PREFACE TO THE FIRST EDITION

The service personnel of the State of Kerala comprise officers of the former Travancore-Cochin State, those transferred from the former Madras State on the date of reorganization of the States and those appointed to the service of the new State on or after 1st November 1956. The officers of the former Travancore – Cochin State themselves consist of officers who belonged to the former States of Travancore and Cochin. The service conditions of these different categories of officers are now governed by three different sets of Rules, viz., (1) The Travancore Service Regulations, (2) The Cochin Service Regulations and (3) The Fundamental Rules (Madras), the Madras Pension Code and the Madras Manual of special Pay and Allowances. The need for a unified set of rules to regulate the service conditions of the employees of the State of Kerala is obvious. Accordingly Government are pleased to issue these new unified rules under the proviso to Article 309 of the Constitution of India.

2. The rules are set forth in three parts as follows :-

Part I - Rules relating to the General Conditions of Service, Pay fixation, Leave, Joining time, Foreign Service, etc.

Part II - Rules relating to Travelling Allowance

Part III - Pension

These rules shall be deemed to have come into force from the 1st November 1959.

3. These rules are applicable to all officers who entered the service of the Kerala State on or after the 1st November, 1956. The rules are also applicable to those who came into the service of this State from the former State of Travancore – Cochin and the former Madras State and who elect to be governed by these rules. No option will however be given in regard to the T.A. Rules. All officers will be governed by the new rules in the matter of Travelling Allowance.

Any officer who finds any error or omission in these rules or any difficulty in implementing them is requested to bring it to the notice of the Secretary to Government, Finance Department.

PART I

PAY, LEAVE, JOINING TIME, ETC.

CHAPTER I

GENERAL SCOPE

1. (i) These rules may be called the Kerala Service Rules.
- (ii) The rules in Part I and Part II shall be deemed to have come into force with effect from 1st November 1959 and those in Part III shall be deemed to have come into force from 1st November 1956.
2. Subject to the provisions of Rule 3, -
 - (i) the rules in Part II relating to Travelling Allowance shall apply to every person in the whole time employment of the Government (other than a person so employed in the contingent or work establishment);
 - (ii) the remaining rules shall apply to every person in the whole time employment of the Government (other than a person so employed in the contingent or work establishment), -
 - (a) who was not in the service of the Government of Travancore-Cochin or the Government of Madras on 31st October 1956, or
 - (b) who was in the service of the Government of Travancore-Cochin or the Government of Madras on 31st October 1956 and who continued to be in the service of the Government of Kerala, but has opted to be governed by these rules in accordance with such conditions as may be laid down by the Government in this behalf; or
 - (c) who was absorbed to Government service on or after 1st November 1956, but who prior to such date was in the service of any quasi-Government or other institution and whose appointment and conditions of service were governed by any law or rule made under any law for the time being in force, if such person exercises his option to be governed by these rules, subject to such conditions as may be laid down by Government in this behalf.

Ruling

The rules in Part II, Kerala Service Rules relating to Travelling Allowances shall apply to the persons appointed to the service of the Government temporarily under Rule 9 of Part II of the Kerala State and Subordinate Service Rules also.

[G.O.(P)1082/87/Fin.,

Provided that in respect of any matter not covered by the provisions special to him, his service or his post, these rules shall apply to any person coming within the scope of clauses (a) and (b) above, to whom but for those clauses the rules would otherwise apply.

- (ii) Notwithstanding anything contained in Rule 2 the Government may, by notification in the Gazette, exclude wholly or in part from the operation of these rules any officer or any class of such officers to whom the Government shall declare that the rules cannot suitably be applied, and these rules shall thereupon to the extent of such exclusion, cease to apply accordingly.

Note.—These rules as a whole shall not apply to the persons appointed to the service of the Government temporarily under Rule 9 of Part II of the Kerala State and Subordinate Service Rules, 1958, except to the extent specified by the Government.

dt.22-1-1987]

[G.O.(P) 68/65/Fin.,
dt.16-2-1965]

4. If any doubt arises as to whether these rules apply to any person, the matter shall be referred to the Government and the decision of the Government shall be final.
5. Nothing in these rules or in any rule made thereunder shall operate to deprive any person of any right or privilege to which he is entitled,-
 - (a) by or under any law, or
 - (b) by the terms of any contract or agreement subsisting between such person and Government on the date these rules come into force.
6. Subject to the provisions of Rule 5, nothing in these rules or any rule made under these rules shall operate to affect to the disadvantage of any person holding a substantive post under Government to whom these rules apply, the conditions of service in respect of pay, leave, allowances, pension or any other matter which are applicable to him-
 - (a) on the date these rules came into force, or
 - (b) by virtue of any order or rule made by the Government, unless such person gives his consent.
7. Where Government are satisfied that the operation of any rule under these rules causes undue hardship in any particular case, the Government may dispense with or relax the requirements of that rule to such extent and subject to such conditions as they may consider necessary for dealing with the case in a just and equitable manner.
8. When in the opinion of the Government, special provisions inconsistent with any of these rules or of any rules made thereunder are required in respect of conditions of service, pay and allowances, leave and pension or any of them, with reference to any particular post, it shall be open to the Government, notwithstanding anything contained in these rules, to provide by agreement with the person appointed to such post for any of the matters in respect of which in the opinion of the Government special provisions are required to be made, and to the extent to which such provisions are made in the agreement, nothing in these rules or in any rules made thereunder shall apply to any person so appointed in respect of any matter for which provision is made in the agreement :

Provided that in every agreement made it shall further be

provided that in respect of any matter in respect of which no provision has been made in the agreement, the provisions of these rules or of rules made thereunder shall apply. (For model form of agreement See Appendix I).

9. The Government may delegate to any of its officers subject to any conditions which it may think fit to impose any power conferred upon it by these rules with the following exceptions :-
- (a) power to make rules;
 - (b) [Deleted];
 - (c) power to regulate the terms and conditions for grant of compensatory allowances;
 - (d) to determine the standard rent of buildings and the rent recoverable from an officer occupying the residence;

11. The Government reserve to themselves the power to modify these rules as may from time to time seem expedient and to interpret them in case of doubt.

Ruling

An officer's claim to pay and allowances is regulated by the rules in force at the time in respect of which the pay and allowances are earned; to leave, by the rules in force at the time the leave is applied for and granted; and to pension, by the rules in force at the time when the officer resigns or is discharged from the service of the State.

Persons governed by the Kerala Service Rules who were on leave on the crucial date, i.e. 1st November 1959, the leave having been sanctioned in good faith and availed of from a date prior to 1st November 1959 will be treated to have come over to the leave rules in the Kerala Service Rules on the expiry of the first spell of leave originally sanctioned. Any further extension of such leave after 1st November 1959 should be regulated only in terms of the rules in Kerala Service Rules. No arrears will, however, be paid, nor amounts drawn in excess recovered as a result of such readjustment of leave.

CHAPTER II

12. Unless there be something repugnant in the subject or context the terms defined in this chapter are used in the rules in the sense here explained :-

- (1) *Actual travelling expenses.*-means the actual cost of transporting an officer and his personal luggage including charges for ferry and other tolls and for carriage of camp equipment, if necessary. It does not include charges for hotels, travellers bungalows or refreshments or for the carriage of stores or conveyances or for presents to coachmen and the like, or any allowance for such incidental losses or expenses as the breakage of crockery, wear and tear of furniture and the employment of servants.
- (2) *Apprentice.*- means a person deputed for training with a view to employment in Government service, who draws pay at monthly rates from Government during such training, but is not employed in or against a substantive vacancy in the cadre of a department.
- (3) *Audit Officer.*- means the Head of the Office of Accounts and Audit subordinate to the Comptroller and Auditor General of India, whether designated as Comptroller or Accountant General or by any other designation.

- (7) *Duty.*- Duty includes-
 - (i) Service as a probationer or apprentice, provided that such service is followed by confirmation.
 - (ii) Joining time.
 - (iii) A course of instruction or training which an officer undergoes specially ordered by Government to be treated as duty.

[G.O.(P) 491/75/Fin.,
dt.24-10-1975]

Note 1.- A student, stipendiary or otherwise, who is entitled to be appointed to the service of Government on passing through a course of training at a University, College or School shall unless in any case it be otherwise expressly provided in the terms of his appointment, be treated as on duty during the interval between the satisfactory completion of the course and his assumption of duties.

Note 2.- An officer required or permitted to attend an obligatory departmental examination may be treated as on duty during the day or days of the examination and during the reasonable time required for the journey, if any, to and from the place of examination.

Explanation.

The term 'obligatory departmental examination' means-

[G.O.(P) 366/76/Fin.,
dt. 26-11-1976]

- (i) any test a pass in which is prescribed for the successful completion of probation or training of an officer, whether recruited direct or by transfer;
- (ii) any test a pass in which is prescribed for the purpose of making an officer eligible for increment or for confirmation in any post;
- (iii) any test a pass in which is prescribed for promotion to any higher post coming in the line of promotion in the department concerned ;
- (iv) any test a pass in which is prescribed as a qualification for continuance in the post;
- (v) any test a pass in which is newly prescribed for persons already in the service concerned.

Note 3.-The period spent on training by officers who are reservists of the Defence Forces and the period of their journey to and from the training centre may be treated as duty.

Ruling

In all cases of deputation of officers for a course of instruction or training under these rules, the period of such training, if treated as duty under sub-clause (iii) of the above rule, should be specified as such in the orders sanctioning such deputation. A separate clause that the period will count for increment, leave and pension is not necessary in such cases. In case where an officer selected for training is found unsuitable on medical examination or otherwise, the period spent by him in India for journey for medical examination, etc. in connection with the training will be treated as leave and no Travelling Allowance will be allowed for such journeys.

Note 4.- When a Government Servant on return from leave, training, foreign service or on termination of previous appointment, has compulsorily to wait for orders of posting, the interval between the date of report and the date on which he takes charge of his duties shall be treated as 'duty' provided that the interval between the date of receipt of orders and his assumption of duties shall not in any case exceed the amount of joining time admissible under Rule 125 (a). During such period of duty, he will be entitled to pay according to Rule 26. Avoidable delay caused in giving posting orders in such cases shall render the authorities concerned, liable for the excess expenditure, if any, caused thereby.

[G.O.(P)475/75/Fin.,
dt. 9-10-1975]

*

*[Omitted G.O (P)
No.78/2007/Fin dated
28/02/2007]

Explanation. - The term 'Civil Service Tournament' shall mean India Civil Services Tournaments organised by (a) the Central Civil Service Sports Control Board, (b) State

[G.O.(P) 211/82/Fin.,
dt. 5-5-1982]

Governments on behalf of the above Board and (c) Sports Councils or Associations authorised by the State Government, on behalf of the Central Civil Service Sports Control Board.

The note shall be deemed to have come into force with effect from 1st July 1980.

- (8) *Fee.*- means a recurring or non-recurring payment to an officer from a source other than the General Revenues whether made directly to the officer or indirectly through the intermediary of Government but does not included—
- (a) unearned income, such as income from property, dividends and interests on securities ; and
 - (b) income from literary, cultural or artistic efforts, if such efforts are not aided by the knowledge acquired by the officer in the course of his service.
- (9) *Foreign Service.*- means service in which an officer receives his pay with sanction of Government from any source other than the Consolidated Fund of India or of a State.
- (10) *General Revenues.*- General Revenues of Kerala include the Consolidated Fund, the Contingency fund and the Public Account of Kerala and exclude the revenues of Local Funds.
- (11) *Government.*- means the Government of Kerala.
- (12) *Gratuity.*- (See Pension)
- (13) *Heads of Departments.*- The term includes-
- (a) Officers who have been declared by the Government to be Heads of Departments. (See Appendix II)
 - (b) Any other authority to which the Government may delegate the powers of a Head of Department.
- (14) *Holiday.*- means-
- (a) a holiday prescribed or notified by or under section 25 of the Negotiable Instruments Act, 1881; and
 - (b) in relation to any particular office, a day on which such office is ordered by notification of Government in the Gazette to be closed for the transaction of Government business without reserve or qualification.

- (16 A) *Last Grade Service.*- means service in any post included in the Kerala Last Grade Service constituted by the Special Rules for the Kerala Last Grade Service, published under G.O.(P) 82/Public (Rules) Department, dated the 8th March 1966, in Part I of the Kerala Gazette No.14, dated the 5th April 1966, as amended from time to time, and includes *all other posts carrying the lowest scale of pay in the schedule of pay scales in force from time to time and service in any post declared by the Government to be a post in the Last Grade Service.
- (17) *Leave salary.*- means the monthly amount paid by Government to an officer on leave.

[G.O.(P) 1060/79/Fin.,
dt. 6-12-1979]

*[G.O.(P) 626/93/Fin.,
dated 4-10-1993]

- (18) *Lien.*- means the title of an officer to hold substantively, either immediately or on termination of a period or periods of absence, a permanent post to which he has been appointed substantively.
- (19) *Local fund.* - means-
- (a) revenues administered by bodies which by law or rule having the force of law come under the control of Government, whether in regard to proceedings generally or to specific matters, such as the sanctioning of their budgets; sanction to the creation or filling up of particular posts, or the enactment of leave, pension or similar rules; and
 - (b) the revenues of any body which may be specially notified by the Government as such.
- (20) *Ministerial Officer.*- means an officer of a subordinate service whose duties are entirely clerical, and any other class of officer specially defined as such by general or special orders of Government.
- (21) *Month.*- means a calendar month. In calculating a period expressed in terms of months and days, complete calendar months, irrespective of the number of days in each, should first be calculated and the odd number of days calculated subsequently.
- Note.- Whenever it is necessary to calculate a period in calendar months, the period shall be taken to end either on the day of the month corresponding to the day before the day on which the period begins or if there is no such corresponding day in the month, then on the last day of the month.
- Example.*-A period of six calendar months beginning on the 28th February ends on the 27th August, 31st March ends on the 30th September, 30th or 31st August ends on the 28th February or 29th February, if leap year.
- In calculating a period of 3 months and 20 days from 25th January, 3 months should be taken as ending on the 24th April and the 20 days on 14th May. In the same way the period from 30th January to 2nd March should be reckoned as 1 month and 2 days, because one month from 30th January ends on 28th February. A period of one month and 29 days commencing from 1st January will expire in an ordinary year (in which February is a month of 28 days) on the last day of February because a period of 29 days cannot obviously mean to exceed a period of full calendar month and leave for two months from 1st January would end on the last day of February. The same would be the case if February were a month of 29 days or if the broken period were 28 days (in an ordinary year).
- (22) *Officiate.* - An officer officiates in a post when he performs the duties of a post on which another person holds a lien. The appointing authority may, if it thinks fit, appoint an officer to officiate in a vacant post on which no other officer holds a lien.
- (23) *Pay.* - means the amount drawn monthly by an officer as-
- (i) the pay, other than special pay or pay granted in view of his personal qualifications, which has been sanctioned for a post held by him substantively or in an officiating capacity or to which he is entitled by reason of his position in a cadre, and
 - (ii) personal pay and special pay, and
 - (iii) any other emoluments which may be specially classed as pay by the Government.

- (24) *Pension*. - Except when the term 'Pension' is used in contradistinction to gratuity or 'Death-cum-retirement gratuity', 'Pension' includes 'gratuity' and 'Death-cum-retirement gratuity'.
- (25) *Permanent Post*. - means a post carrying a definite rate of pay sanctioned without limit of time.
- (26) *Personal Pay*. - means additional pay granted to an officer-
- (a) to save him from loss of substantive pay in respect of a permanent post due to a revision of pay or to any reduction of such substantive pay otherwise than as a disciplinary measure ; or
 - (b) in exceptional circumstances, on other personal considerations.

Note.- All cases in which it is proposed to grant personal pay under clause (b) of the above rule should be referred to the Finance Department by the Administrative Department concerned. No case will be entertained which is not of an entirely exceptional character and in submitting cases for the grant of personal pay, this should be carefully borne in mind.

- (27) *Presumptive Pay of a Post*. - When used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant, performs or discharges the work or responsibility in consideration of which the special pay was sanctioned.

Note.- The first part of the definition is intended to facilitate the use of the term in relation to an officer who has been absent from a post for some time but still retains a lien on it.

- (28) *Probationer*. - means an officer employed on probation in or against a substantive vacancy in the cadre of a department.

Note 1.- The term 'Probationer' does not cover an officer who holds substantively a permanent post in a cadre and is appointed 'on probation' to another post.

Note 2.- No person appointed substantively to a permanent post in a cadre is a probationer unless definite conditions of probation have been attached to his appointment such as the condition that he must remain on probation pending the passing of certain examinations.

Note 3.- The status of a probationer is to be considered as having the attributes of a substantive status except where the rules prescribe otherwise.

Note 4.- The instructions in Notes 1 and 2 above are to be taken as complementary and not as mutually exclusive. Taken together, they contain the essence of the tests for determining when an officer should be regarded as a "Probationer" or as merely "on Probation", irrespective of whether he is already a permanent officer or is merely an officer without a lien on any permanent post. While a probationer is one appointed in or against a post substantively vacant with definite conditions of probation, a person on probation is one appointed to a post (not necessarily vacant substantively) for determining his fitness for eventual substantive appointment to that post.

- (29) *Public Conveyance*. - means a train, steamer, bus, boat or other conveyance which plies regularly for the conveyance of passengers.
- (30) *Qualify*. - 'Qualify' and 'Count' means qualify and count for pension, from the General Revenues or for leave of absence, as the case may be.

(31) *Special Pay.*- means an addition of the nature of pay to the emoluments of a post or of an officer granted in consideration of the following :-

- (a) where a post would call for a higher scale of pay in view of the additional and/or higher responsibilities attached to it, or
- (b) where the nature of work is specially arduous ;
- or
- (c) where an officer has to attend to work in addition to normal duties attached to his post.

Note . - When special pay is granted in lieu of a higher time-scale of pay such special pay will count for purposes for fixation of pay on promotion to a higher post provided the Officer was drawing it continuously for a minimum period of three years on the date of promotion. Special pay in a tenure post or special pay drawn on deputation will not, however, be considered for such fixation of pay.

[G.O.(P) 393/75/Fin.,
dt. 30-8-1975]

(32) *Subsistence Allowance.* -means a monthly grant made to an officer who is not in receipt of pay or leave salary.

(33) *Substantive Pay.* - means the pay other than special pay, personal pay or emoluments classed as pay by Government under Rule 12 (23) (ii) and (iii) above to which an officer is entitled on account of a post to which he has been appointed substantively or by reason of his substantive position in a cadre.

Note . -When a special pay is granted in lieu of a higher time scale, such special pay will also count as substantive pay, provided the officer holds a lien on the post to which the special pay is attached.

(34) *Temporary Post.* -means a post carrying a definite rate of pay sanctioned for a limited time.

(35) *Time-scale of Pay.* - means pay which, subject to any conditions prescribed in these rules, rises by periodical increments from a minimum to a maximum. It includes the class of pay hitherto known as progressive:-

- (a) Time-scales are said to be *identical* if the minimum, the maximum, the period of increment and the rate of increment of the time-scales are identical.
- (b) A post is said to be on the same time-scale as another post on a time-scale if the two time-scales are identical and the posts fall within a cadre or a class in a cadre, such cadre or class having been created in order to fill all posts, involving duties of approximately the same character or degree of responsibility, in a service or establishment or group of establishments, so that the pay of the holder of any particular post is determined by his position in the cadre or class and not by the fact that he holds that post.

Note. -Method of calculation of average pay of a post on a time-scale of pay-

- (1) In the case of gazetted appointments on time-scales of pay the following formula may be applied for ascertaining the average pay :-

$$\text{Average pay} = (A+B)/2 + (B-A)/2 [1-(R+1) \{ .014+1- .01R/F-E \}]$$

Where A = Minimum pay,

B = Maximum pay,

R = Period of rise,

E = Average age at entry in the Grade, and

F = Average age at retirement on superannuation pension.

This may be taken to be 55 in almost every case unless there are

special reasons to take it either at a lower or a higher figure.

- (2) In the case of non-gazetted post on time scales of pay, the following formula is to be applied :-

$$\text{Average pay} = (A+B)/2 + (B-A)/2[1-(R+1) \{.021 + (1-.015R / F-E)\}]$$

Where A = Minimum pay,

B = Maximum pay,

R = Period of rise,

E = Average age at entry in the Grade, and

F = Average age at retirement on superannuation pension. This may be taken to be 55 in almost every case unless there are special reasons to take it either at a lower or a higher figure.

- (3) In cases where one grade is the channel of promotion to another grade, that is to say where everybody in the lower grade is ultimately promoted to the higher grade, the following formula may be adopted to find the average cost of appointments in the lower grade :-

[G.O.(P) 52/65/Fin.,
dt. 3-2-1965]

$$\text{Average pay} = A + C/2 + (C-A)/2[1-(S+1) \{0.006 + (1-0.004S)/G - E \}]$$

Where A = Minimum pay,

C = Pay just before promotion to the higher grade,

S = Period of rise from A to C,

E = Average age at entry in the lower grade, and

G = Average age at the time of promotion to the higher grade.

- (4) If the average pay worked out by any of the methods prescribed, falls below the minimum of the time-scale plus one forth of the difference between the minimum and maximum of the time scale, the average of the minimum and the maximum of the time-scale shall be taken as the average pay.

[G.O.(P) 359/76/Fin.,
dt. 23-11-1976]

Government Decision

A scale of pay is reckoned as higher time-scale on the following principles :-

- (i) according to the higher maximum,
 - (ii) if the maximum is the same, according to the higher minimum, and
 - (iii) if the maximum and the minimum are the same according to the rate of increment.
- (36) *Transfer*. - means the movement of an officer from one headquarter station in which he is employed to another such station, either,
- (a) to take up the duties of a new post, or
 - (b) in consequence of a change of his headquarters.
- (37) *Travelling Allowance*. - means an allowance granted to an officer to cover the expenses which he incurs in travelling in the interest of the public service. It includes allowances granted for the maintenance of conveyances.

Government Decision

The expressions 'road mileage' and 'mileage allowance' wherever they occur, shall be assigned meaning as referring to 'distance in kilometres'.

CHAPTER III

GENERAL CONDITIONS OF SERVICE

- 13.** Except as provided by this rule, no person may be appointed to a post in Government service without his producing a medical certificate of health in the form annexed below. The Government may, in individual cases, dispense with the production of a certificate, and may by general orders exempt any specified class of officers from the operation of this rule.

FORM

I do hereby certify that I have examined A B, a candidate for employment in the Department, and cannot discover that he has any disease, constitutional affection or bodily infirmity except..... I do not consider this a disqualification for employment in the office of.....

A B's age is according to his own statement x years and by appearance y years.

A B has been re-vaccinated/vaccinated or has/had smallpox.

Note 1-The certificate prescribed above must ordinarily be signed by a Civil Medical Officer of rank not lower than a Civil Surgeon or Honorary Medical Officer of Civil Surgeon's rank or the Director of Indigenous Medicine, but in the case of a person whom it is proposed to appoint to a post the maximum pay of which is not more than *Rs.1050 and who cannot conveniently be brought before an officer of higher rank, a certificate from an Assistant Surgeon with M.B.B.S. degree may, at the discretion of the appointing authority, be accepted.

[G.O.(P) 1109/87/Fin.,
dt. 23-12-1987]

*This amendment shall be deemed to have come into force with effect from 1st April 1985.

Note 2.- An officer, in whom a defect has been noticed by the Medical Officer who granted him his first certificate of health, may not be transferred from the office to which he was originally appointed, to another office, the duties of which are different in character, except on production of another certificate from a competent authority to the effect that the defect will not materially interfere with the discharge of his new duties by reason of such transfer.

Note 3.-The following classes of officers are exempted from producing a medical certificate of health :-

- (1) an officer recruited through a competitive examination who had to undergo medical examination in accordance with regulations prescribed for appointment to service under Government;
- (2) an officer in service other than the last grade appointed in a temporary vacancy of less than three months duration;
- (3) an officer in the last grade appointed in a temporary vacancy of less than six months duration ;
- (4) a temporary officer who has already been medically examined in one office if transferred to another office without a break in service subject to the provision of Note 2 above;
- (5) a retired officer re-employed immediately after retirement.

Note.- 4-(a) The production of a medical certificate is necessary when-

- (i) an officer is promoted from non-qualifying service paid from a Local Fund to a post in Government service other than last grade;
- (ii) a person is re-employed after resignation or forfeiture of past service;
- (b) when a person is re-employed in circumstances other than those referred to in clause (a) (ii) above the appointing authority will decide whether a medical certificate should be produced.

Note 5.-Once a person is asked to produce a medical certificate of fitness for entry into Government service whether in a temporary or permanent capacity and has actually been examined and declared unfit, it is not open to the appointing authorities subordinate to Government to use their discretion to ignore the certificate that has been produced.

Government Decision

The question of laying down appropriate rules to govern the Medical Examination of candidates recruited to Government service was considered by Government. After taking into account all the relevant aspects of the question, the following rules have been laid down in this behalf:

1. Normally a candidate should be medically examined before his first appointment. In certain cases, however, when a candidate is required to join immediately for work or for training, the appointment may be made without first obtaining the medical certificate, though the appointment should be subject to the officer being declared medically fit. In all such cases, if an officer is declared unfit on medical examination and he prefers an appeal he should be retained in service till the case is finally decided.
2. Similarly, in the case of a Government servant whose appointment is made on a temporary basis on the strength of a medical certificate issued by a lower authority or without such a certificate, it may be necessary to get a certificate of fitness from the appropriate medical authority. If the appropriate medical authority finds that the person is not fit for retention in service at all and if an appeal for a second medical examination from the Government servant concerned is accepted the person concerned should be allowed to continue in service till the verdict of appropriate medical authority is known. In case it is decided not to accede to the request for further medical examination, the services of the officer should be terminated forthwith.
3. The intimation regarding unfitness of a candidate should immediately on receipt be communicated to the person concerned with a note that appeal, if any, must be made by the candidate/ Government servant concerned within one month of the communication of the findings of the Medical Officer and that, if any, Medical certificate is produced as piece of evidence about the possibility of an error of judgement in the decision of the Medical Officer who examined him, in the first instance, the certificate must contain a note by the Medical Officer concerned to the effect that it has been given in full knowledge of the fact that the candidate has already been rejected as unfit for service by a Medical Officer.

4. In case no appeal (with requisite evidence in support of his case) is preferred by the candidate/ Government servant within one month of the date of communication to him of the findings of the Medical Officer, his services should be terminated forthwith on the expiry of the period of one month and ordinarily no appeal should be allowed after the expiry of that period.
5. In case where a Government servant or a candidate for Government service is declared unfit for retention in Government service or appointment in the Government service by a Medical Officer, the grounds for rejection may be communicated to him in broad terms without giving minute details regarding the defects pointed out by the Medical Officer. Cases where the grounds of rejection have not been clearly stated by the Medical Officer, in his report, may be referred to the Government for advice.
6. For the first Medical Examination of the candidate/ Government servant as well as the subsequent examinations found necessary by the appointing authority on account of an appeal, the appointing authority shall give suitable requisition to the Medical Officer concerned.
7. No appeal shall lie against the adverse findings of a Medical Officer to whom the case is referred on appeal.

Note 1.- Certificate of physical fitness for entry into Government service should always be from Medical Practitioners of Modern Medicine or from Doctors of Indigenous Medicine.

Note 2.- The Medical Authority who is to issue a medical certificate a second time on appeal shall be of a higher status than the other who issued the first medical certificate.

Note 3.- When a final certificate has been issued either by the Director of Health Services, or by the Director of Indigenous Medicines, that certificate will be final and no appeal will be permitted [Vide G.O.(P) 1034/61/Pub. (Ser.D), dated 2nd December 1961 and G.O.(P) 570/62/Pub. (Ser. D), dated 25th October 1962]

[G.O.(P) 343/63/Fin.,
dt. 7-6-1963]

14.

Unless in any case it be otherwise distinctly provided, the whole time of an officer is at the disposal of the Government which pays him and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from the General Revenues of India or of the States or the Revenues of a Local Fund or from the funds of a Body, incorporated or not, which is wholly or substantially owned or controlled by the Government.

Note 1.- Every officer must attend the office punctually. For every three day's late attendance without permission, an officer will forfeit a day's casual leave for which he is eligible. The computation of the forfeiture of a day's casual leave will be with respect to the calendar year and late attendance without permission for less than three days at the end of a calendar year will be ignored.

Note 2.- No other kind of leave except casual leave shall be forfeited for late attendance without permission. Disciplinary action under the Kerala Civil Services (C.C and A.) Rules, 1960 may be taken against the officers concerned for late attendance without permission if there is no casual leave to be forfeited.

[G.O.(P) 593/70/Fin.,
dt. 20-8-1970]

- *14 A.** The period of unauthorized absence of an Officer on account of participation in strike shall be treated as 'Dies-Non'. During the period of 'Dies-Non', he shall not be eligible for pay and allowances and the period shall not be counted for admissibility of earned leave. However, such period shall be counted for the purposes of increment and half pay leave, notwithstanding anything contained in any other rules in this part.

*This shall be deemed to have come into force with effect from 10th January, 2002.

- 15.** (a) Two or more officers cannot be appointed substantively to the same permanent post at the same time.
- (b) An officer cannot be appointed substantively, except as a temporary measure, to two or more permanent posts at the same time.
- (c) An officer cannot be appointed substantively to a post on which another officer holds a lien.
- 16.** Unless in any case it be otherwise provided in these rules, an officer on substantive appointment to any permanent post acquires a lien on that post and ceases to hold any lien previously acquired on any other post.
- 17.** Unless his lien is suspended under Rule 18 or transferred under Rule 20 an officer holding substantively a permanent post retains a lien on that post-
- (a) while performing the duties of that post;
- (b) while on foreign service or holding a temporary post, or officiating in another post;
- (c) during joining time on transfer to another post, unless he is transferred substantively to a post on lower pay, in which case his lien is transferred to the new post from the date on which he is relieved of his duties in the old post;
- (d) while on leave;
- (e) while under suspension; and
- (f) while under training.
- 18.** (a) The Government shall suspend the lien of an officer on a permanent post which he holds substantively if he is appointed in a substantive capacity—
- (1) to a permanent post outside the cadre on which he is borne, or
- (2) provisionally to a post on which another officer would hold a lien had his lien not been suspended under this rule.
- (b) The Government may, at their option, suspend the lien of an officer on a permanent post which he holds substantively, if he is transferred to foreign service or in circumstances not covered by clause (a) of this rule, is transferred, whether in a substantive or officiating capacity to a post in another cadre, and in any of these cases there is reason to believe that he will remain absent from the post on which he holds a lien for a period of not less than three years.

Ruling

The lien of an officer on a permanent post should not be suspended when he is appointed to a higher post in a different cadre, in case the higher post falls within the regular line of promotion from the lower post.

[G.O.(P) 102/66/Fin.,
dt. 25-3-1967]

- (c) if an officer's lien on a post is suspended under clause (a) or (b) of this rule, the post may be filled substantively, and the officer appointed to hold it substantively, shall acquire a lien on it; provided that the arrangements shall be reversed as soon as the suspended lien revives.

Note.-When a post is filled substantively under this clause, the appointment will be termed a provisional appointment, the officer appointed will hold a provisional lien on the post and that lien will be liable to suspension under clause (a) but not under (b) of this rule.

- (d) an officer's lien which has been suspended under clause (a) of this rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in sub-clause (1) or (2) of that clause.
- (e) an officer's lien which has been suspended under clause (b) of this rule shall revive as soon as he ceases to be on foreign service or to hold a post in another cadre, provided that a suspended lien shall not revive because the officer takes leave, if there is reason to believe that he will on return from leave, continue to be on foreign service or to hold a post in another cadre and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in sub-clause (1) or (2) of clause (a).

Note.-When it is known that an officer on transfer to post outside his cadre is due to retire on superannuation pension within three years of his transfer, his lien on the permanent post cannot be suspended.

- 19.** (a) An officer's lien on a post may in no circumstances be terminated, even with his consent, if the result will be to leave him without a lien or a suspended lien upon a permanent post.
- (b) In a case covered by sub-clause (2) of clause (a) of Rule 18, the suspended lien may not, except on the written request of the officer concerned, be terminated while the officer remains in Government service; provided that it shall be open to the competent authority to refuse consent for the confirmation or retention of an officer in a permanent post outside the cadre on which he is borne unless he makes a written request that his lien on the permanent post in his parent office should be terminated.

- 20.** Subject to the provisions of Rule 21 the Government may transfer to another permanent post in the same cadre the lien of an officer who is not performing the duties of the post to which the lien relates, even if that lien has been suspended.

- 21.** (a) The Government may transfer an officer from one post to another; provided that, except-
- (1) on account of inefficiency or misbehavior, or
- (2) on his written request,

an officer shall not be transferred substantively to, or except in a case covered by Rule 58, appointed to officiate in a post carrying less pay than the pay of the permanent post on which he holds a lien, or would hold a lien had his lien not been suspended under Rule 18.

- (b) Nothing contained in clause (a) of this rule or in clause (18) of Rule 12 shall operate to prevent the transfer of an officer to the post on which he would hold a lien, had it not been suspended in accordance with the provisions of clause (a) of Rule 18.

Note.- Permanent transfers from a higher to lower scale in anticipation of the abolition of a post are not transfers within the meaning of the above rule.

- 22.** An officer may be required to subscribe to a provident fund, a family pension fund or similar fund in accordance with such rules as the Government may by order prescribe.

Note 1. - An officer who has entered service before the 19th August, 1976, may, however, opt to subscribe for a policy in the official Branch of the State Life Insurance instead of the Provident Fund.

Note 2. - Officers who are subscribers to the Family Benefit Scheme, going on deputation/foreign service shall continue to subscribe to the Family Benefit Scheme and they themselves shall arrange for effecting recovery and remittance of the amount from their pay.

- * 22A.** Any person who enters Government Service on or after 19th August, 1976 and has not crossed the age of 50 years, shall within a period of one year from the date of such entry in service, subscribe to a policy in the official branch of the State Life Insurance at such rate as may be determined by Government from time to time and shall continue to subscribe till he ceases to be in Government Service.

If the charge is transferred afternoon, the transfer does not affect pay and allowances until the next day.

Exception. -An officer deputed for a course of instruction or training which is ordered to be treated as duty, if promoted to a higher post in the regular line during such course of instruction or training, may draw the pay thereof, without joining it, the benefit of promotion being given from the date his junior assumes charge of the higher post.

Government Decision No. 1

Questions have been raised regarding the authority competent to accept a resignation, the circumstances under which resignation should be accepted, the date when a resignation becomes effective, and the authority competent to permit a Government servant to withdraw a resignation which he has already tendered. The following instructions will be followed :

- (a) *Authority competent to accept resignation.*—The appointing authority in respect of the service or post in question is the authority competent to accept the resignation of the Government servant.
- (b) *Circumstances under which resignation should be accepted.* - It is not in the interest of Government to retain an unwilling officer in service. The general rule, therefore, is that resignation from service should be accepted after settling the liabilities outstanding against the Government servant, except in the circumstances indicated below:-
- (i) Where the officer concerned is engaged on work of importance and it would take time to make alternative arrangements for filling the post, the resignation should not be accepted straight away, but only, when alternative arrangements for filling the post have been made.
 - (ii) Where a Government servant who is under suspension submits a resignation, the competent authority should examine with reference to the merits of the disciplinary case pending against the Government servant whether it would be in the public interest to accept the under suspension. Exceptions to this rule would be where the alleged offences do not involve moral turpitude or where the quantum of

evidence against the accused officer is not strong enough to justify the assumption that if the departmental proceedings were continued, the officer would be removed or dismissed from service or where the departmental proceedings are likely to be so protracted that it would be cheaper to the Public Exchequer to accept the resignation.

- (c) *Date when a resignation becomes effective.*—The competent authority should decide the date with effect from which the resignation should become effective. In cases covered by (b) (i) above the date should be that with effect from which alternative arrangements can be made for filling the post. Where an officer is on leave, the competent authority should decide whether he will accept the resignation with immediate effect or with effect from the date following the termination of the leave. There is also no objection to a Government servant on leave being permitted to resign his post without rejoining duty after leave, provided the appointing authority so decides with due regard to the administrative convenience of the department. Where a period of notice is prescribed which a Government servant should give when he wishes to resign from service the competent authority may decide to count the period of leave towards the notice period. In other cases also it is open to the competent authority to decide whether the resignation should become effective immediately or with effect from some prospective date. In the latter case, the date should be specified.

- (d) *Authority competent to permit withdrawal of resignation.*—A resignation becomes effective when it is accepted and the officer is relieved of his duties. Where a resignation has not become effective and the officer wishes to withdraw it, it is open to the authority which accepted the resignation either to permit the officer to withdraw the resignation or to refuse the request for such withdrawal. Where, however, a resignation has become effective, the officer is no longer in Government service and acceptance of the request for withdrawal of resignation would amount to re-employing him in service after condoning the period of break.

[G.O.(P) 98/65/Fin.,
dt. 22-3-1965]

Concurrence of 'Finance', and the Public Service Commission, wherever necessary, should be obtained before a request for withdrawal of resignation which has already become effective, is accepted.

Government Decision No.2

Condonation of the period of break and revival of past service in such cases will be for the purpose of pension only, if it is otherwise admissible. The Government servant's earlier service will not count for fixation of pay, increment or leave. His pay will be fixed at the minimum of the scale of pay of the post to which he is re-employed after resignation and the period of break will be treated as a period spent out of employment.

CHAPTER IV

PAY

25. Except in the case of personal pay granted in the circumstances defined in Rule 12 (26) (a), the pay of an officer shall not be so increased as to exceed the pay sanctioned for his post without the sanction of Government.
26. When an officer is treated as on duty under Rule 12 (7) (iii), the Government may, at their option, authorise payment to him of the pay of his substantive appointment or of any lower rate of pay which they may consider suitable, provided that the pay admissible may, if the Government so direct, be instead of either of the rates just specified, the pay of any officiating appointment which the officer would have drawn but for undergoing such training, subject however to the condition that this rate of pay shall not be allowed for a period longer than that for which the officer would have held the officiating appointment had he not been placed on such course of training.

Note 1. - A reservist of the Defence Services in the employment of the State Government, when called up for periodical training, receives the pay and allowances to which he is entitled under the Defence Services. He will also receive the excess, if any, of his pay under the Government over the pay under Defence Department. The periods spent in training and on the journey to and from the place of training will be treated as duty for purposes of leave, increments and pension.

Note 2. - The expressions "the pay of his substantive appointment" and "the pay of any officiating appointment" occurring in the above rule should be taken to mean "the pay which the officer would have drawn in the post which he holds substantively" and "the pay which the officer would have drawn in the officiating appointment but for undergoing the training". In neither case, is there any restriction to draw the following kinds of emoluments which the officer would have drawn in the substantive or officiating appointment but for the training :

[G.O.(P) 434/65/Fin.,
dt. 17-11-1965]

- (i) Basic pay
- (ii) Special pay granted in lieu of a higher time-scale of pay
- (iii) Personal pay
- (iv) Any other emoluments specially classed as pay and which are specifically allowed to be drawn during training
- (v) Dearness pay
- (vi) Dearness allowance
- (vii) House rent allowance

Ruling

An officer holding a provisional appointment deputed for training where the period of training is treated as duty will be allowed to draw for the period of training the pay and allowances attached to the provisional appointment, if it is certified by the competent authority that the officer would have held the provisional appointment but for his deputation for training.

27. Rules 28 to 37 apply to time-scale of pay generally. They do not, however apply to any time-scale sanctioned by the Government in so far as they are inconsistent with terms specially so sanctioned for such time-scale.
28. The initial substantive pay of an officer who is appointed substantively to a post on a time-scale of pay is regulated as follows :
- If he holds a lien on a permanent post or would hold a lien on such a post had his lien not been suspended, he will draw as initial pay the stage of the time-scale next above his substantive pay in respect of the old post :
- Provided that except in cases of re-employment after resignation or removal or dismissal from public service, if he either has previously held substantively or officiated in (i) the same post, or (ii) a permanent or temporary post on the same time-scale, or (iii) a permanent post on an identical time-scale or a temporary post (including a post in a body, incorporated or not, which is wholly or substantially owned or controlled by the Government) on an identical time-scale then the initial pay shall not, except in cases of reversion to the parent cadre governed by item (iii) above be less than the pay which he drew on the last such occasion and he shall count the period during which he drew that pay on such last and any previous occasions for increment in the stage of the time-scale equivalent to that pay. The service rendered in a post referred to in item (iii) shall, on reversion to the parent cadre, count towards initial fixation of pay, to the extent and subject to the conditions indicated below:-
- (a) The officer should have been approved for appointment to the particular grade/post in which the previous service is to be counted;
 - (b) All his seniors, except those regarded as unfit for such appointment, were serving in posts carrying the scale of pay in which the benefit is to be allowed or in higher posts, whether in the department itself or elsewhere, and at least one junior was holding a post in the department carrying the scale of pay in which the benefit is to be allowed; and
 - (c) the service will count from the date his junior is promoted and the benefit will be limited to the period the officer would have held the post in his parent cadre had he not been appointed to the ex-cadre post.

Note 1. - The provisions in the above rule apply in cases of substantive appointments to higher time-scales of pay only. In other cases the officer's pay in the new appointment shall be fixed at his pay in the previous appointment, if it is a stage in the new scale or at next lower stage, if it is not a stage in the new scale, the difference being treated as personal pay, such personal pay, being absorbed in future increases of pay. This will not, however, apply to cases of reversions.

Note 2. - The provisions in item (iii) of the proviso to the above rule in respect of protection of pay and period of increment shall be applicable to Government servants on their appointment directly or on transfer from a post carrying identical time-scale of pay without fulfilment of the conditions indicated thereunder subject to the condition that this benefit will not be admissible to an individual who enters Government service for the first time from a post in a body incorporated or not which is wholly or substantially owned or controlled by Government.

28A.

Notwithstanding anything contained in these rules, where an officer holding a post in a substantive, temporary or officiating capacity is promoted or appointed in a substantive, temporary or officiating capacity to another post carrying a higher time-scale of pay, his initial pay in the higher time-scale of pay, shall be fixed at the stage next above the pay notionally arrived at in the lower time-scale of pay by increasing the actual pay drawn by him in the lower time-scale by one increment. A refixation of pay will be allowed whenever there is a change of pay in the lower time-scale.

This rule shall be deemed to have come into force with effect from 3rd February 1962.

Provided that the provisions of this rule shall not apply to promotions from posts carrying a scale of pay the minimum pay of which exceeds *Rs.3900 &** Rs.12,600 respectively.

Provided also that where a Government servant is immediately before his promotion or appointment to a higher post, drawing pay at the maximum of the time-scale of the lower post, his initial pay in the time-scale of the higher post shall be fixed at the stage next above the pay notionally arrived at by increasing his pay in respect of the lower post by an amount equal to the last increment in the time-scale of the lower post.

This amendment shall be deemed to have come into force with effect from 21st July 1964.

Ruling No.1

In cases where the application of the rule would give rise to anomalies in as much as an officer officiating in a higher post could get his pay refixed at a stage higher than the pay drawn by another who stands confirmed in the higher post on the same scale of pay, the anomaly will be removed by refixing the pay of the senior officer at the stage equal to that fixed for the junior officer in the higher post, the orders of refixation being issued by the competent authority under Rule 34, Part I, Kerala Service Rules. The refixation of pay in such cases will be made subject to the following conditions:

- (a) Both the junior and senior officers should belong to the same cadre and the post in which they have been promoted or confirmed, as the case may be, should be identical and in the same cadre.
- (b) The scale of pay of the lower post in which they would have drawn their pay but for their promotion or confirmation should be identical.
- (c) The anomaly should be directly as a result of the application of Rule 28A. For example, if the junior officer draws from time to time a higher rate of pay than the senior by virtue of fixation of pay under the normal rules or any advance increment granted to him, the provision contained in this ruling should not be involved to step up the pay of the senior officer.
- (d) The refixation of pay of the senior officer should be done with effect from the date of refixation of pay of the junior officer. The next increment of the senior officer will however be drawn on the date on which it would have fallen due but for this refixation of pay.

Ruling No.2

In the case of a Government servant, officiating in a post and whose pay had been refixed under this rule, if he is confirmed in that post with effect from a retrospective date, the refixation of pay done after the date of confirmation will have to be revised. The over payments consequent on such revision will first be set off against the arrears, if any, that might become payable to the Government servant for a portion of the period from the date of confirmation to the date of issue of orders of confirmation. The balance of overpayments that cannot be set off against the arrears, if any, shall be waived.

This Ruling will be deemed to have come into force with effect from 3rd February 1962.

Ruling No. 3

The refixation of pay in the higher officiating post on the date of change of pay in the lower time-scale contemplated in this rule cannot be allowed during the period of bar on increment with or without cumulative effect. But, in the cases of bar on increment without cumulative effect there is no objection to give the refixation on a notional basis and to give the monetary benefit after the expiry of the period of bar. Increments accruing in the lower substantive/officiating post from time to time cannot also be allowed during the period of bar.

[G.O.(P) 650/72/Fin.,
dt. 12-12-1972]

Ruling No 4

Increments barred with or without cumulative effect in the lower substantive officiating post shall not be reckoned for fixation/refixation of pay in the higher time-scale. But in the case of bar on increment without cumulative effect, there is no objection to grant the barred increments notionally for fixation/refixation of pay and to give the monetary benefit after the expiry of the period of bar.

Ruling No. 5

A revision of pay as contemplated in Ruling No. 2 shall not be necessary in the case of retrospective confirmation ordered after the date of retirement of an officer.

Government Decision No. 1

1. The provisions of this rule will not apply to cases of revision of scales of pay referred to in Rule 30 *ibid*.
2. An officer officiating in a post, when appointed to a higher post on the advice of the Public Service Commission or otherwise is eligible for his initial pay being fixed under this rule and is also entitled to the benefit of a refixation contemplated in the last sentence of the rule.

4. When a fresher is appointed provisionally to a post otherwise than on the advice of the Public Service Commission, under Rule 9 of Kerala State and Subordinate Service Rules and again appointed to a still higher post under the same rule, a fixation of pay in the higher post with reference to the pay drawn in the lower post is not admissible.
5. A person holding a post in a regular capacity is appointed provisionally to a post in the same service under Rule 31 of the Kerala State and Subordinate Service Rules. He is again appointed to a still higher post in the same service under Rule 31 or to a post in another service under Rule 9 of Kerala State and Subordinate Services Rules. 6. The pay drawn by an officer in an ex-cadre post can be counted for purpose of initial fixation of pay on promotion in the parent department. Government Decision No. 2

The benefit of refixation of pay contemplated in the last sentence in the first para of the rule is admissible even in cases where the change of pay is due to fixation of pay on account of revision of scale of pay. If both the lower and the higher time-scales are revised, the benefit will be restricted to the cases of options exercised in respect of both the posts simultaneously.

[Deleted]

The amendment shall be deemed to have come into force with effect from 25th June, 1986.

[G.O.(P) 475/90/Fin.,
dt.25-9-1990]

29. The initial substantive pay of an officer who is appointed substantively to a post on a time-scale of pay which has been reduced for reasons other than a diminution in the duties or responsibilities attached to posts thereon and who is not entitled to draw pay on the time-scale as it stood prior to reduction, is regulated by Rule 28.

30. The holder of a post, the pay of which is changed, shall be treated as if he were transferred to a new post on the new pay; provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment in the old scale, or until he vacates his post or ceases to draw pay in that time-scale. The option once exercised is final.

Note 1.-This rule applies to an officiating holder of a post as well. But any break in the officiating period such as that due to transfer to another post, or non-employment would operate as vacating of the post and the pay during a subsequent officiating period in the same post will be fixed only as if the officer was then appointed to the new scale of pay. 'The holder of a post' occurring in this rule applies also to a person who is not actually holding the post, the pay of which is changed, provided he has a lien or a suspended lien on that post.

The words 'his old pay' in the proviso of the rule should be held to include not only the rate at which the individual was drawing his officiating pay on the crucial date but also the time-scale of pay in which he was drawing that pay. Thus for the period of option the old scale of pay in which he was drawing his officiating pay should be treated as continuing for the individual concerned.

Note 2.- Option under the proviso of the rule to officers under suspension is governed by the following :-

1. Cases in which the revised scale of pay takes effect from a date prior to the date of suspension.

In such cases the officer should be allowed to exercise the option under Rule 30 even if the period, during which he is to exercise the option, falls within the period of suspension. He will be entitled to the benefit of increase in pay if any, in respect of the duty period before suspension, and also in the subsistence allowance, for the period of suspension, as a result of such option.

2. Cases in which the revised scale of pay takes effect from a date falling within the period of suspension—

(a) Under suspension an officer retains a lien on his substantive post. As the expression 'holder of a post' occurring in Rule 30 includes also a person who holds a lien or a suspended lien on the post even though he may not be actually holding the post, such an officer should be allowed option under Rule 30 even while under suspension. The benefit of option will however, practically accrue to him in respect of the period of suspension, only after his reinstatement, depending on the fact whether the period of suspension is treated as duty or not.

(b) An officer, who does not retain a lien on a post the pay of which is changed, is not entitled to exercise the option under Rule 30. If, however, he is reinstated in the post and the period of suspension is treated as duty, he may be allowed to exercise the option after such reinstatement. In such cases, if there is a time-limit prescribed for exercising the option and such period had already expired during the period of suspension, a relaxation may be made in each individual case for extending the period during which the option may be exercised.

Government Decision

The following principles will be followed for fixation of pay when the scale of pay of a post held on a provisional basis is revised :-

- (i). If the pay drawn in the previous scale is less than the minimum of the revised scale then the pay in the revised scale may be fixed at the minimum.
 - (ii). If the pay drawn in the previous scale is a stage in the revised scale the pay in the revised scale may be fixed at that stage.
 - (iii). If the pay drawn in the previous scale is not a stage, then the pay in the revised scale may be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increase in pay.
2. The above principles will also be adopted for regulating the pay of an officer holding a post on a provisional basis when appointed to a higher or a lower post provisionally, except in cases of reversion.
 3. Past cases settled otherwise, will not be re-opened.

Ruling No.1

If an officer earns increment earlier than or after the original date on which he was supposed to get it at the time of exercise of option under the above rule due to revision of the date of increment, his pay should automatically be re-fixed with effect from the revised date of increment with reference to the original option exercised by him under this rule and there will be no need for exercising a fresh option and issue of special orders for this.

Ruling No.2

The pay of an officer when the post held by him is upgraded will be regulated as follows :

- (i). If the competent authority specifically orders that the appointment of an officer to the upgraded post involves an enhancement of duties and higher responsibilities and is therefore a promotion, pay will be fixed under Rule 28, 28A or 37 (a) of Part I, Kerala Service Rules, as the case may be.
- (ii). In other cases, pay will be fixed under Rule 37 (a), Part I Kerala Service Rules.

An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from an officer by the Government or by any authority to whom the Government may delegate this power under Rule 9 if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of the increment, the withholding authority shall state the period for which it is withheld and whether the postponement shall have the effect of postponing future increments.

Note 1. - An officer shall not be eligible for an increment unless he has acquired the obligatory departmental test qualifications, if any, prescribed by Government from time to time to earn the increment.

Note 2. - A competent authority may order the deferring of the increment of an officer, pending investigation into his conduct or performance of work, in disciplinary cases. In cases where penalties of withholding of increments are imposed on an officer, one after another, in separate disciplinary cases, the effect of the first order withholding increment will

dt. 5-7-1984]

continue for the period specified in that order. There after, the pay will be fixed by granting the increments which would have been admissible, but for the imposition of penalty and only then will the second order withholding increment be implemented, which will continue to be in force for the period specified therein, and so on.

32.

Where an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to an officer without the specific sanction of the authority empowered to withhold increments.

Note 1. - On each occasion on which an officer is allowed to pass an efficiency bar which had previously been enforced against him, he should come over to the time-scale at such stage as the authority competent to declare the bar removed, may fix for him, subject to the pay admissible according to his length of service.

Note 2. - The cases of all officers held up at an efficiency bar should be reviewed annually with a view to determine whether the quality of their work has improved and generally, whether the defects for which they were stopped at the bar have been remedied, to an extent sufficient to warrant the removal of the bar.

33.

The following provisions prescribe the conditions on which service counts for increments in a time-scale :-

(a) All duty in a post on a time-scale counts for increments in that time-scale.

(b) (1) Service in another post other than a post carrying less pay referred to in clause (a) of Rule 21, whether in a substantive or officiating capacity, service on deputation and leave except leave without allowances taken otherwise than on medical certificate shall count for increments in the time-scale applicable to the post on which the officer holds a lien as well as in the time-scale applicable to the post or posts, if any, on which he would hold a lien had his lien not been suspended.

Provided that the leave without allowances under Rule 91 A shall count for increments subject to the following conditions :-

[G.O.(P) 204/76/Fin.,
dt. 15-7-1976]

1. The period qualifying for increments shall be restricted to the normal period required for completion of the course, and
2. Increments shall be granted only on production of the diploma or degree or completion of the course.

Provided further that the Government shall have power in any case in which they are satisfied that the leave without allowances was taken for any cause beyond the officer's control, to direct that leave without allowances shall be counted for increments under sub-clause (1) or (2).

***Proviso Omitted

***[G.O.(P) 217/05/Fin.,
dt. 11-5-2005]

It shall be deemed to have come into force at once.

*Provided also that leave without allowances taken without production of medical certificate in continuation of maternity leave in accordance with the proviso to Rule 102 will count for increment'.

[G.O.(P) 145/86/Fin.,
dt. 11-2-1986]

*This proviso shall be deemed to have come into force with effect from 5th June, 1978.

Note.- In cases coming under sub-clause (2) the appointing authority should certify that the officer would have actually continued to officiate in the post but for his proceeding on leave and the period of leave will count for increments only to the extent it is covered by the certificate. Where no officiating arrangement is made in a leave vacancy and where the incumbent is likely to return to the same post after the expiry of the leave the authority sanctioning the leave may issue such a certificate at the time of grant of leave. In all cases where the certificates are issued the fact should be recorded in the Service Book as and when such certificates are issued along with the leave particulars.

- (c) If an officer, while officiating in a post or holding a temporary post on a time-scale of pay, is appointed to officiate in a higher post or to hold a higher temporary post, his officiating or temporary service in the higher post shall, if he is re-appointed to the lower post or is appointed or re-appointed to a post on the same time-scale of pay, count for increments in the time-scale applicable to such lower post.

If an officer on reversion from an ex-cadre post to the parent cadre is appointed to a post on a scale lower than that of the ex-cadre post but not on the same time-scale as the post held at the time of his transfer to the ex-cadre post, the service rendered on the higher scale in the ex-cadre post shall count for increments in the time-scale applicable to the cadre post subject to the same conditions as are laid down for cases falling under item (ii) of proviso to Rule 28.

Exception .- In cases where the appointment is to officiate in a higher post or to hold a higher temporary post, in the regular line, the officiating and temporary service in the higher post shall count for increments in time-scale applicable to the lower post, even if the officer is not re-appointed to the lower post or is not appointed or re-appointed to a post on the same time-scale of pay.

The period of officiating/temporary service in the higher post which counts for increment in the lower is, however, restricted to the period during which the officer would have officiated in the lower post but for his appointment to the higher post. This clause applies also to an officer who is not actually officiating in the lower post, but who would have so officiated in such lower post or in a post on the same time-scale of pay had he not been appointed to the higher post.

Note. - For the purpose of this rule, the officiating and temporary service in the higher posts will include the period of leave which counts for increments under clause (b).

dt. 3-2-1970]

&

[G.O.(P)56/72/Fin.,
dt. 1-3-1972]

- (d) If an officer's substantive tenure of a temporary post is interrupted by duty in another post other than a post carrying less pay referred to in clause (a) of Rule 21 or by leave other than leave without allowances or by foreign service, such duty or leave or foreign service counts for increments in the time-scale applicable to the temporary post if the officer returns to the temporary post:

Provided that the Government may in any case in which they are satisfied that the leave was taken on account of illness or for any other cause beyond the officer's control, direct that leave without allowances shall be counted for increments under this clause.

- (e) Foreign service counts for increments in the time-scale applicable to—
- (i). the post in Government service on which the officer concerned holds a lien as well as the post or posts, if any, on which he would hold a lien had his lien not been suspended, and
 - (ii). any post in which he would have officiated or to which he may receive officiating promotion under Rule 143 below for the duration of such promotion.
 - (iii). any post in the parent cadre on a lower scale of pay to which the officer is appointed on reversion from the ex-cadre post subject to the fulfilment of the conditions mentioned in item (iii) of proviso to Rule 28.

Note 1. - Joining time counts for increments :-

[G.O. (P) 544/62/Fin.,
dt. 8-11-1962]

- (i) If it is under clause (a) of Rule 125, in the time-scale applicable to the post on which the officer holds a lien or would hold a lien had his lien not been suspended as well as in the time-scale applicable to the post, the pay of which is received by the officer during the period, and
- (ii) If it is under clause (b) of Rule 125, in the time-scale applicable to the post/posts on which the last day of leave before commencement of the joining time counts for increments.

Explanation. - For the purposes of this rule, the period treated as duty under sub-clause (ii) of clause (7) of Rule 12 shall be deemed to be duty in a post if the officer draws pay of that post during such period.

Note 2. - In the case of an officer who, while officiating in a post proceeds on training or to attend a course of instruction and who is treated as on duty, while under training, the period of such duty will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

The Government may grant a premature increment to an officer on a time-scale of pay.

Note. - In the case of increments granted in advance, it is usually the intention that the officer should be entitled to increments in the same manner as if he had reached his position in the scale in the ordinary course and in the absence of special orders to the contrary he should be placed on exactly the same footing, as regards future increments as an officer who has so risen.

Government Decision No. 1

In Rule 34 of Kerala Service Rules, Part I, it is laid down that Government may grant a premature increment to an officer on a time-scale of pay without prejudice to his normal increment. At present there is no ruling or Government decision as to the circumstances under which the rule regarding the grant of advance increments could be invoked in individual cases.

2. Good service entries and incentive awards are possible variants to advance increments for the recognition of meritorious service rendered by Government servants. In G.O.(Ms.) 849/59/PD, dated 24th September 1959, it has been provided that incentive awards could be made for outstanding performance of officers in the discharge of their duties and responsibilities. Under this system, cases of extraordinary originality, imagination or brilliance, or rare devotion to duty deserving recognition in a special way and suggestions for reduction of expenditure without affecting efficiency can all be considered for incentive awards. Government, therefore, consider that the system of awarding good service entries and incentive awards are eminently suited for recognising specific or individual cases of meritorious service/work on the part of Government servants; the grant of advance increment being restricted to cases of sustained merit and continuous record of good work. In other words, good service entries, incentive awards and advance increments will be in an ascending order in the matter of recognition of meritorious services of Government servants.

3. Government also wish to emphasise that there should be more or less uniform standards in recognising merit for the award of advance increments. The confidential report of the officer to whom advance increment is proposed to be given should, therefore, be looked into. All proposals for the grant of advance increments in recognition of the meritorious work of Government servants shall be scrutinised by the concerned Administrative Department, the Public Department and Finance Department before placing the cases for sanction before the Council of Ministers.

[G.O.(P) 283/75/Fin.,
dt. 1-7-1975]

This amendment shall be deemed to have come into force with effect from 22nd February 1974.

4. The above procedure will not apply to the grant of advance increments on notional basis for purposes of fixation of pay due to considerations other than of meritorious services of Government servants.

35. The authority which orders the transfer of an officer as a penalty from a higher to a lower grade or post may allow him, to draw any pay, not exceeding the maximum of the lower grade or post which it may think proper :

Provided that the pay allowed under this rule shall not exceed the pay which he would have drawn under Rule 28 read with clause (b) or clause (c) as the case may be, of Rule 33.

[G.O.(P) 146/77/Fin.,
dt. 16-5-1977]

36. If an officer is, on account of misconduct or inefficiency, reduced to a lower grade or post or to a lower stage in his time-scale, the authority ordering such reduction shall state the period for which it shall be effective and whether on restoration, it shall operate to postpone future increments, and, if so, to what extent.

Ruling

1. Every order passed by a competent authority imposing on a Government servant the penalty of reduction to a lower stage in a time-scale should indicate :-
 - (i) The date from which it will take effect and the period (in terms of years and months) for which the penalty shall be operative.
 - (ii) The stage in the time-scale (in terms of rupees) to which the Government servant is reduced in the following form :

“The has decided that Srishould be reduced to a pay of Rs..... for a period of with effect from.....” and
 - (iii) The extent (in terms of years and months), if any, to which the period referred to at (i) above should operate to postpone future increments.

It should be noted that reduction to a lower stage in a time-scale is not permissible under the rules either for an unspecified period or as a permanent measure. Also when a Government servant is reduced to a particular stage, his pay will remain constant at that stage for the entire period of reduction. The period to be specified under (iii) should in no case exceed the period specified under (i).

2. The question as to what should be the pay of a Government servant on the expiry of the period of reduction should be decided as follows :-

- (i) If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, the Government servant should be allowed the pay which he would have drawn in the normal course but for the reduction. If, however, the pay drawn by him immediately before reduction was below the efficiency bar he should not be allowed to cross the bar except in accordance with the provision of Rule 32, Part I, Kerala Service Rules.
- (ii) If the orders specifies that the period of reduction was to operate to postpone future increments for any specified period, the pay of the Government servant shall be fixed in accordance with (i) above, but after treating the period for which the increments were to be postponed as not counting for increments.

- 37.** (a) Subject to the provisions of Rule 33 (c) and Rule 39, an officer holding a permanent or officiating post, if appointed to officiate on a higher time-scale of pay, will draw as initial pay the stage next above his pay in the lower time-scale irrespective of whether the pay in the lower time-scale is a stage in the higher time-scale or not. A refixation will be allowed whenever there is change of pay in the lower time-scale, i.e., when his pay therein becomes equal to or greater than the pay which he draws in the higher time-scale.
- *(b) In the case of officiating appointments from a higher time scale of pay to a lower time scale of pay, by direct recruitment, the officer's officiating pay in the lower time scale shall be fixed at the minimum of the scale of pay of the new post without considering his pay in the higher time scale except in the cases where such appointments are made in accordance with the Special Rules applicable to such appointment and in the case of such appointments, the Officer's officiating pay in the new time scale shall be fixed at his officiating pay in the previous appointment, if it is a stage in the new time scale or at the next lower stage, if it is not a stage in the new time scale, the difference being treated as personal pay to be absorbed in future increases. But nothing in this sub rule shall apply to cases of reversions.

*[G.O (P).211/05/Fin.,
dt. 11-5-2005.]

Provided that in cases covered by sub-rules (a) and (b) other than cases of re-employment after resignation, removal or dismissal from public service, if he has previously either held substantively or officiated in (i) the same post, or (ii) permanent or temporary post on the same time-scale, or (iii) a permanent post on an identical time-scale or a temporary post (including a post in a body, incorporated or not, which is wholly or substantially owned or controlled by the Government) on an identical time-scale, then the initial pay shall not, except in cases of reversion to the parent cadre governed by item (iii) above, be less than the pay which he drew on the last such occasion and he shall count the period during which he drew that pay on such last and any previous occasions for increment in the stage of the time-scale equivalent to that pay. The service rendered in a post referred to in item (iii) shall, on reversion to the parent cadre, count towards initial fixation of pay to the extent and subject to the conditions indicated below:

- (a) the officer should have been approved for appointment to the particular grade/post in which the previous service is to be counted;
- (b) all his seniors, except those regarded as unfit for such appointment, were serving in posts carrying the scale of pay in which the benefit is to be allowed or in higher posts, whether in the department itself or elsewhere, and atleast one

junior was holding a post in the department carrying the scale of pay in which the benefit is to be allowed ; and

- (c) the service will count from the date his junior is promoted and the benefit will be limited to the period the officer would have held the post in his parent cadre had he not been appointed to the ex-cadre post.

Ruling No. 1

When a person in a post (whether within the cadre of his service or not) is for any reason prevented from officiating in his turn in a post on a higher scale or grade borne on the cadre of the service to which he belongs, he may be authorised by special order of the appropriate authority proforma officiating promotion into such scale or grade and thereupon be granted the pay of that scale or grade if that be more advantageous to him on such occasion on which the person immediately junior to him in the cadre of his service (or if that person had been passed over for reasons of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or forgoes officiating promotion of his own volition to that scale or grade, then the person next junior to him not so passed over) draws officiating salary in that scale or grade. But in case, where the person immediately junior to him happens to assume charge of the post on a later date than that of another junior, the senior who is outside the ordinary line shall be eligible for the benefit of proforma officiating promotion with effect from such date as the other junior assumes charge of the post:

[G.O.(P) 417/78/Fin.,
dt. 12-4-1978]

Provided that all persons senior to the persons to whom the benefit under the substantive part of this rule is to be allowed are also drawing, unless they have been passed over for one or other of the reasons aforesaid, officiating salary in the said or some higher scale within the cadre :

Provided further that not more than one person (either the senior most fit person in a series of adjacent persons outside the ordinary line, or if such a person either forgoes the benefit on his own volition or does not require benefits by virtue of his holding a post outside the ordinary line which secures him at least equivalent benefits in respect of salary and pension then the next below the series) may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior under this rule.

Note 1.- A fortuitous officiating promotion given to a person who is junior to one outside the regular line does not in itself give rise to a claim under the 'Next Below Rule'.

Note 2.- The provisions in item (iii) of the proviso to the above rule in respect of protection of pay and period of increment shall be applicable to Government Servants on their appointment directly or on transfer from a post carrying identical time-scale of pay without fulfilment of the conditions indicated thereunder subject to the condition that this benefit will not be admissible to an individual who enters Government service for the first time from a post in a body incorporated or not which is wholly or substantially owned or controlled by Government.

Ruling No. 2

1. *Scope of the term "outside the ordinary line".*-The expression "outside the ordinary line" occurring in Ruling No.1 is not intended to be rigidly interpreted as necessary

[G.O.(P) 610/64/Fin.,
dt. 27-8-1964]

involving a post either "outside the cadre" or "outside the ordinary time-scale". For instance there are cases of officers deputed for post-graduate, etc., training and paid training allowances on the basis of the pay and allowances they would have drawn had they continued in the Department. Training posts are also created in the Department to accommodate them during the period of training. If an officer so deputed gets a promotion in the Department it cannot be strictly stated that the officer is outside the ordinary line, as a training post has already been created to accommodate him within the cadre.

2. *Seniority for purpose of the Next Below Rule.*- If Government have approved in any Department a list of officers in the order of merit for promotion to administrative rank or a selection grade, then that order will prevail as the order of seniority for the purpose of the Next Below Rule, over the order of seniority of the officers in the ordinary gradation list of their cadre.
3. *Promotions effected prior to the date of the Next Below Rule.*- In G.O.(P) 393/63/Fin., dated 2nd July 1963 it has been ordered that the Next Below Rule would not apply to cases of promotions already effected. It has been laid down in the second proviso to the rule that not more than one person may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior. A doubt may arise as to the application of this proviso in respect of promotions effected before the date of the rule. This is made clear by the following illustration. Suppose eight persons had been given the benefit of promotion before 2nd July 1963 outside the ordinary line against only 3 promotions within the ordinary line. In this case, the question of giving further promotion to the persons outside the ordinary line will arise only after five more persons are given promotion within the ordinary line so that all the eight persons outside are sustained. But those 5 persons who were given promotion outside the ordinary line before 2nd July 1963 will continue to get the benefit even after 2nd July 1963 notwithstanding the second proviso to the ruling.

Ruling No. 3

In the case of a Government servant officiating in a post and whose pay had been re-fixed under this rule, if he is confirmed in that post with effect from a retrospective date, the re-fixation of pay done after the date of confirmation will have to be revised. The over payments consequent on such revision will first be set off against arrears, if any, that might become payable to the Government Servant for a portion of the period from the date of confirmation to the date of issue of orders of confirmation. The balance of overpayments that cannot be set off against the arrears, if any, shall be waived.

without cumulative effect, there is no objection to give the refixation on a notional basis and to give the monetary benefit after the expiry of the period of bar. Increments accruing in the lower substantive/officiating post from time to time cannot also be allowed during the period of bar.

Ruling No. 5

Increments barred with or without cumulative effect in the lower substantive/officiating post shall not be reckoned for fixation/refixation of pay in the higher time-scale. But in the case of bar on increment without cumulative effect there is no objection to grant the barred increments notionally for fixation/refixation of pay and to give the monetary benefit after the expiry of the period of bar.

 - (ii) If the pay drawn in the previous scale is a stage in the revised scale, the pay in the revised scale may be fixed at that stage.
 - (iii) If the pay drawn in the previous scale is not a stage, then the pay in the revised scale may be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increase in pay.
2. The above principles will also be adopted for regulating the pay of an officer holding a post on a provisional basis when appointed to a higher or a lower post provisionally, except in cases of reversions.
 3. The pay of an officer holding a post on a provisional basis when appointed provisionally to another post on identical time-scale will be fixed in the new appointment at a stage equal to the pay he was drawing in the previous appointment but the period during which he drew pay at that rate in the previous appointment will not count for increment.

Government Decision No. 9

- (i) The pay of an officer holding a post on a provisional basis and appointed on regular basis to another post on identical time-scale will be fixed at a stage equal to the pay he was drawing

- (ii) The pay drawn by an officer in a post held by him on a provisional basis on initial appointment to Government service through the employment exchange or otherwise will not be reckoned for regulating his pay on appointment to another post carrying lower time-scale on a regular basis. Cases of persons appointed to a post on a provisional basis while holding regular posts and subsequently appointed to another post carrying a lower time-scale on a regular basis except cases of reversions, and cases of provisional hands appointed to higher posts on a regular basis will continue to be regulated by the Government Decision No. 8.

37 A.

Notwithstanding the provisions contained in these rules, the pay of a Government servant whose promotion or appointment to a post is found to be or to have been erroneous, shall be regulated in accordance with any general or special orders issued by the Government in this behalf.

Government Decision

The following provisions shall govern the pay and increments of a Government servant whose promotion or appointment in a substantive or officiating capacity to a post is later found to be erroneous on the basis of facts :-

1. The orders of promotion or appointment of a Government servant should be cancelled as soon as it is brought to the notice of the appointing authority that such a promotion or appointment has resulted from a factual error and the Government servant concerned should, immediately on such cancellation, be brought to the position which he would have held but for the incorrect order of promotion or appointment.
2. Service rendered by the Government servant concerned in the post he was wrongly promoted/appointed as a result of the error should not be reckoned for the purpose of increments or for any other purpose in that grade/post to which he would not normally be entitled but for the erroneous promotion/ appointment.

3. Any consequential promotions/appointments of other Government servants made on the basis of the incorrect promotion/appointment of a particular Government servant will also be regarded as erroneous and such cases also will be regulated on the lines indicated in the preceding paragraph.
4. Except when the appointing authority is the Government, the question whether the promotion/appointment of a particular Government servant to a post was erroneous or not should be decided by an authority next higher than the appointing authority in accordance with the established principles governing promotions/appointments. In cases of doubt Government may be consulted.
5. Cases of erroneous promotion/appointment should be viewed with serious concern and suitable disciplinary action taken against the officers and staff responsible for such erroneous promotion/appointment under the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960.
6. In the case of a Government servant who has been erroneously promoted/ appointed to a post in a substantive capacity, the following procedure may be followed for deconfirming the Government servant in that post and only thereafter, the Government servant concerned should be brought down to the position which he would have held but for the erroneous promotion/appointment.
 - (a) An order of confirmation which is clearly contrary to the relevant statutory rules may be cancelled by the competent authority straight away. Here the order of confirmation was *ab initio* void as it was ultra vires of the relevant rules and cancellation of the order would be justified on the ground that there was no valid subsisting order at all and the act of cancellation is a mere formality. The effect of cancellation would be to put the employee concerned in a position of never having been confirmed.
 - (b) An order of confirmation which is contrary to executive orders or administrative instructions may be cancelled by the competent authority, if such erroneous order of confirmation has operated to the prejudice of some identifiable person who would otherwise have been confirmed, if the orders had been correctly applied.

Here the order of cancellation would be just and equitable as the confirmation of the employee concerned operates unfairly to the detriment of another employee who would have otherwise been confirmed. Such cancellation will not have the effect of doing any injustice to the employee whose confirmation is cancelled, since he was under the executive orders or administrative instructions in force, not entitled to confirmation.

It would, however, be in consonance with the principles of natural justice that a notice to show cause why the orders of confirmation should not be cancelled be given to the affected party in both the types of cases specified above.

7. The orders re-fixing the pay in all the above cases should be issued expressly under Rule 37A, Part I, Kerala Service Rules.

[Memorandum No. 87/63, dt. 30-11-1963]

- 37 B.** (a) Probationer in any service shall draw initial pay as follows :-
- (i) while undergoing a course of instruction or training the pay, if any, specified in the 'Special Rules' in that behalf or by special

orders of Government, and

- (ii) after completion of the course of instruction or training and when there is no course of instruction or training, the minimum of the time-scale of the probation post.
- (b) (i) A probationer whose, period of probation is two years and whose increment is annual shall be entitled to draw the first increment in the time-scale of the probation post after putting in the service required to earn an increment. The second increment shall be drawn only with effect from the date from which he is declared to have completed his probation. Delay in completing probation will not however, affect his future increments and these will accrue on the normal incremental dates.
- (ii) In the case of a probationer whose period of probation is one year and whose increment is annual, the first increment in the scale of pay of the probation post shall be drawn only with effect from the date on which he is declared to have completed his probation. Delay in completing probation will not, however, affect his future increments and these will accrue on the normal incremental dates.

Note.- If any period of the service of a probationer does not count for probation, he shall complete the period of probation of one year or two year's duty, as the case may be, by being on duty for an equal period from the date of expiry of one year or two years as the case may be after the commencement of the probation. In cases where the above period is expressed in terms of months and days, then such period shall be calculated as provided in Rule 12 (21) of Part I, Kerala Service Rules. In cases where the absence is expressed in days, the date of completion of probation shall be extended by the number of days of such absence.

Effective from 2nd September 1964.

41. *Personal Pay.*- Except when otherwise ordered by Government personal pay shall be reduced by any amount by which the recipient's pay may be increased and shall cease as soon as his pay is increased by an amount equal to his personal pay.
42. *Pay of Temporary Posts.*- When a temporary post is created which may have to be filled by a person not already in Government Service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.
43. When a temporary post is created which will probably be filled by a person who is already in the service of Government its pay should be fixed with due regard to-
- (a) the character and responsibility of the work to be performed, and
 - (b) the existing pay of officers of a status sufficient to warrant their selection for the post.

Note.- Temporary posts by this criterion should be considered as temporary additions to the cadre of a service should be created in the time-scale of the service ordinarily without extra remuneration. Incumbents of these posts will therefore draw their ordinary time-scale of pay. If the posts involve decided increases in work and responsibility in comparison with the duties of the parent cadre generally it may be necessary to sanction a special pay in addition.

CHAPTER V

ADDITIONS TO PAY

44. *Compensatory Allowances.*- Subject to the general rule that the amount of compensatory allowances should be so regulated that the allowance is not on the whole a source of profit to the recipient the Government may grant such allowances to any officer under its control and may make rules prescribing their amounts and the conditions under which they may be drawn. (For rules made under the above Rule See Appendix IV).

- I. Unless otherwise ordered by Government, a compensatory allowance shall ordinarily be drawn only by a Government servant actually on duty, but the authority competent to sanction leave may in writing permit it to be drawn by the officer on earned leave, if the whole or a considerable part of the expense to meet which the allowance was granted continues to be incurred by him during the leave:

Provided the Government Servant certifies that he continued for the period for which the allowance is claimed, to incur the whole or a considerable part of the expense for which the allowance was granted:

Provided further that the officer is due to return after leave to the same post or station, as the case may be from which he proceeded on leave or to a similar post or station for which the allowance at the same or a higher rate is admissible:

Provided further when the Government servant on return from leave is posted to a post other than the one from which he went on leave and both the posts carry similar allowances but at different rates, the Government servant shall during leave draw the lesser of the two rates.

- I. (A) Subject to the second and third provisions to clause I above, compensatory allowance granted under class VI (c) in Appendix IV may be drawn during periods of earned leave:

[G.O.(P)302/66/Fin.,
dt. 7-7-1966]

This clause shall be deemed to have come into force with effect from 12th January 1965.

- II. A compensatory allowance granted under class IV, Appendix IV may be drawn during temporary transfer, if-

- (i) the authority sanctioning the transfer certifies that the Government servant is likely, on the expiry of the temporary duty, to return to the station from which he is transferred ;
- (ii) the Government servant draws no allowance of the same kind in the post to which he is transferred;

and

- (iii) the Government servant certifies that he kept his family, for the period for which the allowance is claimed, at the station from which he proceeded on transfer.

- III. A compensatory allowance granted under class VI, Appendix IV may be drawn during temporary transfer, if-

- (i) the authority sanctioning the transfer, certifies that the Government servant is likely on the expiry of the transfer, to return to the post to which the allowance is attached or to another post carrying a similar allowance; and

- (ii) the Government servant certifies that he continued for the period for which the allowance is claimed to incur the whole or a considerable part of the expenditure for which the allowance was granted.

Note.-The certificate under clause (ii) above will be dispensed with when it is inapplicable.

- IV. If a Government servant in his old post drew compensatory allowance granted under Class IV, or Class VI of Appendix IV (but not in an individual capacity) and is transferred to another post, he may be allowed the compensatory allowance during joining time as applicable to the old station from which he was transferred. He may also be allowed house rent allowance during transit as applicable to the old station from which he was transferred. He shall not be allowed conveyance allowance or Permanent Travelling Allowance.

45. The Government may make rules or issue orders laying down the principles governing the allotment to officers, for use by them as residences, of such buildings owned or leased by it, or such portions thereof, as the Government may make available for the purpose. Such rules or orders may lay down different principles for observance in different localities or in respect of different classes of residence, and may prescribe the circumstances in which such an officer shall be considered to be in occupation of a residence.

46. *Fees.*- The Government may permit an officer, if it be satisfied that this can be done without detriment to his official duties or responsibilities, to perform a specified service or series of services for a private person or body or for a public body including a body administering a local fund or for another Government and to receive as remuneration therefore, if the service be material a non recurring or recurring fee.

Note.- This rule does not apply to the acceptance of fees from private persons by medical officers in Government employ for professional attendance which is regulated by separate orders of Government.

47. No officer may undertake work for another Government, or a private or public body or a private person, or accept fee therefore, without the sanction of the Government.

Note.- Heads of department, while forwarding their recommendations in such cases shall unless the officer is on leave, specifically state whether the work can be undertaken by the officer concerned without detriment to his official duties and responsibilities.

Government Decision

In respect of examinations conducted by the Education Department, the Public Service Commission, the University etc., it is not necessary to accord individual sanction for acceptance of remuneration in every case of Government servant undertaking such work. Non-recurring and recurring fees should be dealt with separately and should not be added for the purpose of crediting one-third to General Revenues under this rule. In the case of the former, the limit of ₹2000 prescribed in this rule should be applied in each individual case, and in the case of the latter the limit of ₹1250 should be applied with reference to the total recurring fees for the financial year.

* This amendment shall be deemed to have come into force with effect from 11th October 1971.

49. *Honoraria.* - The Government may grant or permit an officer to receive an honorarium as remuneration for work performed which is occasional in character and either so laborious or of such special merit as to justify a special reward. Except when special reasons, which should be recorded in writing exist, for a departure from this

provision, sanction to the grant or acceptance of an honorarium should not be given unless the work has been undertaken with the prior consent of the Government and its amount has been settled in advance.

This decision will be deemed to have come into force with effect from 17th January 1972.

50. *Fees and Honoraria.*- In the case of both fees and honoraria the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Rule 14 and shall record also the reasons which in his opinion justify the grant of the extra remuneration.
51. Any officer is eligible to receive without special permission-
 - (a) the premium awarded for an essay or plan in public competition;
 - (b) any reward offered for the arrest of a criminal or for information or special service in connection with the administration of justice;

CHAPTER VI

COMBINATION OF APPOINTMENTS

53. (a) A competent authority may appoint an officer to hold substantively or to officiate in two or more independent posts at one time.

(b) The competent authority who appoints an officer to hold or to officiate in a second post in addition to his own, will declare whether he officiates in or holds full charge of the additional post or is appointed merely to discharge the current duties. It should also specify in each case the amount of **special allowance, if any, to be granted, the amount being subject to the following limits :-

{G.O.(P) 342/65/Fin.
dt. 31-8-1965.}

**[G.O.(P) 635/02/Fin.,
dt. 19-10-2002]

(1) If an officer is appointed to officiate in a second post and to hold in addition full charge of his own post, he may be allowed to draw the highest pay to which he would be entitled if his appointment to one of the posts stood alone **and in addition special allowance which should not exceed 10 percent of the minimum of the scale of pay of the other post. The highest pay referred to above may be specifically reduced by the competent authority at its discretion.

If compensatory allowance is attached to one of the posts, he may be permitted to draw it in full and if compensatory allowances are attached to more than one of the posts, the allowance which may be granted to him should not exceed the larger allowance.

(2) If the officer is appointed to hold full charge of one or more posts in addition to his own, the **special allowance which may be granted to him in respect of each additional post should not exceed 10** percent of the minimum of the scale of that post. The drawal of compensatory allowances will be regulated as in the sub-para under clause (1) above.

(3) If the officer is appointed to discharge only the current duties of one or more posts in addition to his own, the **special allowance which may be granted to him in respect of each additional post should not exceed **5 percent of the minimum of the scale of pay of that post, in addition to the pay and compensatory allowances, if any, admissible in his regular post.

**[G.O.(P) 635/02/Fin.,
dt. 19-10-2002]

(c) No **special allowance should be granted unless the previous incumbent of the additional post held, has actually given over charge thereof under orders of competent authority and unless the period of additional charge exceeds fourteen working days in the case of full additional charge and one month in the case of discharge of current duties only. +The drawal of **special allowance should not be allowed for a period exceeding three months on any account..

+ This shall be deemed to have come into force with effect from 9th March 1998.

** This shall be deemed to have come into force on 1st March, 1997

(d) [Deleted].

(e) Additional remuneration should not be allowed as a matter of course or granted when the extra duties to be performed are only nominal or comparatively light. Additional remuneration should not

be allowed during any period of vacation unless the additional duty is actually performed during such period.

Ruling

The term 'independent' occurring in the above rule should be interpreted as meaning separate or distinct involving independent duties and responsibilities and the post subordinate to the one held by the officer should not be taken as independent under the rule.

Government Decision No. 1

At present charge allowance of the non gazetted officer for his holding additional charge of a gazetted post is being authorised by the office of the Accountant General based on the sanction of competent authorities, in the same way as pay and allowances of a gazetted officer is concerned. This practice has since been reviewed in the light of the procedure followed in some of the Audit and Account offices of other States. It has been decided that no authorisation from the office of the Accountant General is necessary in case of additional charge arrangements from 1st April 1963 onwards, as holding of additional charge of a gazetted post does not alter the status of a non gazetted officer to that of a gazetted officer.

[G.O.(P) 312/63/Fin.,
dt. 29-5-1963]

According to the changed procedure, the additional charge allowance will be drawn and paid by the Head of Office in the same manner as his regular pay and allowances are drawn. The Drawing Officer should however satisfy himself that there is proper sanction of the competent authority for the additional charge arrangements and that the officer has actually held the additional charge of the post during the period for which the charge allowance is drawn and also that the rate of allowance sanctioned and drawn is as per rules etc. The charge allowance thus drawn may be continued to be debited to the same head of account to which the pay of the non-gazetted officer is debited.

In the case of a non gazetted officer holding additional charge of the duties of the Head of an Office, who is a gazetted officer and also a drawing and disbursing officer, the procedure adopted for the drawal of his normal pay and allowances may be followed for the drawal of charge allowance also.

Government Decision No. 2

The following criteria will be followed to distinguish between 'full additional charge' and 'discharge of current duties':-

[G.O.(P) 319/72/Fin.,
dt. 31-7-1972]

- (i) An officer appointed to hold 'full additional charge' of a post has to perform all the administrative, financial and statutory functions and duties in respect of that post.
- (ii) An officer appointed to discharge current duties of a post need attend only to the work of a routine nature in respect of that post.

53A. The posts in respect of which additional charge arrangements may be ordered shall be as classified below:-

[G.O.(P) 132/87/Fin., dt.
10-2-1987]

- (I) *Posts not in the same office, establishment or line of promotion or cadre.* -Where the duties and responsibilities are clearly independent and are eligible for *special allowance, e.g., Labour Commissioner, holding charge of the post of Registrar of Co-operative Societies and Joint Secretary to Government holding charge of post of a Head of Department.

*[G.O.(P) 635/02/Fin.,
dt. 19-10-2002]

This amendment shall be deemed to have come into force on 1st March, 1997.

(II) *Posts in the same office, establishment or line of promotion or cadre.* - Cases of this nature shall further be divided as follows :-

- (a) When the additional post is subordinate to the regular post, *special allowance shall not be admissible e.g., Superintendent of Police holding charge of the post of Assistant Superintendent of Police or Deputy Superintendent of Police and District Collector holding the charge of the post of Revenue Divisional Officer under him.

Note.-The reason for the non-grant of *special allowance In the above cases is that the superior officer is expected to supervise the work of the subordinates and the additional charge arrangements should not entitle him to extra remuneration. The work of the additional post should be redistributed among other subordinates in such a way that each one's load of work is increased to a small extent that no one need be given *special allowance.

- (b) When the additional post is of equivalent and of the same rank as that of the regular post the following principles shall apply:

- (1) If additional charge arrangements are in respect of different territorial jurisdictions, the posts are definitely independent and in such cases *special allowance shall be admissible, e.g., Revenue Divisional Officer of one district/division holding charge of another district/division and one Block Development Officer holding charge of another block.

- (2) If additional charge arrangements are in respect of posts in the same office and of the same rank, *special allowance shall not be admissible if the duties of the additional post are identical in nature and if the responsibilities are such as can easily be spread out among others holding the same post, e.g., if a Deputy Collector goes on leave and if the Collector has a number of Deputy Collectors working under him, he should consider whether he can distribute the responsibilities of the Deputy Collector on leave to the other Deputy Collectors so as not to increase substantially each one's load of work.

*[G.O.(P)635/02/Fin.
dtd. 19.10.02]

This amendment shall be deemed to have come into force on 1st March, 1997

- (3) If the additional charge arrangements are in the same office and if the responsibilities attached to the post are indivisible and cannot be distributed to more than one officer, special allowance* shall be admissible. In such cases, a certificate to the effect that the responsibilities of the post held in additional charge are not divisible, should be furnished by the competent authority, {**} e.g. Deputy Director of Animal Husbandry (Key Village) or Deputy Director of Animal Husbandry (Veterinary) or Deputy Director of Animal Husbandry (Extension) holding charge of the other post.

{**}Omitted

[G.O.(P) 242/02/Fin.
dtd. 22.4.02]

This shall be deemed to have come into force w.e.f. 13th October, 1995.

- (c) When the additional post is superior to the regular post and is carrying higher scale of pay *special allowance shall be admissible. e.g., Deputy Secretary or Joint Secretary to

Government holding charge of the post of Additional Secretary or Secretary to Government and a Superintendent of Police or Assistant Inspector General of Police holding charge of the post of Deputy Inspector General of Police.

*[G.O.(P)635/02/Fin.
dt.19.10.02]

This shall be deemed to have come into force on 1st day of March, 1997

(d) *** All India Service Officers, State Government Officers and Judicial Officers who are in the scale of pay of Secretary to Government and above shall not be eligible for charge allowance for holding additional charge of other posts.

CHAPTER IX**LEAVE****SECTION 1 – EXTENT OF APPLICATION**

61. Unless in any case it be otherwise distinctly provided, the rules in this Chapter apply to all officers to whom these service rules as a whole apply.

62. (1) Unless in any case it be otherwise distinctly provided by or under these rules, an officer transferred to a service or post to which these rules apply, from a service or post to which they do not apply, is not ordinarily entitled to leave under these rules in respect of duty performed before such transfer:

Provided that in the case of an officer who holds a substantive, officiating or temporary post on the day previous to the one on which these rules come into force, the maximum limit of accumulation of earned leave specified in Rule 78 shall not apply during the period of the first five years from the date of his appointment to the service or from that of the commencement of these rules whichever is later and such an officer may be allowed during the said period of five years to avail himself of the accumulated leave to his credit:

Provided further that on the expiry of the said period of five years the leave at the credit of the officer in excess of the normal maximum limit of accumulation of leave laid down in Rule 78 shall lapse:

Provided also that he shall not earn leave during that period unless the accumulated leave at his credit falls below 180 days.

(2) Subject to the provisions contained in Rule 77(vi), the half pay leave to be carried forward will be the balance of furlough leave or leave on half average pay for which an officer is eligible on the date on which these rules come into force diminished by the leave on medical certificate taken before such date, under the old rules governing him.

63. (a) If an officer, who quits the public service on compensation or invalid pension or gratuity, is re-employed and if his gratuity is thereupon refunded or his pension held wholly in abeyance, his past service thereby becoming pensionable on ultimate retirement, he may, at the discretion of the Government and to such extent as the Government may decide, count his former service towards leave.

(b) An officer who is dismissed or removed from the public service, but is reinstated on appeal or revision, is entitled to count his former service for leave.

Note 1.- The re-employment of a person who has retired on a superannuation or retiring pension is generally an exceptional and temporary expedient. In such cases, the service of the re-employed pensioner should be regarded as temporary and his leave during the period of re-employment regulated by the rules in Appendix VIII.

Note 2.- Resignation of public service even though it is followed immediately by re-employment entails forfeiture of past service and constitutes an interruption of duty. But resignation to take up another appointment does not constitute an interruption.

SECTION II – GENERAL CONDITIONS

64. The Government may issue orders specifying the authority by whom leave other than *leave without allowances exceeding a period of four months at a time, may be granted. *[Deletion G.O (P) No.65/2007/Fin dated 19/02/2007]

 This amendment shall be deemed to have come into force with effect from 14th November 1966.
65. Leave cannot be claimed as a matter of right. When the exigencies of the public service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.
Note.- The nature of the leave due and applied for by an officer cannot be altered at the option of the sanctioning authority and while it is open to the sanctioning authority to refuse or revoke the leave due and applied for, it is not open to him to alter the nature of such leave.
66. Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that on which charge is resumed. When the day immediately preceding the day on which an officer's leave begins or immediately following the day on which his leave expires is a holiday or one of a series of holidays, the officer may leave his station at the close of the day before, or return to it on the day following such holiday or series of holidays; provided that -
 (a) his transfer or assumption of charge does not involve the handing over of securities or of money other than a permanent advance;
 (b) his early departure does not entail a correspondingly early transfer from another station of an officer to perform his duties; and

- (ii) When a vacation or holidays are affixed to leave, the officiating officer will be relieved in the ordinary way before the vacation, or holidays, and the officer on leave will return at the end of the vacation or holidays, but will be regarded as having assumed the duties of the post with effect from the commencement of the vacation or holidays.
- (iii) Except in cases covered by (i) and (ii) above, transfer of charge certificates should be signed by both the relieved and relieving officers on the day on which charge is transferred.

Government Decision

A question has been raised whether in cases where the officers whose credit in half-pay leave account results in a minus balance on 1st November 1959 can be granted a further period of 360 days leave not due under Rule 85, Part I, Kerala Service Rules. This has been examined by Government and they consider that in view of the second proviso to the amendment to clause (vi) of Rule 77, Part I, issued in G.O.(P) 261/Fin., dated 23rd May 1960, the half-pay leave availed of prior to 1st November 1959 in excess of the half-pay leave reckoned under Kerala Service Rules has been wiped off. Therefore such officers should be treated as leaving a nil balance of half-pay leave on 1st November 1959 and they should get the same consideration in

[G.O.(Ms) 524/60/Fin.,
dt. 7-11-1960]

regard to the grant of leave not due as in the case of those who had not enjoyed half-pay leave in excess of what is admissible under Kerala Service Rules. The Government accordingly direct that officers whose credit on half-pay leave account results in a 'nil' balance on 1st November 1959 consequent on the wiping off of the excess half-pay leave already available shall be eligible for a further period of 360 days, leave not due under Rule 85, Part I, Kerala Service Rules, provided they otherwise satisfy the requirements of the rules.

- 86.** The provisions of Rules 78, 80, 81, and 83, apply also to an officer not in permanent employ except that in respect of the first year of service the earned leave admissible is 1/22 of the period spent on duty:

Provided that no earned leave shall be admissible to such an officer in a vacation department in respect of the first year of his service.

Note 1.-The leave of an officer appointed as a probationer (for a certain period before confirmation of his appointment) will be regulated under the rules prescribed for permanent officers. If for any reason it is proposed to terminate the services of a probationer any leave which may be granted to him shall not extend beyond the date on which the probationary period as already sanctioned or extended expires, or any earlier date on which his services are terminated by the orders of the authority competent to appoint him.

Note 2.-Whenever the rate of earning leave changes, the fraction in the earned leave accumulated at the earlier rate should be rounded off to the nearest day i.e., fraction below half should be ignored and that of half and more should be reckoned as a day. *Similarly, the fraction, if any, in the leave earned in accordance with the provisions of the first paragraph of Rule 81 by an officer serving in a vacation department should also be rounded off to the nearest day.

- 87.** An officer not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the earned leave which would have been admissible if his previous duty had been duty as an officer in permanent employ diminished by any earned leave already taken. Leave is not an interruption of duty for the purpose of this rule.

SECTION IV- COMMUTATION OF LEAVE WITH RETROSPECTIVE EFFECT

89. (i) The authority which granted leave to an officer can commute it retrospectively into leave of a different kind which may be admissible but the officer concerned cannot claim it as a matter of right:

*Provided that earned leave shall not be commuted into leave of a different kind †except as provided in the Note below Rule 1, Appendix XI C .

*Effective from 22nd November 1971.

†This shall be deemed to have come into force with effect from 12th April 1984.

†[G.O.(P) 1002/97/Fin.,
dt. 6-11-1997]

- (ii) Commutation of one kind of leave into another automatically carries with it the drawal of arrears of leave salary or recovery of amounts overdrawn.
- (iii) Commutation of leave without allowances taken during temporary service when no other leave was due, into earned leave on confirmation without interruption of service, by giving retrospective effect to the benefit of Rule 87 would be irregular and not in accordance with the intention of Government. The real intention of Rule 87 is to provide only for a retrospective recalculation of leave at credit on the date of confirmation with a reduction on account of the earned leave already taken. Except for the carry-forward of the recalculated credit on confirmation, leave earned and taken should be a closed chapter at that point and no readjustment of any leave taken is automatically permissible as a consequence of such recalculation. The closed chapter may however properly be re-opened, for instance, to correct a miscalculation of leave earned or taken or to readjust leave earned and taken when confirmation is ordered with retrospective effect or at the discretion of the sanctioning authority to convert leave of any one kind already taken into leave due of any other kind admissible at the time leave was originally taken.

Government Decision

When confirmation is given retrospectively with effect from a date earlier than the date on which leave was already sanctioned, such leave can be commuted and readjusted as provided in Rule 89 (iii). Such cases do not come within the purview of the ruling under Rule 11. What has changed is only the status of the officer and not the rule in force at the time the leave was sanctioned. The position will be clear from the following illustration:-

Illustration

Entry in service of an officer- 1st November 1960.

Date of his confirmation- 1st November 1961 (orders issued on 1st November 1962).

Leave without allowances taken at any time during the period from 1st November 1960 to 31st October 1961 cannot be retrospectively commuted into any other kind of leave. But leave earned and taken after 1st November 1961 can be retrospectively commuted.

He should also intimate to the Audit Officer concerned, through the Training Institute/Officer, etc., the date and hour of reporting for training and on relief on the completion of training.

Government Decision

Retired officers re-employed in Government service will be treated on par with provisional hands appointed under General Rule 9 (a) (i) of the Kerala State and Subordinate Services Rules, 1958 for purposes of joining time and only the actual journey time allowed as joining time.

[G.O.(Ms) 11/67/PD.,
dt. 17-1-1967]

- 126.** Not more than one day is allowed to an officer in order to join a new post when the appointment to such post does not necessarily involve a change of residence from one station to another. A holiday or Sunday counts as a day for the purpose of this rule. No joining time is admissible in cases where the change of post does not involve an actual change of office.

Note.—A transfer shall be held to involve a change of station only if the distance between the two places is not less than eight kilometres.

[G.O.(P)48/66/Fin.,
dt. 10-2-1966]

- 126A.** When holiday(s) follow(s) joining time, the normal joining time may be deemed to have been extended to cover such holiday(s).

Ruling

When officers are transferred while on leave, joining time need be reckoned only from the date following the holiday(s), if any, suffixed to leave with the permission of the leave sanctioning authority unless otherwise directed in the transfer order.

[G.O.(P)38/73/Fin.,
dt. 5-2-1973]

- 127.** The joining time of an officer, in cases involving a transfer from one station to another, is subject to a maximum of 30 days. Six days are allowed for preparation and, in addition, a period to cover the actual journey calculated as follows: -

- (a) An officer is allowed—

- | | | |
|--|---|--|
| <p>(i) For the portion of the journey which he travels by aircraft</p> <p>(ii) For the portion of the journey which he travels or might travel :</p> | } | <p>Actual time occupied in the journey</p> |
|--|---|--|

By railway By ocean steamer By river steamer By motor vehicles Or by conveyance plying for public hire in any other way	500 kilometres 350 kilometres 150 kilometres 150 Kilometres 25 kilometres	}	One day for each or any longer time actually occupied in the journey.
--	--	---	--

- (b) (i) For purposes of journey by air under clause (a) (i), a part of a day should be treated as one day.
- (ii) A day is also allowed for any fractional portion of any distance prescribed in clause (a) (ii).
- (c) When part of the journey is by steamer, the limit of six days for preparation may be extended to cover any period unavoidably spent in awaiting the departure of the steamer.
- (d) Travel by road not exceeding eight kilometres to or from a railway station or steamer ghat at the beginning or end of journey does not count for joining time.
- (e) A Sunday does not count as a day for the purpose of the calculations in this rule, but Sundays are included in the maximum period of 30 days.

Exception 1.—The authority sanctioning the transfer may, in special circumstances, reduce the period of joining time admissible under this rule.

Exception 2.—In the case of officers who are entrusted with the custody of stores, a period of not more than ten days and in the case of officers in charge of Timber Depots of the Forest Department a period of not more than one week will be allowed for transfer of charge of check conjointly stores and other materials, the minimum time actually required in each case alone being, however, utilised for the purpose.

Exception 3.—A period of not more than one week will be allowed to Forest Guards for transfer of charge and join perambulation of the beats, the minimum time actually required alone being, however, utilised for the purpose. This period will be treated as an extension of joining time in respect of the relieving officer.

- 128.** Except in the case of a journey performed by air, by whatever route an officer actually travels, his joining time shall, unless a competent authority for special reasons otherwise orders, be calculated by the route which travellers ordinarily use.

Government Decision

Except in cases of journeys performed by air, which will be covered by the provisions in sub-rule (a) of Rule 127, the entitlement to joining time of a Government servant, in cases where his old headquarters and new headquarters are connected by railway, should be calculated as admissible for a journey by railway.

[G.O.(P) 52/66/Fin.,
dt. 14-2-1966]

- 129.** If an officer is authorised to make over charge of a post elsewhere than at its headquarters, his joining time shall be calculated from the place at which he makes over charge.

- 130.** If an officer is appointed to a new post while in transit from one post to another, his joining time begins on the day following that on which he receives the order of appointment.

Note.—A second period of 6 days for preparation should not be allowed in calculating the joining time of an officer who is appointed to a new post, while in transit from one post to another.

Government Decision

In the case of a Government servant who is transferred from one post to another but whose transfer is subsequently cancelled after he has handed over charge of his old post but before he could take charge of the new post, the period intervening between the date of handing over charge of the old post and taking over the same later on account of cancellation of transfer orders, should be treated as joining time, subject to the provisions of Rule 130 and the Note thereunder.

[G.O.(P) 461/68/Fin.,
dt. 24-8-1968]

- 131.** If a Government servant takes leave while in transit from one post to another, the period which has elapsed since he handed over charge of his old post must be included in his leave. On the expiry of the leave, the Government servant may be allowed normal joining time.

- 132.** If an officer is appointed to a new post while on earned leave he is entitled to joining time calculated from his old station in addition to the earned leave. Should the officer join the new appointment before the expiry of leave plus joining time admissible, the period short taken should be considered as leave not enjoyed and a corresponding portion of the leave sanctioned should be cancelled without any reference to the authority which granted the leave. When vacation or holidays immediately preceding vacation begin during or immediately after the expiry of joining time admissible to an officer or when an officer is transferred during vacation, he may be allowed to join at the end of the vacation.

- 133.** The Government may in any case extend the joining time admissible under these rules, provided that the general spirit of the rules, is observed.

- 134.** Within the prescribed maximum of 30 days, the Government may, on such conditions as it thinks fit, grant to an officer a longer period of joining time than is admissible under the rules in the following circumstances:-
- (a) When the officer has been unable to use the ordinary mode of travelling or, notwithstanding due diligence on his part, has spent more time on the journey than is allowed by the rules; or
 - (b) When such extension is considered necessary for the public convenience or for the saving of such public expenditure as is caused by unnecessary or purely formal transfers; or
 - (c) When the rules have in any particular case operated harshly; as for example, when an officer has, though no fault on his part missed a steamer or fallen sick on the journey.
- 135.** When an officer under the administrative control of the Government is transferred to the control of another Government which has made rules prescribing amounts of joining time, his joining time for the journey to join his post under the Government, and for the return journey will be governed by those rules.
- 136.** A Government servant on joining time shall be regarded as on duty during that period and shall be entitled to joining time pay equal to the pay which was drawn before relinquishment of charge in the old post. He shall also be entitled to Dearness Allowance, if any, appropriate to the joining time pay. In addition, he can also draw compensatory allowances, and house rent allowance as applicable to the old station from which he was transferred. He shall not be allowed conveyance allowance or Permanent Travelling Allowance.
- Note.*—An Officer on transfer is not entitled for joining time unless his transfer is made in the public interest. However, in cases of transfers on request, an officer shall be paid joining time pay and allowances at the rate admissible under this rule for the period spent in travelling to join the new post and if he could not take charge on the new post on the day on which he is to join consequent on that day being declared a holiday, then, for that day also.
- Explanation.* -There is no objection to an officer being granted regular leave by the competent authority under the leave rules applicable to him even if the transfer is at his own request to cover the period of handing over charge at an old station and before taking over charge at another if the officer applied for it and the competent authority is willing to grant such leave.
- 137.** An officer who does not join his post within his joining time, is entitled to no pay or leave salary after the end of the joining time. Wilful absence from duty after the expiry of joining time may be treated as misbehavior for the purpose of Rule 21.

[G.O.(P) 1010/87/Fin.,
dt. 27-11-1987]

Government Decision

The period of overstayal of joining time of an officer may be regularised by granting eligible leave under Rule 131, Part I, Kerala Service Rules and the Joining time pay regulated under Rule 136 (b) *ibid*

- 138.** A person, in employment other than Government service or on leave granted from such employment, if in the interest of Government, is appointed to a post under the Government may, at the discretion of Government, be treated as on joining time while he prepares for and makes the journey to join the post under Government and while he prepares for and makes the journey on

reversion from the post under Government to return to his original employment. During such joining time he shall receive pay equal to the pay, or in the case of joining time immediately following leave granted from the private employment, to the leave salary paid to him by his private employer prior to appointment to Government service, or pay equal to the pay of the post in Government service, whichever is less.

Ruling No. 1

An officer holding a provisional appointment deputed to foreign service, will be allowed to draw, in foreign service, the pay and allowances attached to the provisional appointment, only if it is certified by the competent authority that the officer would have held the provisional appointment but for his deputation to foreign service.

Ruling No. 2

- (i) For the period from 1-7-1978 to 30-4-1979, Officers on deputation will be allowed deputation allowance at the rates prescribed in the concerned Government Order by which the deputation was sanctioned based on their pre-revision pay in Government Service.

[G.O.(P) 359/81/Fin.,
dt. 4-6-1981]

- (ii) Those who continue to draw pay in the pre-revision scale on 1-5-1979 are eligible for deputation allowance from 1-5-1979 at the rates specified in Note 3 above. But the minimum of the revised scales of the posts from which they are deputed, will be the basis for determining the rate of deputation allowance. "Pay in the pre-revision scale" means the pay of the Officer concerned in the scale of pay as it stood as on 30-6-1978.

145.

- (a) While an officer is in foreign service contribution towards the cost of his pension and leave salary must be paid to General Revenues on his behalf.
- (b) Contributions due under clause (a) above shall be paid by the officer himself, unless the foreign employer consents to pay them. They shall be payable during leave taken while in foreign service.

Note.- A copy of the orders sanctioning an officer's transfer to foreign service must always be communicated to the Audit Officer. The Officer himself should, without delay, communicate a copy to the officer who audits his pay, and take his instructions as to the officer to whom he is to account for the contribution; report to the latter officer the time and date of all transfers of charge to which he is a party when proceeding on, while in, and on return from foreign service; and furnish from time to time particulars regarding his pay in foreign service, leave taken by him, his postal address, and any other information which that officer may require.

146.

Recovery of pension contribution in respect of Government servants on deputation to foreign service shall be at the rate of 15 per cent of the maximum of the scale of pay of the post from which deputation is sanctioned. If the scale of pay is revised or the Government Servant gets promotion in the present department the recovery shall be at the rate of 15 per cent of the maximum of the revised scale of pay or the scale of pay of the post to which the officer is promoted in the parent department, as the case may be.

[G.O. (P) 742/84/Fin.,
dt. 15-12-1984]

The leave salary contribution shall be 10 percent of the maximum of the scale of pay of the post of the deputationist in the parent department. If the scale of pay is revised or the Government servant gets promotion in the parent department, the recovery shall be at 10 percent of the maximum of the revised scale of pay or the scale of the post to which the officer is promoted in the parent department, as the case may be.

The combined rate of leave salary and pension contribution shall be 25 per cent of the maximum of the scale of pay.

Contribution shall be paid for the actual period of duty in the foreign service including all kinds of leave taken while on foreign service. Contribution shall be paid for each calendar month or part thereof and no contribution shall be paid for the periods of joining time.

Note.- Leave salary contribution will not be realised in respect of Government officers serving on deputation on foreign service terms, in undertakings which are owned or controlled by the State Government. If the officer avails of leave while on such foreign service, the full expenditure should be borne by the concerned foreign employer and if the officer avail of leave after return from the foreign service, the expenditure should be borne by the Government.

[G.O.(P)169/83/Fin.,
dt. 6-4- 1983]

This Note shall be deemed to have come into force with effect from 1st April 1982.

Government Decision.

Leave salary and pension contribution will be recovered in whole rupees, fractions equal to 50 paise being rounded off to the next higher rupee. Rounding off will be done (1) at the initial stage while calculating the rates of monthly contributions, (2) while recovering contributions for part of a month at the beginning or at the end of foreign service and (3) where rates of monthly contributions are refixed due to a change in the rates of pay, deputation allowance, etc., and the total contribution recoverable for a calendar month are not in whole rupees.

[G.O.(P)883/70/Fin.,
dt. 2-12-1970]

This decision will take effect from 1st August 1970, i.e., in respect of contributions for August 1970 recoverable in September 1970.

147.

The rate of pension and leave salary contribution prescribed in Rule 146 is to secure the officer the pension that he would have earned by service under the State Government if he had not been transferred to foreign service and the leave salary on the scale and under the conditions applicable to him. In calculating the rate of leave salary admissible for earned leave alone, the pay drawn in foreign service less, in the case of officers paying their own contributions, such part of the pay as may be paid as contribution, will count as pay for the purpose of leave salary; provided that the difference between the amount of leave salary that would have been admissible to the officer had he remained in Government Service and the amount of leave salary admissible as aforesaid, shall be recovered from the foreign employer.

Note 1.-As the rates prescribed for such contribution have been calculated on the basis of the *leave on full or half pay normally taken by an officer during the total period of his services and do not take into account any compensatory allowance which may form part of leave salary, the whole expenditure in respect of any compensatory allowance for periods of leave in or at the end of foreign service shall be borne by the foreign employer and a condition to this effect should be inserted in the terms of transfer to foreign service.

*[G.O. (P) 491/75/Fin.,
dt. 24-10-1975]

Note 2.-The foreign employers should in the case of officers transferred to foreign service accept liability of leave salary in respect of disability leave granted on account of a disability incurred in and through foreign service even though such disability manifests itself after the termination of foreign service. The leave salary charges for such leave should be recovered direct from foreign employers, a condition to this effect being inserted in the terms of transfer to foreign service.

Note 3.-Leave salary in respect of maternity leave granted to and enjoyed by a female Government servant while in foreign service will be borne by the foreign employer.

[G.O. (P) 21/66/Fin.,
dt. 17-1-1966]

Government Decision No.1

In the case of an officer who takes leave on the conclusion of foreign service before rejoining his post, the leave salary should be calculated taking into account the pay drawn in foreign service also and the difference in leave salary should be recovered from the foreign employer as provided in the above rule. Orders sanctioning deputation to foreign service should specifically include a provision for the recovery of difference in the leave salary from the foreign employer. Leave salary in respect of leave taken after rejoining duty under Government shall be governed by the provisions in Rules 92 to 95 above.

[G.O.(P)491/75/Fin.,
dt. 24-10-1975]

However the recovery contemplated above will not apply in respect of officers on deputation on foreign service terms to undertakings which are owned or controlled by the Government, in whose case no leave salary contributions will be realised.

[G.O.(P) 214/85/Fin.,
dt. 11-4-1985]

Government Decision No. 2

When a Government servant is transferred to foreign service in India, an extract of the leave account of the Government servant will be furnished to the foreign employer by the Accountant General in respect of Gazetted Officers and by the Head of Office in respect of Non-Gazetted Officers so that the foreign employer may determine the leave admissible to the Government servant and the leave salary payable to him. Whenever leave is granted by the foreign employer a copy of the orders granting leave to the Government servant may be endorsed by the foreign employer to the Accountant General in respect of Gazetted Officers and to the Head of the office of the parent department in the case of Non-Gazetted Officers. The foreign employer will pay the leave salary which will be reimbursed to him by the Accountant General in the case of Gazetted Officers and by the Head of the Office (of the parent department) in the case of Non-Gazetted Officers. The claim for the reimbursement of leave salary thus paid by the foreign employer may be made half yearly for the period from April to September and October to March. While sending the claim to the Accountant General or Head of Office concerned, the foreign employer will give the name and designation of the Government servant, nature and period of leave sanctioned, the number and date of sanction, rate of leave salary and amount of leave salary paid. On receipt of the claim from the foreign employer the Accountant General or Head of Office will verify the claim with reference to the entries in the leave account and arrange to reimburse the amount by means of a bank draft within a month of receipt of the claim. The expenditure will be debited to the head of account to which the leave salary is debitale. It should be noted that in both cases, the amount of leave salary to be reimbursed to the foreign employer will be the leave salary (excluding Dearness Allowance and other compensatory allowance) to which the Government servant would have been eligible but for foreign services as the difference between the leave salary to which the officer is eligible and that he would have received but for foreign services together with Dearness Allowance and other compensatory allowance is to be finally borne by the foreign employer.

[G.O.(P)229/76/Fin.,
dt. 2-8-1976]

- 148.** The Government may ____
- a) remit the contributions due in any specified case or class of cases, and
 - (b) make rules prescribing the rate of interest, if any, to be levied on overdue contributions.
- 149.** An officer in foreign service may not elect to withhold contributions and forfeit right to count as duty in Government service the time spent in foreign employ. The contribution paid on his behalf maintains his claim to pension, or to pension and leave salary, as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in a contribution paid and no claim for refund can be entertained.
- 150.** Contribution for leave salary or pension, due in respect of an officer on foreign service, may be paid annually within fifteen days from the end of each *calendar year or at the end of the foreign service, if the foreign service expires before the end of a *calendar year, and if the payment is not made within the said period, interest must be paid to Government on the unpaid contribution, unless it is specifically remitted by Government, at the rate of two paise per day

per Rs.100 from the date of expiry of the period aforesaid upto the date on which the contribution is finally paid. The interest shall be paid by the officer or the foreign employer according as the contribution is paid by the former or the latter.

151. An Officer transferred to foreign service may not without the sanction of the Government accept a pension or gratuity from his foreign employer in respect of such service.

152. An officer in foreign service may not be granted leave otherwise than in accordance with the rules applicable to the service of which he is a member and may not take leave or receive leave salary from Government unless he actually quits duty and goes on leave.

Exception.- An officer on foreign service out of India may be granted leave by the foreign employer on such conditions as he may determine. In any individual case, the authority sanctioning the transfer may determine beforehand, in consultation with the foreign employer, the conditions on which leave will be granted by him. The leave salary in respect of leave granted by the foreign employer will be paid by him and the leave will not be debited against the officer's leave account.

[G.O.(P) 390/66/Fin.,
dt. 20-8-1966]

This exception shall be deemed to have come into force with effect from 1st March 1965.

Note.- An officer on foreign service is himself personally responsible for the observance of the rules regarding leave in foreign service, by accepting leave to which he is not entitled under the rules, he renders himself liable to refund leave salary irregularly drawn, and in the event of his refusing to refund, he forfeits his previous service under Government and ceases to have any claim on Government in respect of either pension or leave salary.

153. An Officer in foreign service, if appointed to officiate in a post in Government service, will draw pay calculated on the pay of the post in Government service on which he holds a lien or would hold a lien had his lien not been suspended and that of the post in which he officiates. His pay in foreign service will not be taken into account in fixing his pay.

154. An Officer reverts from foreign service to Government service on the date on which he takes charges of his post in Government service; provided that if he takes leave on the conclusion of foreign service before rejoining his post, his reversion shall take effect from such date as the Government may decide.

[G.O.(P)250/83/Fin.,
dt. 11-5-1983]

As and when an order transferring a non-gazetted employee to foreign service is issued by the competent authority, the head of the office where the employee is then working should make an entry in his Service Book regarding the transfer to foreign service. The head of office should simultaneously furnish to the Accountant General information regarding the date of relief of the transferred officer, his pay, date of his next increment, scale of pay

of post held by him at the time of relief etc. Based on the sanction and particulars received from the head of office, the Accountant General will intimate the departmental officer concerned and the foreign employer the foreign service account number assigned to the transferred officer and the rate of foreign service contribution recoverable in his case. On receipt of the communication, the head of office should note in the Service Book the rate of contribution as fixed by the Accountant General. At the time of reversion of the employee from foreign service, the head of the office to which he is posted should intimate the Accountant General the date of his rejoining State Service and the date of termination of his foreign service as fixed under Rule 154, Part I, Kerala Service Rules. On receipt of the sanction reverting the officer to State Service and the particulars about his rejoining duty, the Accountant General will check whether the foreign service contributions have been recovered in full. As and when the recovery is completed, the Accountant General will send to the head of the office in which the Government servant is working at that time a communication showing the position about the recovery of contributions; a copy of it will be simultaneously endorsed to the employee also. On the strength of this communication, the head of the office should make an entry in the Service Book regarding the position about the recovery of foreign service contributions, giving reference to the communication received from the Accountant General. The letter received from the Accountant General in this regard should be kept in the Service Book itself for facilitating future reference. The head of the office and the employee concerned should acknowledge the receipt of the communication regarding recovery of contributions. Based on the entries in the Service Book made by the head of the office and copies of the Accountant General's communications kept in the Service Book, the employee's pension claims will be settled by the Accountant General at the time of his retirement. In the event of any dispute arising later about the recovery of contributions for want of necessary entries in the Service Books, the employee concerned may produce his copy of the communication received from the Accountant General as proof of recovery. On production of his copy of the communication, the Accountant General will verify the matter and settle his claims accordingly.

While laying down the above procedure, Government would like to impress upon all departmental officers that the responsibility for making entries relating to foreign service in the Service Book of the Non-Gazetted Officers rests with them.

[G.O.(P)250/83/Fin.,
dt. 11-5-1983]

Effective from 1st June 1983.

- 155.** When an officer reverts from foreign service to Government service, his pay will cease to be paid by the foreign employer and his contributions will be discontinued with effect from the date of reversion.
- 156.** When an addition is made to a regular establishment on the condition that its cost or a definite portion of its cost, shall be recovered from the persons for whose benefit the additional establishment is created, recoveries shall be made under the following rules: -
- a) The amount to be recovered shall be the gross sanctioned cost of the service or of the portion of the service, as the case may be, and shall not vary with the actual expenditure of any month.

- b) The cost of the service shall include contribution at such rates as may be laid down under Rule 146 and the contributions shall be calculated on the sanctioned rates of pay of the members of the establishment.
- c) The Government may reduce the amount of recoveries or may entirely forgo them.

*Note.-** The term 'gross sanctioned cost of service' shall also include Dearness Allowance and other Compensatory Allowances, Bonus/Special Festival Allowance, Interim Relief, Conveyance Allowance and all other allowances that the employee would have drawn had he been working in the Government Service at the same place". The monthly compound of bonus/special festival allowance, shall be worked out at 1/12th of the last declared bonus/special festival allowance for effecting recovery on a monthly basis.

*[G.O. (P) 192/02/Fin.,
dt. 1-4-2002]

Government Decision

The procedure for the recovery of the cost of an establishment will be as follows :-

- (i) *Gross Sanctioned cost of the service.* - This will include the "average cost" of the several posts included in the establishment together with the Dearness Pay, Dearness Allowance, Special Dearness Allowance, Personal Pay/Special Pay, *Bonus/Special Festival Allowance* and other Compensatory Allowance admissible on the "average cost" for this purpose will be calculated according to the formula given under Rule 12 (35), Part I, Kerala Service Rules.
- (ii) *Pension and leave salary contribution.* - This contribution in respect of a post will be worked out at one-fourth-of the total of the "average cost" plus Dearness Pay, Special Pay/Personal Pay *and Bonus/Special Festival Allowance* admissible on the average cost.

*Effective from 29th October 1992

[G.O.(P) 446/93/Fin.,
dt. 24-8- 1993]

- (iii) *Calculation of average age at entry in the grade.* -

- (a) *In grades where direct recruitment is generally made.* - If the recruitment is generally made between 18 and 24/25 years, for example, the age of entry can with advantage be adopted uniformly as 21, instead of calculating it on the basis of age of entry of all persons in service on a date or recruited during a specified period which would involve unnecessary labour not yielding commensurate advantage. The average cost thus worked out on the above basis may hold good till there is a revision of scales or other conditions of service, e.g., age of retirement, etc.

(Circular No.
62/63/Fin., dt. 9-8-
1963

&

No. 5/64/Fin.,
dt. 16-1-1964)

- (b) *In grades where appointments are generally made by promotion but occasionally direct recruitment is also resorted to.*- The factor of age of entry would in this case be depending on the incidence of promotion in individual establishment and no uniform age of entry can therefore be indicated. To get more accurate result the age of entry may be arrived at in these cases on the basis of the age of entry of all persons in service in that grade on 1st April of the year in which the occasion to calculate the average cost arises. As the basis of average cost itself is somewhat approximate, a change in the age of entry from year to year is of little consequence and therefore the age of entry thus arrived at and for that matter the average cost worked out on that basis, may hold good for a reasonable period, say 5 years, after which it may be reviewed, unless there is a general revision of the scales of pay or conditions of services in the meantime.

SERVICE UNDER LOCAL FUNDS

- 157.** Officers paid from Local Funds which are administered by Government are subject to the provisions of these service rules.
- 158.** The transfer of officers to service under Local Funds which are not administered by Government will be regulated by the rules in this chapter.
- 159.** Persons transferred to Government service from a Local Fund which is not administered by Government will be treated as joining a first post under Government and their previous service will not count as duty performed. The Government may, however, allow previous service in such cases to count as duty performed on such terms as it thinks fit.

Ruling

The pay of an officer transferred from a Local Fund Institution not administered by Government to Government service will be fixed at the minimum of the scale of pay of the post in Government service if the pay he was drawing under the Local Fund is less than the minimum. In case he was drawing, under the Local Fund, pay above the minimum and equal to a stage in the scale of pay of the post in Government service, his pay will be fixed at that stage and if the pay he was drawing under the Local Fund is not a stage in the scale of pay of the post in Government service it will be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increases in pay. His next increment will ordinarily be allowed only after the full incremental period of duty in Government service.

PART II

TRAVELLING ALLOWANCES

CHAPTER I

SECTION I - GRADES OF OFFICERS

1. For the purpose of calculating Travelling Allowances, officers are classified into the following four grades :-

- (i) *First Grade.*- All officers in receipt of actual pay of ₹3000 and above, and officers belonging to All India Services, non-All India Service Officers holding posts borne on the cadre of All India Services, Heads of Departments and Officers of the Indian Army, Navy or Air Force appointed as Aides-de-camp to the Governor irrespective of the pay drawn by them.
- (ii) *Second Grade.*- (a) Officers in receipt of actual pay of ₹2,500 and above but below ₹3,000.
(b) Officers in receipt of actual pay of ₹1,600 and above but below ₹2,500.
- (iii) *Third Grade* .- Officers in receipt of actual pay of ₹950 and above but below ₹1,600.
- (iv) *Fourth Grade.*- Officers in receipt of basic pay below ₹950.

†These amendments shall be deemed to have come into force on 18th July 1994.

+ [G.O.(P)391/02/Fin.,
dt. 19-6-2002]

Note- 1.-All Private Secretaries to Ministers and the Private Secretary to the Speaker will be treated as Grade I Officers from 28th June 1969 and 2nd September 1969 respectively for purposes of Travelling Allowances, irrespective of the pay drawn by them.

Note-2.- For the purpose of calculating the T.A. for accompanying the Governor, Advisers or Ministers on tour, non-gazetted officers, other than those in the last grade, will be treated as Second Grade (b) officers irrespective of the "actual pay" drawn by them.

[G.O.(P) 438/68/Fin.,
dt. 19-8-1968]

Note 3.- The term 'pay' occurring in this part of the rules should be deemed to include only - Pay as defined in Rule 12 (23) (i) and (iii) of Part I, Kerala Service Rules, and personal pay, dearness pay and special pay treated as coming under classes I and II under Appendix IV, Kerala Service Rules.

Note 4.- The classification of a re-employed pensioner for purposes of Travelling Allowances will be determined on the following basis –

- (a) Where the pension is held in abeyance during the period of re-employment, the grade of the re-employed pensioner shall be determined, in accordance with the pay actually received from time to time.
- (b) Where a pension is allowed to be drawn in addition to pay, the re-employed pensioner should be deemed to be in receipt of actual pay equivalent to his re-employed pay plus pension, subject to the proviso that if the sum of such pay plus pension exceeds the pay of the post if it is on a fixed rate of pay or the maximum pay of the post, if it is on a time-scale of pay, such excess shall be ignored.

- (c) If a portion of the pension has been commuted, the amount of pension to be taken into account for the purpose of clause (b) will be the amount including the pensionary equivalent of the commuted value. The amount of pension to be taken into account will also include the pension equivalent of the death-cum-retirement gratuity, if any.

Note 5.- "Class IV employees drawing pay of Rs.950 and above consequent on getting time bound grade promotion shall be included under Third Grade for the limited purpose of Travelling Allowance/Daily Allowance claims".

[G.O.(P)391/02/Fin.,
dt. 19-6-2002]

(These amendments shall be deemed to have come into force on 18th July 1994)

2. The Government may, for reasons which should be recorded, order that any officer or grade of officers shall be included in a grade higher or lower than that prescribed in the above rule.
3. An officer in transit from one post to another ranks in the grade to which the lower of the two posts would entitle him.
4. The Travelling Allowance of an officer who is promoted or reverted with retrospective effect, should not be revised in respect of the period intervening between the date of promotion or reversion, and that on which it is ordered.

Government Decision No. 1

In all cases of belated grant of increments, other than those where such increments have been specifically withheld under competent orders, where the class or grade of officers for drawal of T.A. has been changed consequent on such belated grant of increments, the officers concerned will be eligible to draw the enhanced rate of T.A. with retrospective effect, i.e., from the date on which the increment has actually fallen due.

[G.O.(Ms.) 452/60/Fin.,
dt. 21-9-1960]

Government Decision No. 2

In cases of belated issue of pay slips for ordinary increments, which do not depend on the passing of tests, completion of probation, retrospective confirmation, promotion, revision of pay scales, etc., but are delayed for some routine reason or other, the officers concerned will be eligible to draw the enhanced rate of T.A. with retrospective effect, i.e., from the date on which the increment has actually fallen due. But such claims for arrears of T.A will be paid by the Treasury Officers only after special audit by the Accountant General.

[G.O.(P.) 667/69/Fin.,
dt.. 15-12-1969]

Government Decision No. 3

It is clarified that the above Decision No. 2 is applicable to all cases of belated issue of pay slips, when the delay in issue of pay slips is not due to any fault of the officer, i.e., it is only when increments are delayed on account of specific orders of competent authorities that the benefit contemplated in the above decision shall be denied.

(Ms.) 330/59/Fin., dated 29th June 1959 will be discontinued from 1st August 1960 in respect of Government officers travelling on University business and instead they will be allowed to receive T.A. direct from the University according to its rules.

Such an allowance is granted in lieu of all other forms of Travelling Allowance for journeys within the officer's sphere of duty and is drawn all the year round, whether the officer is absent from his headquarters or not.

Government Decision No. 1

Since Permanent Travelling Allowance is fixed at a monthly rate it is not necessary that the officer should be on tour beyond 8 kilometres from headquarters on all days of the month. Even for days he is not on tour outside 8 kilometres from headquarters he can draw Permanent Travelling Allowance. This does not however mean that Permanent Travelling Allowance can be drawn without leaving headquarters on any day of the month. The drawal of the allowance will be governed by the order fixing the rate of Permanent Travelling Allowance and prescribing the terms and conditions for its drawal. For the drawal of full amount of Permanent Travelling Allowance an officer should be on tour outside 8

kilometres from headquarters for 15 days in a month and should spend at least 6 hours outside headquarters on each such day. If the minimum number of days of travel is not performed reduction has to be made as per the terms and conditions of the Permanent Travelling Allowance.

This decision shall be deemed to have come into force with effect from 9th December 1970.

Government Decision No.2

The following procedure will be followed for drawal of P.T.A in cases where an officer is on duty for a part of a month and also in cases where the officer has been on duty for the whole month but has not toured for the minimum number of days prescribed :-

- (a) If an officer is on duty for a part of a month he will be allowed proportionate P.T.A. for the days he is on duty provided that the officer is on tour for the proportionate number of days with reference to the minimum days of tour prescribed.
- (b) For every day short toured, a deduction of $(1 \times \text{PTA}) / Y$ will be made where Y is the minimum number of days of tour prescribed.

Example. - Suppose an officer whose P.T.A. is Rs.40 per mensem, and whose minimum period of touring is fixed as 20 days per month, is on duty only for 20 days in a month of 30 days. He is entitled to a P.T.A. of $\text{Rs.}(20 \times 40)/30 = \text{Rs.}26.67$ provided, he puts in not less than the proportionate number of tour days, i.e., $(20 \times 20)/30 = 13$ days. For every day short toured by him a deduction of $1/20$ of Rs.40 will be made (i.e., if he tours only for 12 days, an amount of Rs.2 will be deducted from Rs.26.67).

- (c) In cases where the officer is on duty for the whole month but has not toured for the minimum number of days prescribed, a deduction of $(X \times \text{P.T.A}) / Y$ will be made where X and Y are the shortfall in the number of days of tour and the minimum number of days of tour prescribed in a month respectively.

Example. - Suppose an officer whose P.T.A is Rs.40 per mensem and whose minimum number of tour days is fixed as 20 per month, is on duty for the whole month and tours only for 15 days, a deduction of $5 \times 40/20 = \text{Rs.}10$ is to be made from his P.T.A. of Rs.40 per mensem.

Effective from 8th June 1962.

7. A Permanent Travelling Allowance may not be drawn during leave, temporary transfer or joining time, or unless in any case, it be otherwise expressly provided in these rules, during any period for which Travelling Allowance of any other kind is drawn.
8. When an officer holds, either substantively or in an officiating capacity, two or more posts to each of which a Permanent Travelling Allowance is attached, he may be granted such Permanent Travelling Allowance, not exceeding the total of all the allowances, as the Government may consider to be necessary in order to cover the travelling expenses which he has to incur.

SECTION IV - CONVEYANCE ALLOWANCE

- *9. [The Government may grant, on such conditions as they think fit to impose, a monthly conveyance allowance to any officer who is required to travel extensively or within a specified area from his headquarters under conditions which do not render him eligible for daily allowance.

G.O.(P)252/02/Fin.,
dt. 25-4-2002]

*Note: - Every recommendation made to Government for the grant of a conveyance allowance should contain detailed information regarding the nature of the officers work, the approximate area of the locality within which the conveyance is to be used and the approximate average amount of travelling which the officer has to perform in a day.

- *11.** A conveyance allowance shall not be drawn during leave or temporary transfer / holidays prefixed or suffixed to leave and during joining time.]

SECTION V - MILEAGE ALLOWANCE **SUB - SECTION (I) - GENERAL**

- 12.** A mileage allowance is an allowance, calculated on the distance travelled which is given to meet the cost of a particular journey.
- 13. (a)** For the purpose of calculating mileage allowance, a journey between two places is held to have been performed by the shortest of two or more practicable routes or by the cheapest of such routes as may be equally short; provided that when there are alternative railway routes and the difference between them in point of time and cost is not great, mileage allowance may be calculated on the route actually used.
- (b)** The shortest route is that by which a traveller can most speedily reach his destination by the ordinary modes of travelling. In case of doubt, the Government will declare which shall be regarded as the shortest of two or more routes.

Government Decision No. 1

The shortest distance between Ernakulam to Fort Cochin and Mattancherry and vice versa would be the distance by road for purpose of Travelling Allowance.

[G.O.(Ms.)117/64/Fin.,
dt. 16-3-1964]

Government Decision No. 2

The route via., Mavelikkara would be the shortest route for journeys between Chengannur and Alleppey for purpose of Travelling Allowance.

[This will have effect till bridges are opened in all three ferries in the Changancherry route]

Government Decision No. 3

In the case of air journeys from Trivandrum to Delhi via., Bombay the claim should be supported by a certificate that no seat was available via., Madras. But the Chief Secretary to Government, Members of the Board of Revenue, Secretaries and Additional Secretaries to Government and Heads of Departments are permitted to travel either via., Bombay or Madras for the journeys to Delhi and back.

[Circular Memorandum No. 53/64/Fin., dated 6th June 1964 and G.O. (P) No. 699/64/Fin., dated 30th September 1964].

- (c) If an officer travels by a route which is not the shortest but is cheaper than the shortest, his mileage allowance should be calculated on the route actually used.

14. The Government in respect of Heads of Departments and the Heads of Departments in the case of their subordinates may, for special reasons which should be recorded, permit mileage allowance to be calculated on a route other than the shortest or cheapest, provided that the journey is actually performed by such route.

**Note 1.*-The sanction of Government is not required for the claim for higher road mileage by an officer of the First Grade for a journey performed by road between places connected by rail or by air within the State. The signature of the officer on the Travelling Allowance bill will be sufficient for the purpose of this rule. In such cases, the full rate of mileage allowance will be allowed upto 200 kilometres a day irrespective of the fact whether any inspection work is done or any public purpose is served en-route and at three fourths of the full rate for the remaining distance.

**Note 2.*- In cases where the distance to be travelled from the Headquarters to perform the duty at the outstation is within 50 kilometres, the onward journey shall be performed on the day on which official business is to be transacted. Similarly the return journey shall be performed on the day on which official business is completed at the outstation.

[This amendment shall be deemed to have come into force on the 22nd July 1987]

15. A journey on transfer is held to begin or end at the actual residence of the Government servant concerned. Any other journey (excluding a journey of the type referred to in the note below) is held to begin or end in any station at the duty point in that station.

[G.O.(P) 16/65/Fin.,
dt 6-1-1965]

Explanation.-For the purpose of this rule the "duty point" at the headquarters means the place or office where a Government servant remains on duty, i.e., the place or office of employment at the headquarters. In the case of outstations the "duty point" means the place or office visited by the Government servant on duty. Whether there are two or more such places or offices at an outstation, the following shall be taken as the "duty point" :-

- (a) If a Government servant reaches that station by rail, steamer, or air, the place or office which is farthest from the railway station, harbour (or jetty) or the air booking centre as the case may be.
- (b) If he reaches that station by road, the place or office which is farthest from the point from which the journey to that station commenced.

Note.- Where the journey commences or ends at a station which is either the Government servant's headquarters or his places of duty, it may be treated to have commenced or ended at his residence.

- 16.** An Officer is required to travel by the class of accommodation for which Travelling Allowance is admissible to him. The provisions of all rules regulating mileage allowance are subject to the condition that if an officer travels in a lower class of accommodation, he shall be entitled to the fare of the class of accommodation actually used plus the incidental expenses admissible to his grade calculated on the distance travelled in the case of rail journeys and the incidental expenses admissible had he travelled by the class of accommodation by which he is entitled to travel in the case of journeys by sea or air.
- [G.O.(P) 216/65/Fin.,
dt 29-5-1965]
- Note 1.-* Officers who are eligible to travel by first class or air conditioned class and who actually travel by that class and claim the fare accordingly, should furnish the following certificate in their Travelling Allowance bills namely:-
- “Certified that I have actually travelled in the class of accommodation for which the fare is claimed in this bill”;
- Effective from 1st November 1979.
- [G.O.(P) 186/89/Fin.,
dt. 29-3-1989]
- Note 2:-* Non Gazetted Officers who are eligible to travel by first class/air conditioned class but who are not drawing officers, shall furnish the following declaration in their tour diary, namely:-
- “I hereby declare that I have actually travelled by first class/air conditioned class on(dates) from (place) to (place).
- On the basis of the above declaration furnished by the non gazetted officers, the drawing officers shall furnish the following certificate in the Travelling Allowance bills of the nongazetted officers, namely:-
- “Certified that the officers for whom first class/air conditioned class railway fare has been claimed in this bill have declared that they have actually travelled by that class of accommodation”;
- Effective from 31st March 1981.
- 17.** Mileage allowance is differently calculated as shown in the following sections, according as the journey is or could be by railway, by sea, by road or by air.
- SUB - SECTION II - MILEAGE ALLOWANCE FOR JOURNEYS BY RAILWAY**
- 18.** For the purpose of calculating mileage allowance, officers when travelling by railway are entitled to class of accommodation according to the following scale:-
- (a) An Officer of the First Grade - Accommodation of the First Class (or the highest class by whatever name it is called).
 - (b) An officer of the Second Grade - Accommodation of the First Class.
 - * (c) An officer of the Third Grade or the Fourth Grade - Accommodation of the Second Class.
 - @ (d) All Third and Fourth Grade Officers will be entitled to travel in ‘Sleeper Class’ while on tour if the journey includes night journey also.
- [G.O.(P)391/02/Fin.,
dt. 19-6-2002]
- **[This amendment shall be deemed to have come into effect from 7th December 1994]

Note 1.- Air conditioned accommodation is not recognised as a class of accommodation for the purpose of these rules except for journeys on tour by officers holding posts on a scale of pay the minimum of which is not less than ₹3000. First Grade Officers holding posts on a scale of pay the minimum of which is less than ₹3000 may however travel by air conditioned accommodation while on tour subject to the recovery of 13 paise per 10 kilometres or part thereof if it exceeds 5 kilometres, from their T.A. bills. This rule is applicable in the case of journeys by air conditioned class in Deluxe trains also.

Government Decision No. 1

The Railway authorities entertain claims for refund of cancellation charges on unused Railway tickets only from the passengers concerned. So in case where the official rail journey is cancelled solely due to official reasons, the Government servant should after getting the refund in the usual manner from the Railway station prefer to the appropriate Railway authority concerned his claim for refund of cancellation charges (i.e., full ticket value excluding reservation charges and refund already received) on unused tickets supported by a certificate from his controlling authority to the effect that the journey had to be cancelled solely due to exigencies of service. When the officer himself is his own controlling officer for purposes of T.A. he may furnish his own certificate. The claim for the refund preferred on the Railways, should, however, be restricted to what it would be, had the officer booked and cancelled his journey by the shortest route, save in exceptional cases, where the route actually adopted by the officer is certified by the controlling officer or by the officer himself if he is his own controlling officer for T.A. purposes to be in the interest of public service.

[G.O.(P) 388/75/Fin.,
dt 27-8-1975]

Reservation charges in cases referred to above will be reimbursed to the Government servant without waiting for the acceptance of his claim for refund of cancellation charges by the Railway authorities. The amount of reservation fee reimbursed to a Government servant is debitable to the same head to which his T.A. is charged.

The Government servant should record a certificate as follows in the T.A. Bill for the claim.

"Certified that the reservation of journey ticket made as per reservation ticket No..... onwas cancelled due to exigencies of public service."

24. If available, return tickets at reduced rates should always be purchased when an officer expects to perform the return journey by rail within the period for which a return ticket is available. SUB-SECTION (III) -MILEAGE ALLOWANCE FOR JOURNEYS

BY SEA IN A STEAMER

25. For the purpose of calculating mileage allowance, officers are entitled to class of accommodation according to the following scale :-
- | | |
|------------------------------------|--|
| (a) An Officer of the First Grade | Highest class |
| (b) An Officer of the Second Grade | If there be two classes only on the steamer the higher class, and if there be more than two classes, middle or second class. |
| (c) An Officer of the Third Grade | If there be two classes only on the steamer the lower class, if there be three classes, middle class, or second class and if there be four classes, third class. |
| (d) An officer of the Fourth Grade | Lowest class |
26. Except in the case of journeys on transfer the mileage allowance admissible to an officer is single fare of the class of accommodation he is entitled to plus the Daily Allowance admissible under the rules for halts outside the State or 1 and 3/5 fare whichever is greater. In cases where the steamer company has two rates of fare, one inclusive and one exclusive of diet, the word 'fare' in this rule should be held to mean fare exclusive of diet.
27. In cases of doubt or in which, owing to the arrangement of classes on a steamer, the provisions of Rule 25 if strictly construed involve hardship, Government may decide, for journeys generally or for particular journeys, to what class of accommodation an officer is entitled, and whether if a concession is sanctioned, he should be granted the full allowance admissible for the higher class in which he is permitted to travel.
28. The rules in this sub-section apply to officers who cross a river or arm of the sea by steamer in the course of a journey unless such crossing occurs during a railway journey and the charge for it is included in the railway fare. In the latter case, the crossing is treated as part of the railway journey.
29. If suitable accommodation on a Government vessel is offered to an officer, he is entitled to Travelling Allowance under Rule 109 and not to mileage allowance. It is not open to him to refuse to accept such accommodation and to draw mileage allowance.

SUB-SECTION (IV) - MILEAGE ALLOWANCE FOR JOURNEYS BY ROAD

30. For the purpose of these rules travelling by road includes travelling by sea or river in a steam launch or in any vessel other than a steamer and travelling by canal.

31. For journeys by road, mileage allowance is admissible at the following rates for each kilometre travelled irrespective of whether the places are connected by rail or not :

[G.O.(P)391/02/Fin.,
dt. 19-6-2002]

- (i) Officers of the First Grade : 36 paise per kilometre if the journey is performed by public conveyance.
- (ii) Officers of the Second Grade : 28 paise per kilometre
- (iii) Officers of the Third Grade : 24 paise per kilometre
- (iv) Officers of the Fourth Grade : 20 paise per kilometre

[This amendment shall be deemed to have come into force with effect from 1st September 1995].

Second paragraph: omitted

[G.O.(P)391/02/Fin.,
dt. 19-6-2002]

[This amendment shall be deemed to have come into force with effect from 1st December 1989].

For journeys by public conveyance by road, officers will be paid actual bus fare plus incidental expenses as admissible under Para 1 of Rule 110. Grade I and II Officers will be entitled to travel by Express bus and Grade III and IV Officers by Fast Passenger bus. In emergent cases, with the permission of the Controlling Officers, Grade III and IV Officers can perform journeys in Express buses and claim Travelling Allowance on that basis. The existing provision for claiming road mileage for journeys by rail or road, irrespective of whether the places are connected by rail or not, will continue.

[G.O.(P) 186/89/Fin.,
dt 29-3-1989]

Effective from 1st September, 1985.

Note 1. - With effect from 1st November 1979, only officers of the First Grade are allowed to travel by special conveyance and claim higher mileage. With effect from 1st September, 1985 First Grade Officers in receipt of actual pay of Rs. 2250 and above only are allowed to travel by special conveyance and claim higher mileage. An officer of the First Grade claiming the higher mileage will note in his Travelling Allowance bill concerned the registration number of the special conveyance used by him.

Note 2. - Officers of the First Grade claiming mileage at the higher rate shall furnish the following certificate in their Travelling Allowance bills, namely :-

"I certify that I did not perform the road journeys for which mileage allowance has been claimed at the higher rate by any public conveyance which plies regularly for hire between fixed points and charge fixed rates. I also certify that the journey was not performed in any other vehicle without payment of its hire charges or without incurring its running charges."

Note 3.- An officer of the First Grade claiming higher road mileage for a journey performed in his own car shall furnish the following certificate in lieu of the certificate referred to in Note 2 above, namely:-

"I certify that the road journeys for which mileage has been claimed at the higher rate were performed by me in my own car".

Note 4.- All officers claiming road mileage should record in their Travelling Allowance bills one of the following certificates as may be appropriate, namely :-

- (a) "Certified that I have not been provided with any Government conveyance for my use".

Or

- (b) "Certified that the Government conveyance provided for my use was out of order/not available for journeys on(dates to be specified)."

*Explanation.—*In the case of non-gazetted officers, the drawing officers shall record the certificate with suitable changes and the controlling officer shall ensure that the Government servants who are provided with Government conveyance use such conveyance for their official journeys and that otherwise, the prescribed certificate is recorded invariably.

Note 5.- When two or more officers travel in a conveyance belonging to one of them or hired by one of them, the officer who owns or hires the conveyance may draw Travelling Allowance as if he travelled alone and the other officer (s) may draw only the Travelling Allowance as admissible under Rule 107 read with Rule 110, even if he (they) meets (meet) a portion of the cost of propulsion of the conveyance or of the hire charges of the conveyance, as the case may be. A certificate in the following form shall also be attached to the Travelling Allowance bills of the officers claiming travelling allowance under the above provision, namely:-

"Certified that I/We

(1) Name and Designation

(2) Name and designation

(3) Name and designation

(4) Name and designation travelled together from

.....to on

in a special conveyance (here enter Registration No. of the vehicle) owned/hired by the officer whose name is mentioned as No..... above, and that I have claimed Travelling Allowance admissible under Note 5 below Rule 31, Kerala Service Rules, Part II."

Note 6.- An Officer who performs a journey by a conveyance owned by another officer without meeting the cost of its use and propulsion but whose own conveyance immediately precedes or follows him is eligible for the mileage allowance admissible under the rules. He shall, when he claims mileage allowance certify that the cost of the use and propulsion of his conveyance which immediately preceded or followed the conveyance by which he travelled was met by him.

Note 7.- If an Officer of the First Grade, travels more than two hundred kilometres a day by special conveyance, the rate of mileage admissible for the excess over two hundred kilometres will be reduced to three fourths of what is normally admissible.

Government Decision No. 1

If an Officer has to perform long journeys, he may be allowed to perform the journeys in more than one day subject to the condition that the halt should be made only after the officer has made a march of not less than two hundred kilometres in a day. In cases where the journey commences late in the day, halts may also be made after marches of less than two hundred kilometres. In all such cases of long journeys the restriction regarding the mileage in the above note will be applied only in respect of each day's journey. No daily allowance either full or half will be admissible to the Officer for such intermediate halts.

Note 8.- For journeys performed by foot between places not connected by any public conveyance, Officers of the First Grade shall be given mileage at the rate applicable for journeys by special conveyance and officers of the other grades shall be given mileage at the rate of 35 paise per kilometre. An Officer claiming mileage in such cases should certify that he performed the journey entirely by walking, and the officer who countersigns the Travelling Allowance bill shall countersign the above certificate also.

Note 9.- A First Grade Officer, with a staff car attached to him or his office should not engage a special conveyance for his journeys, if the staff car is available. The following procedure should be observed if such an Officer claims higher mileage in his Travelling Allowance bills namely:-

- (i) If the bill requires countersignature, the countersigning authority shall countersign it only after satisfying himself that the departmental vehicle was not available for the journey and shall record a certificate to that effect in the bill.
- (ii) If the bill does not require countersignature, a certificate should be attached to the bill signed by the head of the Office or the Officer-in-charge of the departmental vehicle to the effect that the vehicle was not available for the journey for which special mileage is claimed.

Note 10.- Autorickshaws, Motor Cycles, Scooters and Mopeds will not be considered as special conveyances, and no higher rate of mileage will be allowed for journeys performed by such vehicle.

With effect from 1st September, 1985 Grade I and Grade II Officers are entitled for special mileage allowance at the rate of 30 paise per kilometre for journeys for public purpose by motor cycle or Scooter owned and maintained by them. As in the case of special mileage for car, the registration number of the Motor cycle or Scooter should be recorded in the bill claiming T.A., at the special rate allowed for such journeys.

Government Decision No. 3

Half daily allowance will be admissible for intermediate halts beyond 200 kilometres when the journey is performed in departmental vehicles.

[G.O.(P) 756/78/Fin.,
dt 16-10-1978]
Rule 31

Government Decision No. 4

The above note should be deemed to apply only to journeys performed by road. 'The nature of conveyance' referred to in the note is intended to differentiate between 'Public conveyance' and 'Special conveyance' and not between different modes of journeys, such as journey by road or journey by rail. The note above therefore allows higher mileage only for journeys on transfer between places not connected by rail.

(Circular No. 43959/EB4/Fin., dt. 19-11-1962)

Rule 66, Part II, does not permit an officer to draw road mileage for journeys on transfer performed between places connected by rail as the term "Mileage allowance" as defined in Rule 12, Part II, relates not to 'road mileage' alone.

32. The Government may, for special reasons to be recorded, allow to a particular officer or grade of officers, mileage allowance at a higher rate than is prescribed in Rule 31.
33. In calculating mileage allowance for journeys by road, fractions of a kilometre should be omitted from the total of a bill for any one journey but not from the various items which make up the bill.

SUB - SECTION (V) MILEAGE ALLOWANCE FOR JOURNEYS BY AIR.

34. An officer authorised to travel by air is entitled to mileage allowance equal to one standard air fare plus an allowance for incidental expenses at one-fifth of the standard air fare subject to a minimum of one daily allowance and maximum of five times the daily allowance at the ordinary rate for each single journey, each single journey being defined as the journey from starting point to destination or vice versa.

[G.O.(P) 197/66/Fin., dt 11-5-1966]

Note 1.- All first grade officers are authorised to travel by plane, Officers belonging to the other grades should take the prior sanction of Government for air journeys. Provided that one member of the personal Staff of Ministers, irrespective of the grade, shall be entitled to travel by air to accompany the Minister in case of necessity.

(This amendment shall be deemed to have come into force from 1st December 1990)

[G.O.(P) 391/02/Fin. dt.19-6-2002]

Note 2.- When an officer performs both rail and air journeys on the same day he will be allowed to draw the actual incidental expenses at the prescribed rates subject to a minimum of one daily allowance for both the air and rail journeys together.

[G.O. (P) 416/66/Fin., dt 13-9-1966]

Note 3.- The incidental expenses are limited to the following ceiling:-

(i) First Grade Officers	* Rs. 85
(ii) Second Grade (a) Officers-	* Rs. 60
(iii) Second Grade (b) Officers	* Rs. 45
(iv) Third Grade Officers	* Rs. 35
(v) Fourth Grade Officers	* Rs. 30

Ruling No. 2

*[G.O.(P) 440/67/Fin.,
dt. 5-10-1967]

48. An officer is on tour when absent on duty from his headquarters either within or, with proper sanction beyond his sphere of duty.
49. In case of doubt the Government may decide whether particular absence is absence on duty for the purpose of Rule 48.
50. The Government may impose such restrictions as it may think fit, upon the frequency and duration of journeys to be made on tour by any officer or class of officers.
51. If the Government declares that the pay of a particular officer or class of officers has been so fixed as to compensate for the cost of all journeys, other than journeys by rail or steamer, within the officer's sphere of duty, such an officer may draw no Travelling Allowance for such journeys though he may draw mileage allowance, for journey by rail or steamer. When travelling on duty, with proper sanction beyond his sphere of duty, he may draw Travelling Allowance calculated under the ordinary rules for the entire journeys, including such part of it as is within his sphere of duty.
52. The Travelling Allowance drawn by an officer on tour ordinarily takes the shape of either Permanent Travelling Allowance or daily allowance, if either of these is admissible to him. Permanent Travelling Allowance and daily allowance may, however, in certain circumstances, be exchanged for mileage allowance or for the whole or part of the actual cost of travelling. In certain other circumstances, actual cost may be drawn in addition to daily allowance or for journeys for which no daily allowances is admissible.

SUB-SECTION (II) - OFFICERS IN RECEIPT OF PERMANENT

TRAVELLING ALLOWANCE

53. A Permanent Travelling Allowance is intended to cover the cost of all journeys within the sphere of duty of the officer who draws it, and such an officer may not draw any other Travelling Allowance in place of or in addition to Permanent Travelling Allowance for such journeys provided that:
- (1) a class of officers to whom Government may extend this concession may draw, in addition to Permanent Travelling Allowance single fare for a journey by rail, and
 - (2) the Government may, by general or special order, permit an officer whose sphere of duty extends beyond the limits of a single district to draw, in addition to Permanent Travelling Allowance, whenever his actual travelling expenses for a duly authorised journey by public conveyance exceed double the amount of his Permanent Travelling Allowance for the period occupied in such journey, the difference between such double Permanent Travelling Allowance and the mileage allowance calculated for the journey.

- 54.** When an officer in receipt of Permanent Travelling Allowance travels on duty, with proper sanction, beyond his sphere of duty, he may exchange his Permanent Travelling Allowance for the mileage allowance for the entire journey including such part of it as is within his sphere of duty and may draw in addition Permanent Travelling Allowance for any day of his absence for which he does not draw mileage allowance. This rule does not apply to an officer who travels beyond his sphere of duty in the course of a journey from one place within that sphere to another such place, or to an officer who makes, by road alone, a journey not exceeding 32 kilometres.

Note.- All officers in receipt of Permanent Travelling Allowance will be allowed to exchange Permanent Travelling Allowance for regular Daily Allowance for days of halt at places outside the area of jurisdiction for the performance of official duty at such places under specific orders of competent authority subject to the normal rules for the drawal of Daily Allowance.

The above benefit will also be extended to officers who are in receipt of Permanent Travelling Allowance and who are deputed for training at an outstation beyond their area of jurisdiction.

The amendment in the first paragraph shall be deemed, to have come into force with effect from December 15, 1970 and that in the second para from January 15, 1971.

Government decision.

Deduction of proportionate Permanent Travelling Allowance for the day on which Permanent Travelling Allowance is exchanged for mileage allowance will be made in accordance with the formula specified below.

[G.O.(P) 370/67/Fin.,
dt. 18-8-1967]

If 'X' is the number of days of tour performed in a month (i.e., including the days for which Permanent Travelling Allowance is exchanged for mileage) and 'Y' the number of days on tour for which Permanent Travelling Allowance is exchanged for mileage, Permanent Travelling Allowance to be deducted will be $Y/X \times \text{PTA}$ admissible for the month for 'X' days of tour.

(Permanent Travelling Allowance admissible for 'X' days has to be calculated in accordance with the Decision No. 2 under Rule 6, Kerala Service Rules, Part II.)

SUB-SECTION (III) - OFFICERS NOT IN RECEIPT OF PERMANENT TRAVELLING ALLOWANCE

SUB DIVISION (I) - DAILY ALLOWANCE

- 55.** Except where otherwise expressly provided in these rules, an officer not in receipt of Permanent Travelling Allowance draws Travelling Allowance for journeys on tour in the shape of daily allowance.
- 56.** Daily allowance may not be drawn except during absence from headquarters on duty. A period of absence from headquarters begins when an officer actually leaves his headquarters and ends when he actually returns to the place in which his headquarters are situated whether he halts there or not.

Note.- If an officer of a vacation department combines tour with vacation i.e. proceeds on tour and avails of vacation without returning to his headquarters, he should be granted tour Travelling Allowance under these rules for the onward journey only.

Ruling

When two journeys are performed within a period of 24 hours, the period of absence from headquarters will be treated as one day irrespective of the fact that the journey was performed on two calendar days and the drawal of daily allowance will be regulated accordingly.

[G.O.(P) 405/65/Fin.,
dt. 18-10-1965]

57. Daily allowance may not be drawn for any day on which a Government servant does not reach a point outside a radius of eight kilometres from the duty point (i.e. the place or office of employment) at his headquarters or return to it from a similar point.

[G.O.(P) 16/65/Fin.,
dt. 6-1-1965]

Note 1.- The term 'radius of eight kilometres' means a distance of eight kilometres by the shortest route by which a person can reach his destination by the ordinary modes of travel.

Government Decision

In the case of an Officer having his headquarters at Ernakulam, no daily allowance is admissible for journey to Mattancherry/Fort Cochin and vice versa, as he does not reach a point outside the radius of 8 Kms. This takes effect from 16th March 1964.

[Circular Memo
92/64/EB4/Fin.,
dt. 24-10-1964 and
G.O.(P) 129/65/Fin.,
dt. 8-4-1965]

Note 2.- The Malabar Special Police and the District Armed Reserve Personnel stationed at Malappuram who have to halt for a period of ten days at Melmuri Rifle Range situated within eight kilometres from Malappuram in connection with the annual firing course there, shall be exempted from the operation of the above rule.

Note 3.- Civilian staff of N.C.C. Department attending N.C.C. Camps within a radius of eight kilometres from their headquarters shall be exempted from the operation of the above rule.

[G.O.(P) 248/80/Fin.,
dt. 17-4-1980]

This amendment shall be deemed to have come into force with effect from 1st April 1960.

58. Subject to the conditions laid down in Rules 59 and 60, daily allowance may be drawn during a halt on tour or on a holiday occurring during a tour.

Note 1.- An officer who takes casual leave while on tour is not entitled to draw daily allowance during such leave.

Note 2.- Daily allowance is not admissible for any day, whether Sunday or holiday, unless the officer is actually and not merely constructively in camp.

Note 3.- In the case of enforced halt occurring en route on tour journeys necessitated by break down of communication due to blockade of roads and railways on account of floods, rains, landslides and other acts of God or delayed journeys or cancellations of schedules of motor conveyances, trains or air crafts, such periods of halts shall be treated as duty and the Government servant granted daily allowance at three-fourths of the rate applicable to him at the station in which the enforced halt takes place for the entire period of enforced halt after excluding the first day of such halt for which no daily allowance shall be allowed. Government in the Administrative Department in respect of Heads of Departments and the Heads of Departments in the case of their subordinate officers will be the authority competent to declare the periods of enforced halts as duty.

[G.O.(P) 254/67/Fin.,
dt. 29-6-1967]

Note 4.- In respect of journeys involving an overnight halt at an intermediate station either due to non-availability of connecting service or due to the cancellation of connecting air service, half daily allowance will be allowed at the rate applicable to the intermediate station for each overnight halt (in addition to the allowance for incidental expenses admissible for air journeys) if the Indian Airlines Corporation does not provide at its expense any facility for boarding and lodging. Half Daily Allowance will also be given for similar enforced halts occurring between air and rail/road journeys on duty.

The above amendment shall be deemed to have come into force with effect from 24th December, 1970.

Note 5.- No daily allowance is admissible to a Government servant for the day on which he avails himself of a restricted holiday while on tour.

[G.O.(P) 254/67/Fin.,
dt. 29-6-1967]

59. A daily allowance may not be drawn for more than ten days of a halt at one place. But Heads of Departments in the case of their subordinates and the Government in the case of Heads of Departments, may grant exemption from the operation of this rule where they are satisfied :-

- (a) that prolonged halts are necessary in the interest of the public service, and
- (b) that such halts necessitate the maintenance of camp equipage, or where no camp equipage is maintained entail extra expense on the officer after the first ten days.

In such cases the daily allowance admissible will be -

- (a) full rate for the first ten days;
- (b) three-fourth rate for the next 20 days; and
- (c) half-rate thereafter.

But no allowance will be given for halts exceeding three months.

Note 1.- Officers deputed for training to Trivandrum, Ernakulam, Kozhikkode, and city outside the state of Kerala shall be paid daily allowance at full rate for the first 30 days and at $\frac{3}{4}$ of the rate for the next 60 days, in relaxation of the restriction imposed in the above rule.

[G.O.(P) 837/78/Fin.,
dt. 1-12-1978]

[G.O.(P) 1027/79/Fin.,
dt. 23-11-1979]

This Rule shall be deemed to have come into force with effect from 1st August, 1982.

[G.O.(P) 416/83/Fin.,
dt. 20-7-1983]

Explanation.—This note shall apply to the officers deputed for training to Delhi, Bombay and Calcutta with effect from the 1st December, 1978 and to those deputed for training to other cities outside the State with effect from 10th July 1979.

[G.O.(P) 588/80/Fin.,
dt. 11-9-1980]

Note 2.-- Periods of absence on leave (including casual leave) will be included in computing the limits prescribed in this rule.

Exception.—The Circle Commander, No. 11 Circle Cadet Corps, Trivandrum will be competent to sanction Daily Allowance under the above rule, to the civilian staff of the establishment of the National Cadet Corps deputed for duty to camps.

This exception shall be deemed to have come into force with effect from 20th October 1962.

Ruling No. 1

The sanction of competent authority for admitting daily allowance in excess of ten days would be necessary only when the number of full daily allowances drawn inclusive of the half daily allowance under Rule 63 exceeds ten; but the daily or half daily allowances, if any, admissible for the days of travel covered by Rule 60 (c) should be excluded in calculating the daily allowances.

Ruling No. 2

Daily allowance will be allowed for the first three months at the rates specified in this rule even in cases of halts on tour exceeding three months.

60. For the purposes of Rules 57 to 59

- (a) After a continuous halt of ten days' duration, the halting place shall be regarded as the officer's temporary headquarters.
- (b) A halt is continuous unless terminated by an absence on duty at a distance from the halting place exceeding eight kilometres for a period including not less than three nights.
- (c) In calculating the duration of a halt, any day on which the officer travels or halts at a distance from the halting place exceeding eight kilometres shall be excluded. On such a day the officer may draw daily allowance or exchange it for mileage allowance, if admissible.

Note.- If an officer proceeds on earned leave after a halt on duty at an outstation and on termination of the leave resumes duty directly at the same halting station and remains thereon halt for some more days, the absence on leave should not be treated as interruption of halt, but the whole period should be treated as one continuous spell of halt, leaving out the leave period from the calculation of daily allowance.

SUB DIVISION (II) – MILEAGE ALLOWANCE AND ACTUAL EXPENSES IN PLACE OF OR IN ADDITION TO DAILY ALLOWANCE

61. The Government may by general or special order and on such conditions as they think fit to impose, permit any officer, or class of officers to draw mileage allowance instead of daily allowance for the whole period of any absence from headquarters, if they consider that the nature of the officer's duty is such that daily allowance is not sufficient to cover his travelling expenses.

62. (a) Subject to any conditions which Government may by general or special order impose, an officer may exchange his daily allowance for mileage allowance on any day on which—

- (i) he travels by railway or steamer or plane or by any two of them or by all of them;
- (ii) he travels more than 32 kilometres by road, provided that, if a continuous journey extends over more than one day, the exchange must be made for all such days and not for a part only of them.

Note :- Short journeys within a radius of eight kilometres from headquarters may not be added to other journeys, when calculating the distance travelled by road or the amount of mileage allowance admissible for road journeys.

- (b) When a journey by road is combined with a journey by railway or steamer or plane under clause (i) of sub-rule (a) of this rule, mileage allowance may be drawn on account of such journey by road, but such mileage will be limited to the amount of daily allowance unless the journey by road exceeds thirty-two kilometres.

[G.O.(P) 16/65/Fin.,
dt. 6-1-1965]

Note.- If an officer halts at the outstation, and the place or places of duty visited be within the radius of 8 kilometres road mileage should always be from the Railway Station to the Chief Public Office, no matter where he proceeds first to the temporary residence or the place of duty.

Government decision

If an officer performs a direct journey by road between two places connected partly by road and partly by rail he will be entitled to T.A. at the following rates. Road mileage for the road portion upto the nearest railway station plus road mileage at the rates as provided in Rule 21, Part II, K.S.Rs for the portion connected by rail.

[G.O.(P) 115/76/Fin.,
dt. 10-4-1976]

Eg; If an officer travels from Neyyattinkara to Quilon directly by road, he will be entitled to the admissible road mileage for the distance from Neyyattinkara to Trivandrum which is connected by road only and from Trivandrum to Quilon which is connected by rail at the rates as provided in Rule 21, K.S.R., Part II.

- 63.** Daily allowance for halt on tour at an outstation will be calculated on the basis of the period of halt which will begin from the time the forward journey ends at the outstation and will end at the time the return or further journey commences. The rate of daily allowance will be calculated as follows :-

[G.O. (P) 83/68/Fin.,
dt. 23-2-1968]

- | | |
|--|---|
| 1. Halt upto six hours | Nil |
| 2. Halt exceeding six hours but not exceeding twelve hours | Half daily allowance |
| 3. Halt exceeding 12 hours but not exceeding twenty four hours | Full daily allowance |
| 4. Halt exceeding twenty four hours | One daily allowance for every 24 hours. For fraction of 24 hours at the end of halt, daily allowance will be calculated as indicated above. |

Note 1.- This concession is also admissible to officers who are entitled to daily allowance for halts on tour but whose journeys are regulated by Rules 103, 105 and 107.

Note.2.- Officers and men of Fire Force Department are exempted from the operation of the above rule. They will be eligible to draw full daily allowance whenever they make a journey to a place more than 8 km. from the fire stations in fire service vehicles in an emergency or to attend an ambulance call, irrespective of time limit or absence.

[G.O.(P) 266/73/Fin.,
dt. 10-7-1973]

Government decision.

- (i) The daily allowance admissible for halt at an outstation under this rule and the daily/mileage allowance admissible for the journey should be calculated separately, irrespective of whether the halt is preceded or followed by a journey which qualifies for daily or mileage allowance.
- (ii) Rule 62 (a) refers to travelling by a Government servant on any day for a total distance exceeding 32 kilometres. The number of journeys in a day or whether any one or more of the journeys exceed 32 kilometres or whether each or the several journeys is less than 32 kilometres is not material. If the total travelling in a day exceeds 32 kilometres, he can exchange daily allowance for mileage allowance. If he does not so exchange he gets only one daily allowance for that day to cover all the journeys.
- (iii) Daily allowance for halt under this rule is to be calculated after computing the total number of hours of halt at an outstation, irrespective of the total number of days of halt and whether or not the daily allowance is exchanged for mileage allowance.
- (iv) In a case whether the Government servant, while on tour returns on the same day, to the first halting station from another outstation. Daily allowance, if admissible for the journey, may be exchanged for mileage allowance, subject to the provisions of Rule 62 but in addition to this allowance, no daily allowance for halt under Rule 63 is admissible even if the halt at another outstation exceeds six hours.
- (v) If a Government servant halts at more than one station on the same day, daily allowance for halt may be calculated after computing the total hours spent on halt at all the outstations taken together. This proviso applies only if the halts at more than one station begin and terminate within the duration of 24 hours. If the duration of halt at the second station extends beyond 24 hours from the commencement of halt at the first outstation, daily allowance admissible for halt at the second station is to be reckoned separately.
- (vi) When a Government servant, on tour, visits various outstations on duty over a number of days, the total daily allowance admissible under this rule should not exceed the total daily allowance calculated on the basis of the total number of hours between the time of arrival at temporary residence duty point at the first outstation and the time of departure from the temporary residence/duty point at the last station of tour.

[G.O.(P) 186/89/Fin.,

Explanation.—For the purpose of determining the distance of two kilometres from headquarters, the duty point at the headquarters should be taken as the place or office where the Government servant normally remains on duty.

SECTION III – JOURNEYS ON TRANSFER

65. Travelling Allowance may not be drawn under this section by an officer on transfer from one station to another unless he is transferred for the public convenience and is entitled to pay during the period occupied by the journey. A transfer at his own request should not be treated as a transfer for the public convenience unless the authority sanctioning the transfer, for special reasons which should be recorded, otherwise direct.

Note 1.- An officer appointed to a post under Government as a result of selection by the Public Service Commission should be granted T. A. as on transfer for joining the post if he already holds a substantive appointment under Government, the Government of India or any other State Government.

Note 2.- The Travelling Allowance of officers for journeys on temporary transfers and relieving duties of not more than two months' duration will, however, be limited to the allowances that would have been admissible if such journeys were journeys on tour. Daily allowance as for halt on tour will also be allowed for halts, at the new temporary headquarters in such cases. When, however, the period of transfer is subsequently prolonged to more than two months, the officer concerned will be allowed to draw the Travelling Allowance otherwise admissible for journeys on transfer, deducting that had been drawn already. Where, however, the amount already drawn is larger than what is admissible for journeys on transfer, no refund need be made.

[G.O.(P) 271/64/Fin.,
dt. 14-5-1964]

“Temporary transfer” means a transfer to duty in another station which is expressed to be for a period not exceeding two months.

Government decision No.1

A transfer which is not specifically stated to be temporary will be treated as permanent. All transferring authorities in cases of temporary transfers of relieving duties should specify in the order of transfer, the nature of the transfer.

[G.O.(Ms.)484/61/Fin.,
dt. 29-11-1961]

Government decision No. 2

In the case of temporary transfers all transferring authorities should specify in the order itself that the transfer, is temporary not exceeding two months.

[G.O. (Ms.) 272/64/Fin.,
dt. 14-5-1964]

Note 3.- In cases where husband and wife are both State Government employees and one of them is transferred at the same time or within six months of transfer of the other, from one and the same old station to one and the same new station, transfer T.A. will not be admissible to both of them as independent Government servants. Either of them will be allowed to claim transfer T.A. the other being treated as a member of his/her family not in the State Government's employment on furnishing the following certificate. :-

'Certified that my wife/husband who is employed under the State Government and who has been transferred from..... to within six months of my transfer has not already claimed any transfer T.A. consequent on her/his transfer.'

66. An Officer may draw mileage allowance for journey on transfer.
67. (a) Unless in any case it be otherwise expressly provided in these rules, an officer is entitled for a journey on transfer to the following:-

I. FOR JOURNEYS BY RAIL OR STEAMER

- *(i) If the journey is by rail he may draw mileage allowance at twice the rate applicable to him under sub-rule (a) of Rule 20 and if the journey is by steamer three fares of the class of accommodation to which he is entitled, the fares being limited to the lowest rate of such class of accommodation. If the journey is actually performed by first class by a First Grade or Second Grade Officer and the necessary certificate to this effect is produced, the officer may claim a single railway fare and three times the incidental expenses admissible to him under sub-rule (b) of Rule 20.
- *(ii) He may draw additional mileage allowance at the rate applicable to him under Rule 20 or Rule 44 as the case may be, if two adult members of his family accompany him, and at twice that rate if more than two members accompany him. If the journey is actually performed by first class by members of the family accompanying a First Grade or Second Grade Officer, he may draw an extra fare for each adult member of his family for whom full fare is actually paid and one half fare for each child for whom such fare is actually paid.
- (iii) He may draw the actual cost of carriage by goods train, steamer or other craft, of personal effects upto the following maxima :-
- | | |
|---|----------------|
| (a) Officers whose actual pay is
**Rs.3000 and above and
officers belonging to the All
India Services. | 2240 Kilograms |
| (b) Officers whose actual pay is
**Rs. 2500 and above but
below **Rs. 3000 | 1120 Kilograms |
| (c) All other officers | 560 Kilograms |

**[G.O.(P) 202/06/Fin.
dt. 5/5/2006

** effective from 1st September, 1995

In addition to the above concession, loading and unloading charges of personal effects to officers transferred in public interests will be allowed as specified below :-

- (1) *Officers of the First Category.*— Actual charges for packing and loading of personal effects at one end and for unloading and unpacking at other end subject to a maximum of Rs. *100 at each end.
- (2) *Officers of the Second Category.*—Actual charges for the above purpose subject to a maximum of *Rs.50 at each end.
- (3) *Others.*—Actual charges for the above purpose subject to a maximum of *Rs.30 at each end.

[G.O.(P) 391/02/Fin.,
dt. 19-6-2002]

Note 1.- In the case of journeys on transfer performed by First or Second Grade Officers by Mail/Express Train and actual First class fares for travel by such trains are claimed, a certificate to the effect that the journey was performed by First class by Mail/Express Train should be recorded by the claimant on the Travelling Allowance bill.

[G.O.(P) 186/89/Fin.,
dt. 29-3- 1989]

Note 2.- If an officer carries his personal effects by passenger instead of by goods train he may draw the actual cost of carriage upto a limit of the amount which would have been admissible had he taken the maximum number of kilograms by goods train.

Note 3.- An officer who carries his personal effects by road between places connected by rail may draw actual charges upto the limit of the amount which would have been admissible had he taken the same quantity by goods train. Loading and unloading charges as well as packing and unpacking charges will be allowed in such cases also. In cases where the actual expenses claimed exceed the limit mentioned above, the controlling authority may, for valid reasons, allow such claims subject to the limit of the amount which would have been admissible, if the maximum number of kilograms had been transported by goods train.

Note 4.- The claim for transport of personal effects between places connected partly by road and partly by rail shall be regulated as follows:-

(1) For the rail portion.- As in Rule 67 (a) I (iii) and Note 2 or 3 of Rule 67 (a) I (iii)

(2) For the road portion.- As in Rule 67 (a) II (iii).

[G.O.(P) 311/66/Fin.,
dt. 13-7-1966]

Ruling

Places where a railway station is situated within eight kilometres from the central point of the respective localities, will be treated as places connected wholly by rail, for purposes of calculation of charges for transport of personal effects on transfer.

Note 5.- Subject to the prescribed maximum number of kilograms an officer may draw the actual cost of transporting personal effects to his new station from a place other than his old station (e.g., from a place where they are purchased en-route or have been left on the occasion of a previous transfer) or from his old station to a place other than his new station, provided that the total amount drawn including the cost of transporting these personal effects shall not exceed that admissible had the maximum admissible number of kilograms been transported by goods train from the old to the new station direct.

(iv) Provided that –

- (1) the distance travelled exceeds 150 kilometres;
- (2) the officer is travelling to join a post in which the possession of a conveyance is advantageous from the point of view of his efficiency, or is travelling after being relieved from a post in which the possession of a conveyance was advantageous from the point of view of his efficiency; and
- (3) Conveyances are actually carried by rail, steamer or other craft;

he may draw the actual cost of transporting at owner's risk conveyances, on the following scales:-

I Grade Officers

A motor car.

II Grade Officers in receipt of actual pay of *Rs.3000 and above A motor car or a motor cycle.

II Grade Officers whose actual pay is below *Rs.3000 A motor cycle.

III Grade Officers An ordinary cycle

*Effective from 1st September 1995

*G.O.(P) No.391/02/Fin.
dt. 19/6/2002

Note 1.- In the case of the motor car, the cost of transporting a chauffeur or cleaner may also be drawn.

Ruling

When the officer transports his motor car by rail he may draw one railway fare for III class accommodation in respect of the chauffeur or cleaner, provided he certifies that the chauffeur or cleaner actually travelled by rail on the section for which the transportation charges of motor car by rail are claimed.

[G.O. (P) 35/64/Fin.,
dt. 20-1-1964]

Note 2.- When an officer transports his motor car or motor cycle by road under its own power between stations connected by rail or steamer or partly by rail and partly by steamer he may draw an allowance of *14 paise per kilometre in respect of the motor car and *7 paise per kilometre in respect of the motor cycle, the distance to be reckoned for the purpose of the concession being limited to the distance between the stations by rail or steamer or both combined, as the case may be. If the officer himself travels by car or motor cycle he may draw the fares admissible under clause (a)1 (i). For any member of his family who travels by the car or motor cycle, the officer may draw the extra fare or half fare which should have been admissible under clause (a) I (ii) if the member had travelled by rail or steamer.

*Effective from 1st September 1985.

[G.O.(P) 186/89/Fin.,
dt. 29-3-1989]

Ruling

When the motor car is transported by road under its own power, no railway fare for chauffeur or cleaner is admissible. The allowance of 14 paise per kilometre for the motor car transferred under its own power includes the travelling expenses of the cleaner or chauffeur travelling in the car.

[G.O.(P) 35/64/Fin.,
dt. 20-1-1964]

II. FOR JOURNEYS BY ROAD

(i) He may draw mileage allowance at twice the rate applicable to him under Rule 31 and Rule 44 or any rate applicable to him, which has been fixed under Rule 32, as the case may be.

(ii) He may draw additional mileage allowance at the rate applicable to him under Rule 31 or Rule 44 or any rates applicable to him, which has been fixed under Rule 32, as the case may be, if two members of his family accompany him, and at twice that rate if more than two members accompany him.

Note.- Officers of the First Grade on transfer from one station to another shall be entitled to the higher rate of mileage for all journeys irrespective of the distance travelled per day or the nature of the conveyance used, except in the case of journeys on temporary transfers and relieving duties of not more than two months' duration.

[G.O.(P) 186/89/Fin.,
dt. 29-3-1989]

Government Decision

Children below five years can be counted as members of a family for the purpose of claiming road mileage under the rule referred to above.

[G.O.(Ms) 817/64/Fin.,
dt. 21-12-1964]

- (iii) For the transportation of personal effects within the limits prescribed in sub-clause I (iii) of this clause he may draw the actual cost of transport limited to the mileage allowance at thrice the rate applicable to him.*

*[G.O.(P) 311/66/Fin.,
dt. 13-7-1966]

- (b) The following explanations are given for the terms employed in clause (a) of this rule:-

- (i) The term 'personal effect' is not subject to definition, but the controlling officer must satisfy himself that a claim to reimbursement on account of transportation is reasonable.

- (ii) The term 'motor cycle' includes a side car.

- (iii) A member of an officer's family who follows him within six months from the date of his transfer or precedes him by not more than one month may be treated as accompanying him. If such member travels to the new station from a place other than the officer's old station the officer may draw the actual fare for the journey made by such member by rail or steamer plus the road mileage, if any, at the rate and subject to the conditions prescribed in clause (a) II (i), for the actual distance of the road journey performed by such member, provided that their sum shall not exceed the total mileage allowance that would have been admissible had such member proceeded from the old to the new station. For the purposes of this rule, the grade of an officer should be determined with reference to the facts on the date of his transfer while the number of fares admissible should be determined with reference to the facts on the date of the journey in respect of which the allowance is claimed.

Ruling No. 1

In case an officer's family performs the journey to the new station from a place other than the old station by a lower class of accommodation than the class of entitlement (in the case of journeys by rail or steamer), the mileage that would have been admissible had the member proceeded from the old station to the new station would be reckoned on the basis of the class by which the journey was actually undertaken.

[G.O.(P) 290/66/Fin.,
dt. 1-7-1966]

Ruling No. 2

If the members of his family have joined the Government servant at the new station, within six months after the date of his transfer, they will be eligible for Travelling Allowance for their journey from the old station to the new station though they may later on decide to proceed to some other station.

- (c) An officer who claims higher Travelling Allowance on the ground that members of his family accompanied him on transfer must support his claim by a certificate showing the number and relationship of the said members.

(d) An officer claiming the cost of transporting personal effects must support his claim by a certificate that the actual expense incurred was not less than the sum claimed and that only goods belonging to him and his family were carried. All vouchers claiming transporting charges of personal effects by road should invariably mention the number of the lorry or other conveyance by which, and the number of the house from and to which the personal effects were transported. The officer should also state in the certificate the weight of the personal effects actually carried and the amount actually paid for their transport separately by rail, road, steamer or other craft and the controlling officer should record a certificate that he has scrutinised the details and satisfied himself that the claim is reasonable. The payees' receipt for the charges paid for the transport of personal effects should be attached to the bills.

[G.O.(P) 279/67/Fin.,
dt. 15-7-1967]

(e) An officer claiming the cost of transporting a conveyance by rail or steamer must support his claim by railway or steamer receipt. He should also produce a certificate that the conveyance belonged to him. The receipt shall be attached to the bill.

[G.O.(P) 279/67/Fin.,
dt. 15-7-1967]

(f) 'Family' for the purpose of these rules includes the officer's wife, children and step-children residing with and wholly dependent on him. Not more than one wife is included in a family for the purpose of these rules. In the case of a female officer the 'family' will include the 'husband' also provided he is residing with and wholly dependent on her (the female officer).

Note 1.- Charges for the transport of personal effects of an officer on transfer may be admitted in audit, if they do not for good and sufficient reasons accompany him but are carried within a reasonable time before or after the date of his journey on transfer.

Note 2.- The expression 'date of his transfer' occurring in the first sentence of Rule 67 (b) (iii) means the date on which the officer takes over charge at the new station in case his family follows him or the date on which he hands over charge at the old station in case his family precedes him.

Note 3.- Claims preferred under this rule for the carriage of personal effects should be admitted in all cases at the lowest available rates for "smalls,"

"Smalls" are defined as goods which of themselves do not constitute a working load for the unit of railway transport, the wagon. The minimum load constituting a wagon load is specified, by each of the railways who quotes reduced rates for wagon loads, in its tariffs.

Note 4.- In cases where an officer is transferred from Station A to Station B and again transferred within a reasonably short time to Station C he may be allowed to recover the cost of carriage of personal effects from Station A to Station C subject to the conditions—

(1) that the total weight carried from Station B to Station C and from Station A to Station C does not exceed the maximum limit prescribed in the rule, and

(2) that the total cost of transporting the effects from Station A to Station B, from Station B to Station C and from Station A to Station C does not exceed the amount admissible from Station A to Station B plus that admissible from Station B to Station C.

Note 5.- When an officer transports more than the maximum quantity admissible by a cheaper route, he can draw actual charges not exceeding the amount admissible for the maximum quantity by the normal recognised route.

Note 6.- A motor car may be treated as a part of personal effects in cases where an officer is not entitled to its free transport in addition to personal effects.

- 68.** An officer transferred from one post to another who under the orders of competent authority is permitted to hand over charge of his old post or to take over charge of the new post at a place other than the headquarters is entitled to -
- (i) Travelling Allowance as on tour from his old headquarters to the place of handing over charge and from the place of taking over charge to the new headquarters.
- (ii) all concessions admissible under sub-rule (a) of rule 67 for journey from the old to the new headquarters minus what will be admissible to the Officer, for journey as on tour from the old to the new headquarters.
- 69.** An officer whose headquarters are changed while he is on tour, and who proceeds to his headquarters without returning to his old, is entitled to—
- (i) Travelling Allowance as on tour for his journey upto the new headquarters;
- (ii)*all concessions admissible under sub-rule (a) of rule 67 from the old to the new headquarters minus what will be admissible to the Officer for a journey as on tour from the old to the new headquarters.
- 70.** If the family of an officer, in consequence of his transfer, travels to a station other than the new headquarters; Travelling Allowance for the journey of the family may be drawn subject to the conditions that it does not exceed the Travelling Allowance that would have been admissible if the family had proceeded to the new headquarters station.
- 71.** An officer appointed to a new post while in transit from one post to another is entitled to draw Travelling Allowance under this section for so much of the journey on transfer as he had accomplished when he receives the fresh orders and for the journey from the place at which he receives such orders to his new station.
- 72.** An officer, who goes on leave not exceeding four months after he has given over charge of his old post and before he has taken charge of his new post, is entitled, whether the order of transfer is received before or after the commencement of his leave, to Travelling Allowance under this section as for a journey from his old to his new post.
- 72A.** When a Government servant whose case is not covered by Rule 72 is posted to a station other than that at which he was stationed before he went on leave, the controlling officer may permit him to recover the Travelling Allowance under sub-rules I (iii) and (iv) or II (iii), as the case may be, of Rule 67 (a) as for a journey from his old to the new station.
- 73.** When an officer of the Government is transferred to the administrative control of another Government which has made rules prescribing amounts and conditions of Travelling Allowances, his Travelling Allowances for the journey to join his post under that Government and for the return journey will be governed by the rules of that Government regulating Travelling Allowances on transfer.

dt. 12-6-1984]

Note.— The controlling officer for the purpose of Travelling Allowance for the journey of an officer to join his post under a borrowing Government as well as for the return journey will be the controlling officer in regard to his post under that Government.

SECTION IV—JOURNEY TO JOIN NEW APPOINTMENT

- 74.** Except as otherwise provided in these rules Travelling Allowance is not admissible to any person for the journey to join his first appointment in Government service.
- 75.** When a pensioner, or an officer who has been thrown out of employment owing to a reduction of establishment or the abolition of his post, is reappointed to Government service, the Government may permit him to draw Travelling Allowance. Travelling Allowance under this rule should be calculated as for a journey on tour, but no allowance may be drawn for halts on the journeys.
- 76.** When mileage allowance is drawn under Rule 75 the rate admissible is that of the grade to which the officer will belong after joining his post.

SECTION V—JOURNEY TO ATTEND AN EXAMINATION

- 77.** An officer is entitled to draw Travelling Allowance for the journey to and from the place at which he appears for an obligatory departmental examination, provided that Travelling Allowance shall not be drawn under this rule more than twice for any particular examination.

Note 1.- If a Government servant actually performs the journey to the place of examination, but is not able to appear for the examination because of its cancellation at the last moment Travelling Allowance may be sanctioned to him by the Government/the Head of Department concerned after due verification of the facts. This concession will be admissible only if the intimation regarding the cancellation did not reach the Government servant before the commencement of the journey and the journey did not commence too early, i.e. the date of its commencement was not in advance of the schedule date of the examination by more than the minimum number of days required for performing the journey.

[G.O.(P) 21/67/Fin.,
dt. 18-1-1967]

Note 2.- If the place where the Government servant works is a centre for the departmental examinations, he shall not be eligible for Travelling Allowance for appearing for the examinations at another centre under this rule, except in case where he has to appear for the examination at that centre owing to reasons beyond his control.

[G.O.(P) 80/76/Fin.,
dt. 10-3-1976]

- 78.** The Government may permit an officer to draw Travelling Allowance for the journey to and from the place at which he appears for an examination other than those specified in Rule 77.

If the period by which the leave is curtailed is less than a month, mileage allowance may be allowed at the discretion of the authority recalling the officer.
- (b) If the officer recalled to duty is entitled to Travelling Allowance under Rule 72 he may not draw mileage allowance under clause (a) unless he abandons his claims to the mileage allowance specified in Rule 66, Rule 67 (a) I (i) and Rule 67 (a) II (i).
- 83.** If a nongazetted officer, on compulsory recall from leave exceeding four months, is posted to a station other than that from which he went on leave, he may, if his new station is distant more than 80 kilometres from his old station, draw in addition to the allowance admissible under sub-rules I (ii) and (iv) and II (iii) of Rule 67 (a) Travelling Allowance for his family under Rule 67 for the journey from the place at which the order of recall reaches him to the new station; provided that the amount so drawn shall not exceed the amount admissible under Rule 67 for the journey from the old to new station.

SECTION VII—JOURNEY FOR JOINING FIRST APPOINTMENT

The Travelling Allowance in such cases will be regulated by the Travelling Allowance Rules applicable to the official summoned. The charges will, in the first instance, be borne by the Government under whom he is employed and will be passed on after audit for payment to the requisitioning Government.

- (c) A person formerly in the service of the Government summoned to give evidence under the circumstances mentioned in clause (a) above shall be entitled to receive Travelling Allowance (as for journeys on tour) at the rate admissible to the person, when last in the service of the Government or if he is at the time employed under a fund administered by the Government at the rates admissible for the appointment under the fund. He will be paid batta and Travelling Allowance by the court which summoned him as witness from the allotment under 'Witness batta' according to the rule of the court, but if he is entitled under this clause to more than what is allowed by the court, the difference will be paid by the department in which the officer was last serving. Bills for such claim should be supported by certificate similar to that referred to in clause (a) (i) above and showing the amount of the allowances paid by the court.

Note 1.- An officer summoned to give evidence while on leave is entitled to Travelling Allowance under this rule from and to the place from which he is summoned as if he were on duty.

Note 2.- The T.A. claims of officers summoned by Civil Courts in any other State will be settled in accordance with the reciprocal arrangements entered into between this State and such other State.

If the Government servant is his own controlling officer, the certificate will be signed by him as such. The expenditure on account of T.A. and D.A. paid by the summoning authority will be borne by the Government within the territory of which that authority is situated.

The reduction made must include the full number of fares covered by the pass, unless the officer certifies that he did not use the pass in respect of any fare or fares for which no reduction is made.
- 101.** When an officer in receipt of permanent Travelling Allowance uses a free pass on a railway within his sphere of duty, he must deduct from his Permanent Travelling Allowance for the month the amount of the railway fares which he would have paid if he had not travelled on a pass.
- 102.** When an officer is permitted to travel by railway in a higher class on payment of a lower fare, his mileage allowance must be reduced by the amount by which the fare of the class in which he travels exceeds the fare actually paid.

- 105.** When an officer is allowed free transit by air in a Government machine or in a machine chartered by Government for the purpose, he is entitled subject to the provisions of Rule 110* to Travelling Allowance as follows:-
- (a) If he has not to provide separate conveyance at his own expense for his servants or luggage, he may draw the daily allowance of his grade and may not exchange it for mileage allowance. If, however, part of the journey is made by other means of locomotion, he may at his option draw in lieu of daily allowance the mileage allowance admissible for that part.

 - (b) to scrutinise carefully the distances entered in Travelling Allowance bills;
 - (c) to satisfy himself that mileage allowance for journeys by railway or steamer, excluding additional fare or fares allowed for incidental expenses, has been claimed at the rate applicable to the class of accommodation actually used and that where the actual cost of transporting servants, personal effects, etc., is claimed under these rules the scale on which such servants, effects, etc., were transported was reasonable; and to disallow any claim which, in his opinion, does not fulfil that condition;
 - (d) to check any tendency to abuse the option of exchanging daily allowance for mileage allowance;
 - (e) to observe any subsidiary rules or orders which a competent authority may make for his guidance; and

- (f) to satisfy himself before permitting a claim under Rule 23 that the officer actually bought a through ticket at the rate claimed and that it was not possible for him to get a through ticket at a cheaper rate by paying only for the appropriate class of accommodation over that portion of the journey where accommodation of that class was available.

PART I

Charge of Office

2. The condition imposed by this rule that both the relieving and the relieved officers must be present is not enforced in the case of officers who are permitted to combine vacation or gazetted holidays with leave.
 - (a) When they are prefixed to leave the outgoing officer will report, before leaving headquarters, or if for urgent reasons the leave is granted during vacation, or holidays, as soon as it is granted that he makes over charge with effect from the end of the vacation or holidays. The relieving officer will then take over charge at the end of the vacation or holidays in the ordinary way.
 - (b) When they are affixed to leave the officer to be relieved will make over charge in the ordinary way before the vacation or holidays, the incoming officer on return at the end of the vacation or holidays, taking over charge with effect from the beginning of the vacation or holidays.
3. The headquarters of any other officer is either the station which has been declared to be his headquarters by the authority which appoints him, or, in the absence of such declaration, the station where the records of his office are kept.

PART II

Leaving Jurisdiction

1. No officer (other than a Police Officer acting within his legal powers) is entitled to pay or allowances for any time he may spend beyond the limits of his charge without proper authority.
2. Heads of Departments and Heads of Offices may authorise any officer or subordinate under their control to proceed on duty beyond the limits of his charge but within their own jurisdiction.
3. The sanction of Government is required for any officer proceeding beyond the limits of the State.

APPENDIX IV
RULES REGULATING GRANT OF SPECIAL PAY
AND COMPENSATORY ALLOWANCES

[Referred to in Rule 12 (31) and Rule 44 of Part I]

In the service rules provision is made for grant of special pay [Rule 12 (31), Part I] and compensatory allowances (Rule 44, Part I).

| Class | VI | Miscellaneous (compensatory allowance) |
|-------|----|--|

Class 1.—Special pay in this class are assigned to posts to which special responsibility is attached or which involve work of a specially difficult and arduous nature. No special pay of this class will be granted unless the particular duties for which an allowance is claimed so far differ, in kind or in intensity, from those for the performance of which the service in question was recruited, as to justify a special remuneration.

Class II.—The cardinal rule which the Government have adopted is that every officer to whom a variety of duties is assigned or to whose post a number of duties is attached should carry out those duties without extra remuneration unless they involve more than a reasonable days work. In this respect Government are merely giving effect to Rule 14, Part I.

If the volume of work assigned to an officer is more than a full day's work the most suitable course is either to increase the staff, should the amount of work, justify a fresh whole time appointment, or to redistribute the work among the members of the sanctioned staff. Special pay in this class will be granted only when neither of these alternatives is possible.

The grant of a special pay under this class will be restricted to cases which strictly satisfy the following test :--

If the duties are of a kind outside the normal duties of the service, is in addition to the normal work of the service, which the performance of these duties involve really so material as to justify the grant of a separate remuneration in order to secure the contented discharge of those duties by the staff.

Note.- The allowance sanctioned to the Typists and Stenographers with higher qualification in Typewriting and Shorthand, as the case may be, shall however be treated as 'Special pay' falling under this class.

[APPENDIX VI (Omitted) vide G.O (P) 65/2007/Fin dated 19/02/2007]

APPENDIX VII**RULES RELATING TO CASUAL LEAVE**

(Referred to in Rule 111 of Part I)

1. Casual leave is not provided for in the rules as it is not recognised as leave. Technically therefore an officer on casual leave is not treated as absent from duty and his pay and allowances are not intermitted. The grant of such leave need not be reported to the Audit Officer, nor is it necessary for the officer to submit charge certificates when he proceeds on or returns from casual leave.

2. (i) No officer may in any case be absent on casual leave for more than twenty days in the course of one calendar year. But the members of the teaching staff of educational institutions shall be eligible for casual leave only for fifteen days in a calendar year.

[G.O.(P) 648/78/Fin.,
dt. 24-8-1978]

- (ii) All officers including teaching staff of educational institutions may be allowed to combine casual leave with Sundays and other authorised holidays provided that the resulting period of absence from duty shall not exceed fifteen days at a stretch. The fact that a maximum has been fixed for the amount of casual leave which may be taken within a year, does not mean that an officer is entitled to take the full amount of casual leave as a matter of course.

*[G.O.(P) 648/78/Fin.,
dt. 24-8-1978]

Exception:- The maximum period of absence combining casual leave with Sundays and other authorised holidays will be twenty days at a stretch for the State Government employees working in New Delhi.

[G.O.(P) 51/89/Fin.,
dt. 30-1-1989]

- (iii) All officers including those who have put in less than a year's service will be allowed casual leave at the rate of 20 days during a year without taking into account the length of service put in by them subject to the discretion of the sanctioning authority :

Provided that the teaching staff of educational institutions may be granted casual leave for fifteen days only during a year.

[G.O.(P) 622/79/Fin.,
dt. 19-7-1979]

The amendment shall be deemed to have come into force with effect from 1st January 1970.

[G.O.(P) 844/70/Fin.,
dt. 5-12-1970]

3. An officer requiring casual leave should take the orders of the head of his office for such absence. When the head of an office requires casual leave, he may take the leave and report the fact to his immediate superior authority. Heads of Departments should intimate their intention of taking casual leave to Government in the department concerned. In cases in which the casual leave is intended to be spent outside the jurisdiction of the officer, the previous sanction of the competent authority should be obtained.
4. A register of casual leave taken should be maintained in every office.

5. (i) An officer may be allowed casual leave for half a day at his request, provided that casual leave for half a day shall not be granted to the staff of the department of Museums and Zoos who work in shifts.
- (ii) Casual leave for half a day at a time may be granted to the technical staff of Government presses who have to work in the first shift that is from 8 a.m. to 4.30 p.m. with a noon interval of one hour between 1 p.m. and 2 p.m.. In respect of the second shift half day casual leave may be allowed only for the second half of the shift that is from 9 to 11.30 p.m. [G.O.(P) 505/77/Fin., dt. 7-12-1977]
6. Casual leave cannot ordinarily be taken in combination with any leave recognised by the rules, with joining time or with vacation. Heads of Departments may, however, sanction such combination in special cases, provided there is no evasion of rules, for instance, when an officer obliged to be absent owing to the prevalence of infectious disease in his residence and placed on special casual leave, himself contracts the illness and has to be granted regular leave in continuation. [G.O.(P) 863/78/Fin., dt. 18-12-1978]
7. Casual leave, not being recognised as leave, cannot be retrospectively commuted into any other kind of leave, but when an officer who proceeded on casual leave under the ordinary circumstances takes some other kind of leave in continuation, such leave will be held to have commenced from the date on which he proceeded on casual leave.
8. Deleted

SECTION II — SPECIAL CASUAL LEAVE

If, however, a substitute is necessary, ordinary leave debitable to the leave account of the officer should be granted. The grant of special casual leave involving the appointment of substitute in all other cases requires the sanction of Government; which will be accorded only when the absence is for less than 30 days and the subordinate concerned draws a pay of less than Rs.5500** per mensem, and has no ordinary leave to his credit.
