

GEORGETOWN TEXAS AREA CAR CLUB

Spring has sprung and we're days away from our May 1 car show!

Our April meeting was held April 3 at Mulligan's Restaurant in Sun City with 40+ members attending, certainly the best turnout since the pandemic hit a little over a year ago. We overpowered the few nonmembers that were dining, but they didn't seem to mind! Mulligan's did a great job serving breakfast to those that wanted it.

We currently have **116** paid members, approaching our pre-pandemic number.

There will be no separate meeting for May as our car show is schedule on May 1, June meeting information will be announced later.
