

GEORGETOWN TEXAS AREA CAR CLUB

One more month down, but summer does not act like it wants to give up, yet!

22 members attended our September 3 meeting, it seems we see mostly the same attendees every month for our meetings and events, with 120 members I've gotta wonder where are the other 100? If you haven't attended a meeting in a while, plan to attend, we'd like to see you!

New Members for September:

Peter Varga 1948 Pontiac Silver Streak

Jeff Quade 1978 Corvette

Brad Turcott 2014 Porsche 911 Carrera S

Welcome these new members when you see them!!

GTACC Logo

There has been an inquiry from some members concerning our club logo. It has remained unchanged since the club was formed in 2005. Member Mark Pinkston has taken the time to come up with several concepts on what a new logo may look like. Those designs are shown in the link below. The website link shows all designs Mark has come up with and allows members to vote on their favorite.

Note that selection #1 is our current logo, the same logo shown on top of this page as well on your GTACC hats and T-shirts. If you wish the logo to remain unchanged, vote for #1, if you believe it should be changed, vote for your favorite. Results will be reviewed at the October 1 meeting.

We ask that you vote only once, no sandbagging! We thank Mark for taking the time to make these designs, he has quite a talent!

Officers Election

The club by-laws require that officers be nominated at the November meeting, with elections being held at the December meeting. New officers take charge with the January meeting.

Officer positions up for election:

- President
- Vice President
- Treasurer

Ken Frazier has offered to remain secretary for (at least!) one more year.

For myself, I am completing my second year as president, my feelings are that two-years is enough in that position & time for some new leadership (besides, I'm out of mystery tools & trivia pictures!)

So, please plan to attend the important November and December meetings so we can hold an election according to club by-laws.

2023 Dues are due!

For just \$25 you get all the benefits of GTACC, including this newsletter! Where else can you get so much for so little.

Did you know that dues have not increased since the club was formed in 2005!

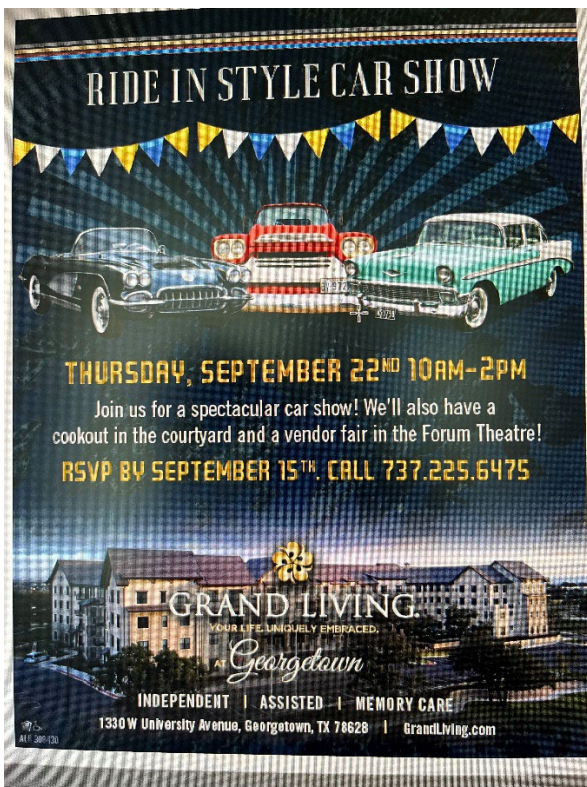

You can pay via PayPal on the GTACC website or better yet, come to the Oct 1 meeting and pay in person!

Saturday, October 8, GTACC/Horney Toad H-D annual car show. Horny Toad H-D, Temple TX. This event gets bigger every year with proceeds coming to GTACC. GTACC provides much of the manpower/equipment/material to put the show on with Horny Toad H-D providing judges. So far, the following GTACC members have volunteered to assist with parking & registration: David Triplett, Fred Clark, Regis Hallisey, Larry Delange, Bob Brook, Don Landry, John Tritsch, Fred Moser, Rich Miller.

Even if your name is not listed, we can use your help. Most assistance will be needed in assisted parking but once parking is complete your job will be done.

I will need someone with a pickup to assist me in hauling material to Horny Toad earlier in the week and hauling back to the storage area after the show is complete. Please contact me if you can assist.
