BIG TOPS

THANK YOU

Can't fully explain how exciting our first Swap & Potluck was...and the next one can't get here quick enough. Everyone went away with something special and we had so much left over to give to Be Concerned and Thrifting on Eastern. Kit also took some things along with diamond painting kits over to the Emergency Shelter. Thank you Jaz, Leah, Mahogany, Julia, Katy, Emily, Maggie, Melissa, Jane, Tina and Fred for help setting up, down, and getting donations out. Thank you to every single person involved in the swap! It was a dream!! We are truly excited for our next swap in the spring. We will be sure to keep you updated as that draws near. This week is short but sweet! We are open both Friday and Saturday if you are out shopping for the holiday season. I know you are hearing it from every angle, but your dollar goes so much farther than you could ever grasp when you shop small. Your purchase keeps the doors open and allows this mission to continue to be a creative reuse hub; (the space that exists because of you) where folks of all ages can access materials, explore their creativity, and find a place that feels like home. If you're out and about, stop in, say hi, and pick up something that inspires you. Your support truly shapes this space.
