

MOONAH MARKETING - MESSAGING PRIVACY POLICY

Last Modified: 19 July 2024

This Messaging Privacy Policy, together with Moonah Marketing Privacy Policy, describes how Moonah Marketing (“Moonah”, “we”, “us” or “our”) handles personal information that we collect through our websites, applications and other services.

Moonah Marketing provides services that businesses use to deliver messages such as inbox, or short message service (“SMS”) messages to their own customers. This Messaging Privacy Policy does not apply to personal information that we process on behalf of our business customers to provide our services. For example, if you receive SMS messages from a Moonah Marketing customer, this Messaging Privacy Policy does not apply to you, and you should contact the relevant Moonah Marketing customer with any questions or concerns about the information it has engaged us to handle.

Privacy Policy. For more information on personal information we collect, please see our Privacy Policy.

Cookies. Some of our automatic data collection is facilitated by cookies and similar technologies. For more information, see our Cookie Policy.

Get permission. When you subscribe, purchase, or use our messaging feature, your clients will have the ability to send and receive messages from a source they are assigned; and these messages can be accessed, monitored and analysed by you and third party affiliates, for the purpose of improving the service provided. As such, before using this service, you will need to obtain appropriate consent and/or authorization.

Further information

We will amend this document when we make any changes that require updates due to legislation changes, service updates, or other factors. We will date this document with notice of the most recent update. We also encourage users to periodically review this policy.

If you’d like to learn more or have any questions regarding cookies or other tracking technologies operated by us then please contact us at admin@moonahmarketing.au

END.
