

# GEORGETOWN TEXAS AREA CAR CLUB

Holiday season has arrived, most car shows are done, but a few remain. November has been a busy month and we still have much to do before the end of the year.

We had 30 members at the November meeting, a lot of business was covered.

## **New members for November:**

Terry Adams, 1971 Plymouth Barracuda

Jerry Rudd, 1965 Mercury Comet Caliente

## **Dues:**

Remember your 2023 dues are due now, for 2022 we had 133 paid members but so far only 62 have paid for 2023. You may pay at the club website:

<https://www.gtacc.org/membership.html> Or send your payment to the club mailbox: GTACC, PO Box 2082, Georgetown, TX 78627, or the best option, come to the December meeting and pay in person! Remember, if dues are not received by March 1, 2023, you will be taken off the club member roster.

## Brown Santa

Once again, the club will participate in the Williamson County Sherriff Brown Santa program. We have been assigned a local family with four children, ages 11-18. **Contributions must be received no later than the December 3 club meeting.** You can give you donation at that meeting or mail a check to: GTACC, PO Box 2082, Georgetown, TX 78627. Members have always been very supportive of this program and hopefully will do so again this year. Details and plans for distribution to the family will be covered at the December meeting.

## 2023 Officer elections

Officer nominations were opened at the November meeting, with elections to be held at the December 3 meeting.

Status of officer positions are as follows:

President, No nominations received, If no nominations are received, I will continue as president for one more year.

Vice-President, Mark Northrup has offered to fill this position, replacing Ed Penniman, who has held this office for two years.

Secretary, Ken Frazier will continue this position for the next year.

Treasurer, No nominations received. Don Landry has offered to fill this position until Greg Caswell recovers enough to resume as treasurer.

Please plan on attending the December meeting.

## **Volunteers needed for airport car show**

Stephanie Nichols has once again asked for 5-6 club members to assist in parking at her airport car show, to be held Saturday, February 25. Volunteers will be given free registration for the show, a meeting will be held the week before the show to review the process. In the past, volunteers were asked to arrive by 7am, (and you get the best parking spots!) and she has held a thank-you reception for volunteers a week or so after the show.

So far, two volunteers have spoke up: Mark Hulan and Dave Triplett. Anyone else interested contact me and I will provide info to Stephanie.
