

SUMMER & HOLIDAY CAMPS

Every summer, Self Preparatory Academy introduces an exciting adventure based on current trends while implementing STEM activities to sharpen campers' academic skills and be ready for the upcoming school year.

When school is out, it is 'in' to join the fun. Each school break and summer camp offers a specialized, uniquely designed curriculum that encompasses STEM learning and literacy.

Program Features:

- Flexible Scheduling
- All inclusive - No hidden costs!
- Only pay for the Days and weeks your children attend
- Weekly Themes
- Ages 5-12
