HELLO INTERIOR DESIGNERS!

We hope this message finds you well. We are Protech Communications, we specialize in providing top-tier audio, video, and smart home automation services tailored to enhance modern custom-built homes. We would love to explore how our services could complement your builds and elevate the experience for your clients. Our team works closely with custom homebuilders to design and install smart home solutions that blend effortlessly with each unique architectural vision.

With custom services such as:

- **CUSTOM LIGHTING CONTROLS** - That can be customized with options such as: (Material, Color, Style, Finishes, and Being Engraved)
- **LIGHTING FIXTURES** - Sync with Nature, Designed to work with a location-aware system, so it can shift its color temperature and intensity to mimic changes in light throughout the day. (Choose the lighting with 1,800K to 5,500K tunable downlighting and tape lighting)
- **CUSTOM AUTOMATED SHADES, DRAPERY AND BLINDS** - That can be customized with plenty of options for Roller Shades, Honeycomb Shades, Horizontal Sheer Blinds, Wood Blinds and Drapery Tracks such as: (Material, Finishes, Hardware, Fabrics and Patterns)
- **SEAMLESS AUDIO/VIDEO** - The ability to have invisible speakers hidden behind the wall, Custom frames to accompany Art Tv's that can display art when not in use, Simple to use Tv wall mounts with the option to store devices in a in-wall box to hide cables and devices or the option for a tech rack in a designated I.T closet, And products such as in-ceiling speakers and subwoofers with paintable grills to match the rest of the room.
- **SMART HOME INTEGRATION** - That compiles the above services to be controlled with the rest of the smart home devices with products such as: (Whole Home Remote, Touchscreens, App, and Voice Control)

And more!

With over 30 years of experience and knowledge, We would like to say thank you for your time and consideration, and look forward to the possibility of collaborating with you.
