## It's SHOWTIME!

Yep, it's that time, less than three weeks until our big event. I've attached a list of volunteers so please take a look to make sure you know what your duties will be.

### Schedule

Parking. Greg Donica and Dick Smith have done a great job coordinating the parking committee, their next meeting is Wed, May 4 @ 6:30 at the Texas Drive Amenity Center. If you are on that committee, please plan to attend. The parking process is the key in getting the show off to a great start and is the first impression attendees get.

Table/Chair Pickup at San Gabriel Presbyterian Church, this will take place Friday evening at 6PM. Tables & chairs must be stored indoors overnight and brought to the show site early Saturday morning for set up.

We still need a volunteer with a pickup to move tents, etc. from our storage area to the show site on Friday evening, and return those items to storage Saturday after the show.

Setup will begin Saturday morning at approx. 6:30 am, Tents for registration, etc. must be set up prior to attendees check in.

Judging, if you are scheduled to judge, we will hold a judge's meeting 9:30 sharp the morning of the show at a room yet to be announced. At that time judging teams will be assigned and instructions given. If you have not judged our show before, you will be paired with an experienced person.

Teardown, everything we pickup and set up must be taken down and returned to storage.

## April Meeting

We had 30 members at our April 2 meeting, Donnie Smith incorrectly guessed our mystery too, but, since he was the only member to guess AND attended the meeting, he won a Smokey Mo's gift card!

Jose' Velez gave a presentation on his upcoming polo/car show at Garey Park to be held on Sunday April 24. Members are encouraged to attend and support Jose. Go to [www.polo.org](http://www.polo.org) for more information.

## New members for April:

John Steele, 2019 Tesla Model S

We have 112 paid members

## April Cruise In

A cruise in was held Thursday evening April 7 at the Georgetown Health Foundation parking lot, behind Pit BBQ. While I was unable to attend, there were 12 members/cars attending with some passer-by cars stopping end. This is the first time the club has held this event so participation was fairly lite, It was organized by member Jerry Meadows. Jerry reports he will hold another event at the same location on Friday, May 13 @ 7PM. So, fire up your ride and come out!

## Scholarship Applications

The club has received 5 applications for scholarships, 4 from Eastview HS, 1 from Georgetown HS.

The board is reviewing the applications and will pick winners to be announced at the show.

## Second Quarter Charity donation

Our 2<sup>nd</sup> quarter donation went to Santa Rosa de Lima food pantry in Andice, TX. Brian Polk and myself visited the facility on Monday 4/18 to present a \$750 check to the organization. We were given a tour of the facility and were quite impressed. The food pantry furnishes groceries to approx. 200 families twice a month and it's quite an operation. Members should be proud that we can help support such an organization.

Do you have an organization you would like to club to donate too?

L-R: Myself, Linda Odelson, Member Brian Polk, Mimi Kile, Joe Noona

---

March Mystery Tool...What is it? A carburetor tool for synchronizing multiple carbs, Thanks to Ernie Pauley for providing;

This Month's mystery tool, thanks to Ken Frazier. What is it?

## Upcoming events

April 23 Georgetown Poppy Fest, Several members will be showing cars downtown. 5 members have stepped up to assist in judging this show.

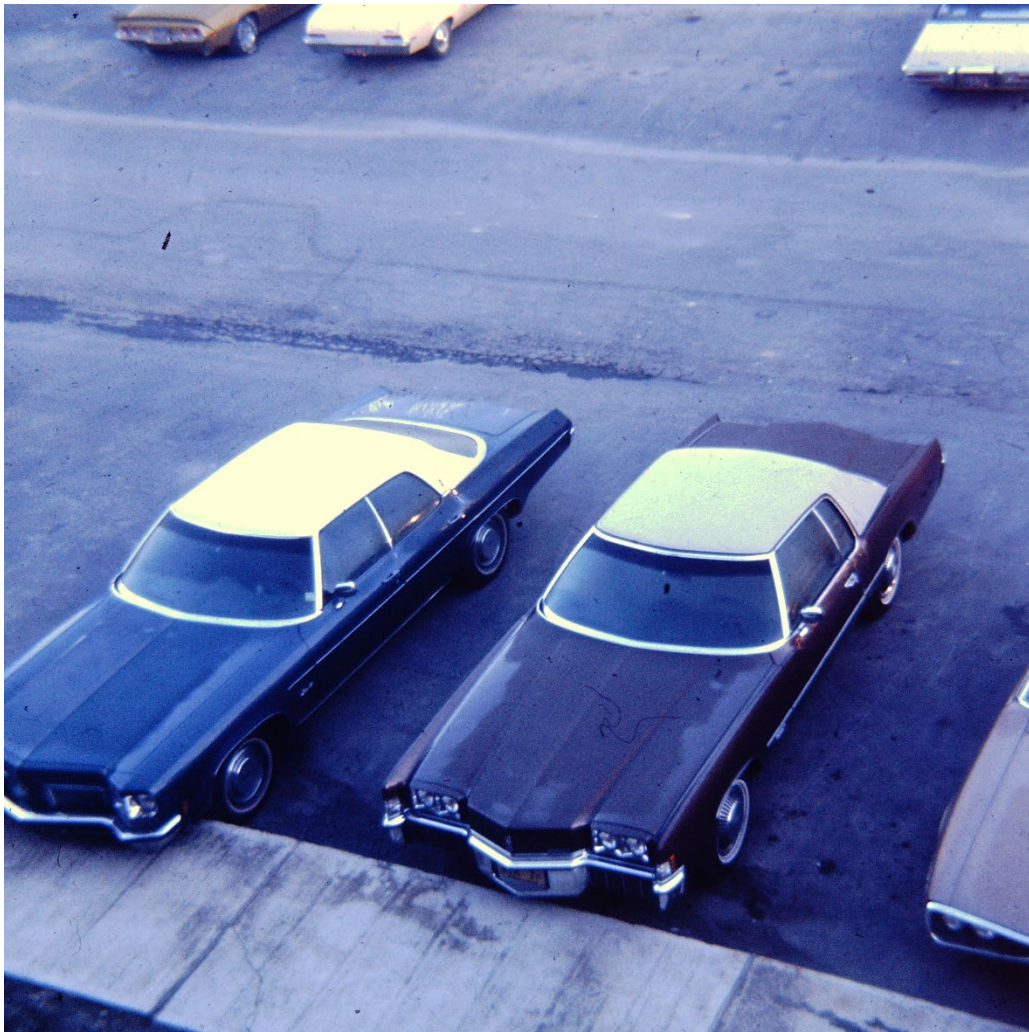

April 24, Polo/Car Show Garey Park. Event put on by member Jose Velez, Jose still looking for volunteers to help with judging. [www.polo.org](http://www.polo.org)

**Saturday, May 7, 15<sup>th</sup> Annual GTACC Charity Car Show!! ALL HANDS-ON DECK!**
