

GEORGETOWN TEXAS AREA CAR CLUB

Just in case you hadn't noticed, Summers Here! For any newcomers to the Lone Star state, Welcome to Texas summer, cool one day then hot for the next 90!
If your car is like my '69 Olds, no A/C and vinyl seats, it doesn't get out of the air-conditioned garage much!

But, even with the hot weather GTACC activities go on with several events in the planning stage.

New members for June

John "Noah" Nowosacki, '61 Chrysler 300G, '70 Chrysler Hurst 300H

Robert (Bob) DePaola, '55 Ford T-Bird, 2004 Ford T-Bird

John Kogler, '59 Austin Healey BN4 100-6

Welcome to all the new members, hope to see you at our next meeting!

GTACC in the news!

At our June meeting we voted to give our 2nd quarter donation to Georgetown ISD to help pay for student's outstanding lunch balances, the idea was recommended by member Jerry Meadows. Jerry presented a check to GISD officials earlier this month:

L-R, Jesse Marrujo, GISD Federal Program specialist, GTACC Member Jerry Meadows, and Ronald McKinley, GISD Assistant Director, Nutrition.

The presentation gained the attention of KXAN TV station, and featured the club on one of their segments, available here!

Looking for original factory information on your classic? There is a couple of sources I've used. If you have a GM vehicle, the GM Heritage Center offers scanned copies of Owner's manuals, spec sheets & advertising ads on many of their vehicles. Information is downloadable in PDF for, and, it's free! <https://www.gm.com/heritage/archive/vehicle-information-kits>

For non-GM brands, the Automotive History Preservation Society (formally Wild About Cars) offers information on many brands. It is not free and requires a \$35 annual fee, but you can view what is available before you subscribe, you just can view the actual documents. I've downloaded original Assembly Manuals for my Oldsmobile thru this website, it holds a lot of information. <https://autohistorypreservationsociety.org/document-library/>

Do you have a source for information you wish to share with members?

May 26 Cruise to City Lights, GTACC members were invited to display their vehicles at the theater, future events are not yet finalized. Bit, it was a great time with free movie passes, popcorn & drinks!

June 10, Cruise to Rolling Rivers Assisted Living I missed this one but looks like a great turnout!

Upcoming Events

Saturday, July 1, GTACC monthly meeting at Smokey Mo's, Come one, Come all!

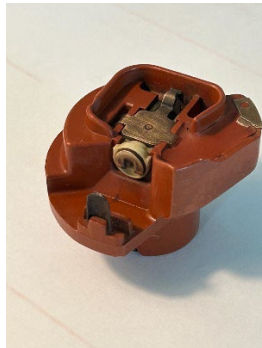

Tuesday, July 4, Sertoma Club of Georgetown's July 4th celebration at San Gabriel Park, Should be a great event with vendors, food trucks, a parade. More details to follow, if interested let me know! <https://georgetown4th.org/>

Date TBD, Cruise to The Hacienda at Georgetown. The Hacienda staff has expressed an interest in holding a cruise-in car show at their new facilities on Del Webb Blvd. Details to follow when event finalized.

Saturday, September 2, Heart of TX Corvette car show @ Don Ringler Chev

Saturday, October 14, GTACC/Horny Toad H-D car show Temple, TX. Our annual show in partnership with Horny Toad Harley Davidson. A good fundraiser for the club, volunteers will be needed. More info to follow.

What is it? Club VP Mark Northrup furnished last months mystery part, a Porsche distributor rotor, with built in rev limiter! Donnie Smith won a \$5 Smokey Mo's gift card, no mystery this month so I'll save \$5!
