

## Grow with Us: Sunflower Competition Guidelines

### Overview:

Anyone of the community or outside of the community of Union county is invited to participate in the Environmental Art and Music Festival's sunflower competition! We are offering a prize to the "best potted sunflower" and will make a display on the Saturday of the festival for everyone to see. Seeds will be offered for free with a tour of Piedmont Physic Garden. Get the whole family involved and watch as your sunflowers flourish in preparation for our festival.

### Guidelines:

Anyone who comes by appointment to PPG (301 E. South St., Union, SC) will receive a **FREE** packet of sunflower seeds and a tour. **Must call ahead to make an appointment** at 704-643-5103. We have multiple varieties of sunflowers to choose from and will be provided on a first come, first serve basis.

- Must choose ONE potted sunflower to bring to the judging tent located inside Piedmont Physic Garden anywhere between the times of 10 a.m. and 1 p.m. on Saturday, September 28. Flowers must be dropped off at tent by 1 p.m. to be considered in judging.
- The planting pot may be no larger than 5-gallons in size. You are free to decorate said pot to showcase your sunflower in the best way possible! If you choose to decorate, consider the theme of the festival "**Imagine a Sustainable World**".
- Judging will be based on overall health and appearance as well as presentation (i.e. pot that flower is grown in).
- The winner will be announced later in the evening of Saturday, September 28. The first place winner will receive a special prize!

Get excited and start planting those sunflowers once and flor-al!

**Let's get social! Follow, share and post project progress to the Environmental Art and Music Festival Twitter, Facebook, and Instagram page.**
