Sounds good, let's confirm that!

Our office is in the Anderson House Office Building at 124 N Capitol Ave in Lansing. You can usually find metered street parking on Capitol, or park at the North Capitol Parking Ramp at 300 N Capitol Ave.

You should enter the building on the south side off Capitol, across from the Capitol Building.

You will briefly check in with the sergeants by showing your ID and then you can take the elevator up to the 10th floor. Follow the hallway until you reach the member offices, and turn right at the intersection. We're in office 1092.

Let me know if you have any questions,

Rachel Cichon, Policy Director
Office of State Representative Julie Brixie
S-1092 House Office Building
P.O. Box 30014
Lansing, MI 48909-7514
Office: (517) 373-0218

Sounds good!

August 3rd would work great. Could we plan on 1:30-2? I'm happy to come to your offices; just give me details on how to get there. Thanks!

Hi Deborah,

My apologies for the delay getting back to you. We have had a busy week that's kept me away from my desk. Julie is attending a conference next week but how about one of the following dates:

- Monday August 3 any time after 10am
- Tuesday August 4th at 11am or 2pm
- Friday August 7th any time before 4pm

We can look at other options as well, feel free to send some over. We should be pretty flexible in August.

Rachel

Subject: Data Center Michigan

Hi Rachel

I think it may be helpful to update you on the Data Center development near Mason and our strategy. I also wanted to update you on some concerns we have that we would want to make sure the State tries to address, as I know there are bills being proposed related to Data Centers. MML has already asked me to weigh in on those, and I have limited concerns, but I believe there are some issues that may be better addressed at the state level.

Let me know if you and/or the Representative have time to connect.

Deborah Stuart
