RE: HOME OWNERS INSURANCE CLASSIFICATION

Dear Mr. Kinne,

As a result of your recent installation and successful testing of your new hydrant system homeowners in Sun Country should be eligible for a reduction in their homeowner's insurance premium.

The size of the water main, pumps, and hydrant spacing changes your community's classification rating to a Class 7. Fire Station 73 at 21 Chepoda Road (Exit 78) is well within the five-mile road travel from a fire station.

Should you have any questions, please call me at 509-674-5371.

Sincerely,
