

# PHOTO CONSENT FORM

## Royalty Learning Center

Dear Parent/Guardian,

On occasion, Royalty Learning Center LLC staff will take photographs of enrolled children. These photos are primarily used for center purposes: to display in the center to show parents what the children have been involved in or to create keepsakes for the staff, children, and parents of their experiences. Occasionally, we also find the need to use a photo for marketing purposes: RLC newsletter, RLC website, brochures, RLC social media and local newspaper advertising.

We can only use your child's photo if we have permission from you. Please indicate below if you do or do not authorize the use of photos of your child for purposes other than center-based needs.

**Please be advised - Children's names will not be used without prior written parent consent.**

**Please provide your initial on the lines you wish to authorize below.**
