Key Person: John C. Russell : I operated as Russell's Painting service from 1984- 2001, the 1st 17 years of existence were years of forming a solid foundation in many areas of the construction industry, starting as a prep man, advancing to ceiling & wall textures, a good cut man, sprayer, roller painter, dry wall installation, carpentry, flooring, plumbing, our customers were mostly home owners & real estate companies, then we were successful in bidding on college dorms & many state funded projects. In 2002 we started doing maintenance work orders for DPW Ft. Bragg, MICC Center Ft. Bragg, We do maintenance for the US Postal system in North and South Carolina this is our 4th year, and Cumberland Community Head Start with 21 centers we maintained, Cumberland County School system & a number of General contractors. For the last 16 years, I have been managing a team of professionals in all areas of construction. And we look forward to doing business with you.
