

Do you have the time and passion it takes to make a meaningful contribution to our Mission?

Are you interested in helping us establish and sustain a 24/7 emergency veterinary hospital in Las Cruces?

If so, we're looking for dedicated people to join our Board of Directors. We're a hands-on, working Board and we meet on the second Tuesday of each month. Additionally, we hold quarterly meetings and invite the general public to participate.

If you believe that you could contribute to our cause, help us meet our goals, and make our mission a reality, please contact our Founder and Chair, Dr. Dawn Duncan at: (701) 388-3478 or duncan@cord.edu.
