

COUNTRY LAKES

Life is good when kids meet new friends at the pool and playground, and neighbors can stroll the trails to catch up on the latest life news; when a community game of frisbee is played on the green and the club house is full of life. Welcome to the Country Lakes life style.

Expansive greenbelts, stately trees, beautiful landscaping, numerous waterways and fountains mark the entrances and drives through Country Lakes. From any point in the community, a stunning view awaits, along with trails, parks and ponds. Here, you will find street after street of beautifully-crafted, uniquely designed homes crafted by the best builders in the Metroplex.

With new homes from the \$200s, you'll acquire a lifestyle seldom seen in communities in this price range. The future of County Lakes is exciting; with new phases, amenity centers yet to be build and the potential for a new school within the community.
