

SERVE DAY

SEPTEMBER 7, 2024

What You Need to Know & Project Guide

The Vision

Serve Day is a one day event for our church to gather and radically Love Lubbock through practical service with our community partners! We will be supporting more than 20 different locations & projects throughout the Lubbock area.

What to Wear

All locations are recommending closed-toed shoes. Outdoor locations will require sunscreen, hats, and possibly gloves.

Snacks/ Drinks

We're thankful for you, and we can't do what we do without our teams! Therefore, we will be providing the snacks and drinks!

"Family Friendly"

We do have some activities this year that are NOT open to families due to the nature of the projects and partnerships. Locations listed as "adult" are open to those 18 and older.

Text "serveday"

Be sure to stay up to date with all-team communication, prayer points, devotionals, training tips and more by opting into our Serve Day text channel! Text "serveday" to 78707.

The Time

Most volunteer opportunities will occur in the morning between 8:00am & 1:00pm depending on the location, activity, and specific need.

Serve Day T-Shirts

New this year: T-Shirts will be available in Trinity Central beginning in August! You'll be able to pick up your shirt prior to Serve Day!

Your Team Leader

Be on the lookout for communication from your team leader. They will contact you prior to Serve Day to let you know where to go, what to do, and what to bring/wear.

"Adult"

We do have some activities this year that are NOT open to families due to the nature of the projects and partnerships. Locations listed as "adult" are open to those 18 and older.

Questions?

Questions can be directed to the Serve Day team. We will have a booth following weekend services during July and August, or you can text your question to 78707. Please mention Serve Day in your inquiry so it gets directed to the correct person!
