

Inovaakos deebeee aur aantarik pariyojanaon mein nivesh karane ka maarg aur kaanoonee saadhan.

Inovaakos deebeee aur aantarik pariyojanaon mein nivesh kee prakriya aasaan ho gae!!!

Ham keval apane deebeee aur aantarik pariyojanaon ko 1% byaaj aur .50% (ek byaaj ka aadha pratishat) se kam nahin bechate hain (udaaharan: 1.00, 1.5, 2.00, 2.50, 3.00, 3.50 aur aage) ...

Gair-nigamit vyaktigat sambhaavana niveshak, hamaare kisee bhee deebeee aur aantarik pariyojanaon mein 1 pratishat se kam nivesh karate hue, aapako any vyaktigat sambhaavana niveshakon ke saath (elelasee/korp, aadi) shaamil karane kee aavashyakata hogee ...

Nigamit sambhaavit niveshak, hamaare kisee bhee deebeee aur aantarik pariyojanaon mein 1 pratishat se kam nivesh karate hue, aapako any nigamit sambhaavana niveshakon ke saath nivesh karane kee aavashyakata hogee ...

Hamaare pratyek deebeee aur aantarik pariyojanaon par 20% tak byaaj upalabdh hai...

Nivesh karane ka doosara vikalp, eskro ke maadhyam se, samay kee ek nirdhaarit avadhi ke lie, hamen phand (% keval aur ya pee end aae) udhaar dena hai ...

Kya Inovaako, elelasee mein nivesh karana jokhim bhara hai?

Haan bilakul!!! Haalaanki, Inovaako, elelasee aprayukt baajaaron ke lie vaastavik sevaen pradaan kar raha hai... Jokhim bahut adhik hain, lekin laabh bhee hain (vitteey puraskaar [aarooae])!!!
