

GEORGETOWN TEXAS AREA CAR CLUB

Springtime means car show time with show's popping up almost every weekend, so let's dust off those rides & show 'em off!

Our March meeting had 35 attendees, we're getting closer to filling up Smoky Mo's, which is a good problem to have. It's great to see everyone out, but with 120 members there are still many that we don't see.

We had no new members for March and we now have 120 paid members. Any previous members that have not renewed are no longer on the mailing list.

Events in the past month

Stephanie Nichols Airport car and Vintage Plane Show. What a great show, Stephanie keeps improving this annual event. While overcast skies & low ceilings kept the planes and skydivers grounded there were more than 500 vehicles on display, 26 vendors, 3 food vendors and a swap meet made this one the best ever, a well-organized event with 20 or more GTACC members having their cars on display.

Members Mark Northrup ('57 T-Bird) and Dick Hunter ('36 Cord, '67 Corvette) each won awards for their cars.

7 GTACC members volunteered to help parking, meaning a 6:30am arrival! Those volunteers and their guests were treated to a "thank you" event at Nyle Maxwell's Vehicles Unique collection with Smokey Mo's BBQ and adult beverages.
