

Leadership Strategist | Workplace Culture Expert | Inspirational Speaker

Jill Brown, is a leadership strategist and senior HR executive who helps organizations create cultures where people and performance thrive. With nearly three decades of experience designing transformational people strategies, Jill has helped organizations elevate leadership effectiveness, strengthen employee engagement, and earn recognition as Best Places to Work. Her engaging and relatable speaking style blends real-world leadership experience with practical strategies audiences can immediately apply.

Through powerful storytelling and actionable frameworks, Jill challenges leaders to rethink how they approach culture, burnout, and employee engagement—empowering them to build workplaces where people feel energized, valued, and connected to purpose.

Organizations invite Jill to speak when they want their leaders to leave not only inspired but equipped with practical tools to lead with greater authenticity, resilience, and impact.

Jill is the creator of the HR Leadership Evolution Index™ framework that helps organizations elevate HR leadership, workplace culture, and employee wellbeing.
