cross hops giving notes of blackberries, currants and all the best parts of a really great Fruit Cake, whilst still being, fundamentally a Classic Best Bitter (Allergens: Gluten from Barley.) **All These Vibes** was one of the very first beers devised by Pig & Porter head brewer Riina. Initially a keg beer it was an instant hit and considered their best strong pale ale yet. The combination of oats and wheat in the grain bill helps to develop a full-bodied mouthfeel, allowing the Chinook and Simcoe hops to be the focal point with notes of citrus fruits and pine. (Allergens: Gluten from Barley and Wheat) Try with the Chicken & Rib or on its own!
