CORE COMPETENCIES:

We provide unique transportation services, creating efficiencies and confidence that you can rely on. No job too big or small. We also specialize in the expediting process of time/material sensitive freight, LTL or truckload on a national basis.

DIFFERENTIATORS:

Our main point of difference is our ability to adjust to rapidly changing market conditions and industry related security issues as we serve our client base. We only provide Security Vetted Carriers and require real-time GPS Tracking on all shipments, from dock-to-dock, 100% of the time.

FREIGHT BOOK IT LLC:

We are obsessed with providing an extremely high level of customer service and are on-call 24/7.
