Whew! Done! Another GTACC Show& Benefit in the books, and what a great show it was! Thru the hard work of members both volunteering to work and recruiting a record number of sponsors we were able to provide \$18,150 to seven Georgetown and East View graduating seniors...a record amount, we can all be proud!

In all, 46 members stepped up to help putting this event on, many doing more than one duty, of those 46, 23 didn't even show a car to be judged! Now, that's dedication!  
I, and the other officers thank all that chipped in!

57 total members entered 65 cars in the show to be judged.

We ask that everyone give us some feedback, whether good or negative, back to us on what you did or did not like, or any areas you think we can still improve on. Next year will be here before we know it!
