BIG TOPS

THANK YOU

I am so excited to write you on the eve of a new year! Winter asks us to settle in and prep for what is to come. I feel excited about all on the horizon. We hope you've had some time to think about your future self...what are they doing? Join us to create an intentional collage letter to your future self this week, Friday and Saturday in the shop for our Make & Take. Kit will keep it for you in the shop and mail it back next year, or you can take it with you to refer back to throughout the year. On Sunday, we are planning for an intention-setting collage & paint night as we find our personal Word of the Year. This will be the theme as we create a mixed media piece, bringing our word into life throughout the new year. This workshop is for people 21 and older, and if that is you, feel free to bring your own drink and snacks. Moving forward throughout 2026, we are requesting that you pre-register for all workshops. As long as they are listed on our website, there is room for you, even down to the last minute of the workshop starting. You can find all of our workshops on our website! I wish I could figure out how to include a clickable here on the pdf. For now, here is the website: <https://artmarkitcov.com/ticketed-classes-%26-events> Can't wait to see you in 2026!

FEATURE OF THE WEEK

Introducing the Artmarkit Mardi Gras Krewe

In Mardi Gras tradition, a krewe is a group of people who come together to create, celebrate, and parade as one and that's exactly what we're doing! ArtMarKrewe is Artmarkit's walking float for the 2026 Mainstrasse Mardi Gras Parade, and it's built by the community, for the community. You can take part however you like: help us create parts for the walking float, walk/roll in the parade, or do both. No experience needed- just a willingness to make and have fun together.

We'll be building float elements at Artmarkit on:
Feb 3, 4, 10, & 11 from 4-7pm
(The parade itself is Saturday, Feb 14 at 7pm!)
