Wow! We did it! The 2021 14 annual GTACC Car Show and Charity Drive is (finally) in the books, and what a great show it was. We had 239 registered entries before the show even started, since we only had 234 parking spaces to fill, we were forced to close down registration early. While there were some “no-shows” we had a great turnout with some amazing vehicles. Since we had several inquiries after registration closed, we can expect an even stronger response next year.

By my count, we had 49 members volunteering for various duties, many members did double, or triple, duty. With 124 current members that’s a great turnout and I thank all who did their part...this show could not be successful without you. For those that did not volunteer, please consider doing so next year, we can use your help!

Kaleb Meinke, East View High School, will be attending Texas State Technical College

## New Members this month:

Mark Pinkston, 1969 VW Beetle, 2009 Pontiac Solstice Coupe

CoCo Boyer, 1989 Chrysler TC Maserati

Let's welcome these new members when we see them!

## Cruise In

May's cruise in was held on Saturday May 8 at Sonic on Williams Dr. with 8 cars. This was a return to what used to be our regular cruise in until Covid started shutting things down over a year ago. I had forgot how enjoyable it was to eat setting outside with great conversation with members attending. Our June cruise in is yet to be determined and will be discussed at our June meeting, so come with any ideas you may have so we can keep this going.

Taylor downtown car show, October 30. Just announced, this is always one of the biggest shows of the year with 400+ cars in downtown Taylor with live music and entertainment. Since it is Halloween weekend you can expect trick-or-treaters to be present.

Bastrop Area Cruisers annual Veterans Day car show, Fri-Sat, November 12-13. Another great show with 400+ entries honoring all veterans. Since Bastrop Area Cruisers help with our show by bringing two judging teams, we need to support their show as well.
