

Oahe ABATE Chapter does not have a regular meeting during August so our members can enjoy summer vacations including the Sturgis Rally. We would like to take this opportunity, firstly to thank the Nystrom Family for our Fun Run Site. Your willingness to provide this perfect venue is more than appreciated. Secondly, a big thank you to the sponsors of our 2023 Fun Run. We could not put on this great fund raiser without their dedication and contributions to Oahe ABATE.
