Thanks so much, Barry, for not only starting this whole idea of having "AMERICAN BANDSTAND NIGHT" at the CUBS GAME, but also for all the extras you did to make it a huge success. I was just sorry you couldn't enjoy the evening at WRIGLEY'S with us all!

Also, many thanks for being such a big part of the event last night for CUBS CARE. You injected that wonderful excitement and helped everyone have a good time. It was fun to finally see you "in action".

I'm well aware of how much extra trouble and hard work this was for everyone involved and I just want to let you know how much I appreciated it.

Again, many thanks for everything. Kari and I really enjoyed the day and night.

Sincerely,

Mr. Barry Edwards
