2. **DRAWINGS:** Attach a drawing of the proposed changes, which meets the following criteria.
- The drawing must show your lot and house to scale.
  - Indicate all measurement distances in feet. **FENCES:** Provide evidence of Lot survey for property markers, & fence contractor.
  - Attach pictures, scans, or provide URLs for product information about the materials you intend to use/install.
  - Copies of professional drawings provided by contractor, if you are contracting the project.
  - SOLAR,** provide additional documentation required by Architectural Guidelines.

3. **FENCES/KENNELS:** Inform your adjoining neighbors of your proposed change; corner lot owners must notify your neighbors across the street too. Neighbors must sign your application to indicate their notification. Neighbors do not have approval or denial rights.

Date	Phone	Address	Name (printed)	Signature

4. **LOT OWNER SIGNATURE:**  
 I hereby agree that the information I have presented is full, complete, and accurate and that the proposed changes will be maintained to retain their function and appearance. ALL design & implementation decisions must be decided before your application will be considered.

**NOTE:** Applications for a fence/solar, garbage/recycling enclosure, shed, or backyard basketball court require submission of a notarized Maintenance Agreement form. All conditions stated by the Architectural Guidelines/CCERs must be met. The Association approval process begins when the **fully complete** approval submission package is acknowledged by HVHA.
