Hi, my name is [NAME]; I'm a resident of [TOWNSHIP, COUNTY], and I'm calling to ask Representative [NAME], as a member of the Senate Committee on Energy and Environment, to bring Senate Bills 761 through 763 to a vote in committee, and to approve them. I'm extremely concerned about the taxpayer funding of rapid, under-regulated AI data centers, and about the lack of protections that are in place for our water, and for us ratepayers. This trio of bills represent clear, straightforward, and very necessary protections for Michigan's water and ratepayers, in light of the current trend of unchecked data center expansion. Please pass these bills in committee. Thank you.
