Happy New Year!

2022 is in the books and 2023 is upon us! As we look forward to, hopefully, another great year for GTACC.

We started the year with 35+ members attending our January meeting, our largest “post-pandemic” attendance! We currently have 103 paid members, remember that those who do not pay their dues by the end of February will be taken off the member rolls, and will stop receiving this wonderful newsletter!

New member for January:

John Kotulak, 1969 Camaro SS. Welcome John!

Saturday, April 29, Georgetown Red Poppy Fest car show. A great show in downtown Georgetown, 20,000+ in attendance. Once again GTACC has been asked to provide judges for this show. We need a minimum of 6 volunteers to step up to assist the city of Georgetown with one of their premier events. If you're interested in being a judge let me know.

Saturday' May 6, GTACC 16th Annual Car Show and Charity Benefit. Our big event of the year that allows us to provide scholarships and donations to local charities. Volunteers needed! Take a look at the duty/volunteer list at the end of this newsletter and step up and do your part. Every year we get a dedicated bunch of volunteers, this year let's have everyone step up, don't rely on other members to carry the load. Let me know what part you can contribute too! Know of a business that may me interested in being a sponsor? ASK!
