

GEORGETOWN TEXAS AREA CAR CLUB

Summer 2021 is now a memory with Fall now upon us, anticipation of cooler weather brings out increased opportunities to get those classic vehicles out on the road. With several car shows lined up in the upcoming weeks, those opportunities are here.

Our September meeting had 27 members present, we started off the meeting by presenting Smokey Moe's a plaque thanking them for their continued support. Smokey Moe's allows us to use their back room at no charge, only asking that membership enjoys their great breakfast tacos and coffee. So, if you attend our monthly meetings remember the support they give us and do the same for them.

New Members:

Steve Coki 1941 Plymouth Truck

Dan Linger 1996 Corvette Grand Sport Coupe

Bert Schultz 1973 Ford Mustang Mach 1

The club now has 124 current members, we have reached our "pre-pandemic" member level.

September's Cruise in:

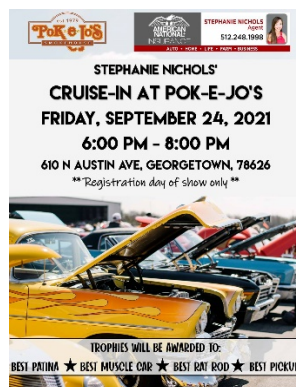

I thought it would be hard to top August's visit to Rentsch's Brewery, but we did! 35+ members and guests attended the September 11 cruise in at Hard Tails. Hard Tails provided great service, food and cold adult beverages and a great time was had by all. If you haven't attended one of these monthly events, consider doing so. It's a great way to make new friends and see some old ones. Places like Hard Tails, with their large, open parking lot also allows us to appreciate each other's 'rides'.

If you have a suggestion of a place to hold a future cruise in, please let us know.

Upcoming Events:

October 9, Horny Toad/GTACC car show. This event is held in partnership of Horny Toad Harley-Davidson and GTACC. We provide support for parking and registration in return for all proceeds being donated to the club. We are still in need of additional volunteers to help!

September 24, Stephanie Nichols Cruise In at Pokey Joe's. This event runs from 6-8pm, experience shows an early arrival is suggested to get a good parking space.
