LAND & SEA

GALAPAGOS

Galapagos is simply amazing, both on land and underwater! A UNESCO World Heritage site, it's on every diver's bucket list. Hammerheads, marine iguanas, tortoises, frigate birds, sally lightfoots, blue-footed boobies, penguins, sea lions, whale sharks and so much more. Our tour includes guided land walks with a naturalist, where you can see natural selection happening on the trail right in front of you. And diving Wolf & Darwin is not to be missed!
