

# Office of the Chief Electrical Inspector to Govt. of Kerala

No. B1- 597/07/CEI

Thiruvananthapuram

Dated: 10-01-07

Handwritten: H, 7-207

## Circular

**Subject: Approval and Inspection of Electrical Installations**

It has come to the notice of the undersigned that some electrical installation works are undertaken without proper supervision by authorised supervisors of the contractors. As per Rule 51 of KSELB Rules, all electrical installation work should be carried out only under the direct supervision of the supervisors of the contractors who undertakes the work. So it is decided to implement the following procedure to ensure the safety in the electrical installation works carried out by the contractors.

1. The Performa submitted along with the scheme for approval shall have signature of the contractor, supervisor and consumer with their seals. It is intended to ensure that the scheme is prepared under the supervision of the supervisor as per the standing instruction of the Electrical Inspectorate.
2. The completion report and compliance report submitted should have the signature and seal of the supervisor, contractor and consumer.
3. The supervisor who had supervised the work as per the completion report should be present at the time of inspection by the Electrical Inspector.

The direction contained in this circular should be implemented with immediate effect.

The receipt of the circular shall be acknowledged.

  
Chief Electrical Inspector.

To

1. The Deputy Chief Electrical Inspector, Ernakulam.
2. All Electrical Inspectors
