

GIFTS THAT GIVE HOPE

- We are a nonprofit community organization that is 100% volunteer-driven. We feature charitable gift giving opportunities from 50+ nonprofit organizations that address issues such as food insecurity, poverty, improving access to affordable housing, promotion of early literacy, fighting human trafficking, providing music lessons to children of incarcerated parents and much more. Each year, the Gift Fair draws thousands of people from our community and beyond for a joyful celebration of meaningful gift-giving at the holidays. Since 2008, we have raised over \$700,000 for nonprofits and social causes both locally and globally. Your annual support provides the opportunity for us to expand our reach & impact by promoting year round giving. In 2023, thanks to the support of generous contributions and business sponsors, we were able to make long anticipated updates to our website to offer broader opportunities for more nonprofits to benefit from year round charitable giving (Shop by category, geographic location, and year-with more years to be added!! - Your ongoing support allows us to make necessary updates & maintenance of websites, social media, marketing/promotions and more. To complement the charitable gift giving arm of our mission, our marketplace offers fair trade and sustainable goods—directly from social enterprise companies, business for good, fair trade and ethically sourced businesses to make a positive impact in the world.
