

Exclusive Pricing for Troops2Logistics

About ASCM and the San Diego Chapter:

The ***Association for Supply Chain Management (ASCM)*** is the global leader in supply chain organizational transformation, innovation and leadership. As the largest non-profit association for supply chain; ASCM is an unbiased partner, connecting companies around the world to the newest thought leadership on all aspects of supply chain. ASCM is built on a foundation of APICS certification and training spanning 60 years.

The ***ASCM San Diego Chapter*** is one of the largest and oldest of over 60 chapters strategically located throughout North America and managed by individual volunteers respected as thought-leaders in operations and supply chain management in communities. The Chapter is a Premier Elite Partner, earning its ranking in the top 10% of Chapters.

Chapter VISION:

To inspire individuals and organizations toward lifelong learning and to enhance individual and organizational success.

Chapter MISSION:

To offer high quality education in operations and supply chain management, expand awareness of the body of knowledge, promote networking opportunities, and advance the abilities of companies and individuals in our community to compete in the global economy, while continuously improving the Chapter by focusing on our stakeholders needs.

With 21 instructors holding over 60 certifications combined, ASCM San Diego Chapter is the premier organization serving Southern California and Arizona for your Supply Chain & Operations Management education needs. The Chapter's board of directors is comprised of leaders from across industries and backgrounds with a combined 200+ years of career experience.
