Auto Theft Prevention Tips

- Remove your keys from the ignition and take them with you.
- Lock your vehicle.
- Never hide a second set of keys in your vehicle.
- Park in attended lots.
- If you use valet parking, leave only the ignition/door key.
- Park in well-lit areas.
- Never leave your vehicle running, even if you will be gone for only a minute.
- Completely close all windows of parked vehicles.
- Do not leave valuables or paperwork in plain sight.
- Park with your wheels turned toward the curb to make your vehicle more difficult to tow.
- Back a rear-wheel-drive vehicle into your driveway to make it more difficult to tow.
- Set your emergency brake when parking your vehicle to make it more difficult to tow.
- If you have a garage, park your vehicle in it and lock it.
Do not leave the title paperwork ("pink slip") in your vehicle.

Vehicle Break-in Prevention Tips

- Place all tempting items—especially cell phones and other electronic equipment—out of sight.
- Do not leave any papers with personal information (such as mail or bank statements) in your car. Even blank papers might tempt a thief to break into your car in an attempt to steal your identity.
- Lock all doors, windows and any sunroof before leaving your car.
- Park in a locked garage or well-lit area.
Call police to report any suspicious activity around parked vehicles.

Burglary Prevention Tips

- Lock your doors and windows when you leave your home.
- Don't leave notes saying you're not home and when you will return.
- Become familiar with your neighbors and their cars.
- Beware of strangers knocking on doors. They may be burglars checking to see if a house is unoccupied.
- Don't leave a house key hidden outside your home.
- Keep your home well lit.
- Keep trees and bushes trimmed so they don't provide cover for burglars.
- If you come home and see evidence that someone has been in your home or may still be there, leave the area and call police immediately.
Report any suspicious activity.

BEING A GOOD WITNESS

This is a good form to keep copies by your window, in your car or on you when out & about. Trying to remember things several days later can be difficult.

**Call 911 if a crime is being committed
or call the police non-emergency number
935-3311**

When a crime is committed, police rely on witnesses to tell them when it occurred, how it happened, where, who and why. Witnesses are crucial in tracking down the criminals based on accurate physical description and type of vehicle they were driving. The following are helpful things to look for if you are a witness or victim of a crime. *Police need our help!*

TIME: _____ DAY & DATE _____

Suspicious activity being reported: _____

PERSONAL IDENTIFIERS

Gender	Male	Female
Age		
Race		
Eye Color/ Hair Color/ Facial Hair		
Build/Height/Weight	Height	Weight
Scars/Marks/Tattoos		
Mannerisms		
Accents/ Voice		
Other		

VEHICLE IDENTIFIERS

Lg. TRUCK	Sm. TRUCK	SUV	Sm Car	Large Car	OTHER
Color					
License Plate					
Make/Model					
Style <i>Sedan, hatchback, pickup, Van, Bike/quad</i>					
Stickers					
Condition <i>Dents, faded paint</i>					
Modifications <i>Rims, exhaust, lifted, lowered, spoiler, racks, other</i>					
Direction of travel					
Number of occupants					

A good witness can help the police find and identify the criminals responsible by simply giving good descriptions. You can practice this on a daily basis simply by describing five things about a person or a car that passes you on the road.
