BIG TOPS

THANK YOU

The snow melt and seeing so many smiling
faces (I feel like I saw at least 20 former
students around the Cov) out in the
sunshine today did something to me. Seeing
them is the sweetest reminder of
why I started Artmarkit. I always interact
with young people but this week in particular
it felt like the universe sent them my way
a little extra. If you're reading this and I used
be your teacher... here's a reminder of how
much I love you and how proud I am to know
you. You matter not only to me but to this
community, to the entire world.

This week is a big one! We are working so
hard on Mardi Gras, and it's coming together
beautifully. I am beyond thankful for all of the
ways so many have helped this parade dream
come to life. I can't wait to see it all together
this Saturday starting at 7 pm! I hope you can
come out and join in on the fun!

Keeping this as the feature because it is urgent. One
of the non profits distributing to families is in need of
supplies and gift cards right now. Along with
purchasing a shirt, please consider dropping off rice,
