The Georgetown Area Car Club (GTACC), an IRC 501 (c) (3) tax-exempt Social and Recreation Club, hosts our annual car show to raise scholarship funds for Georgetown and East View High School Seniors who are planning careers in the automotive technology field. Beginning in 2013, the fund was renamed the “Bob Olofson Memorial Scholarship” in honor of the Club’s founder and past president, Bob Olofson, who passed away in 2012. In addition to the scholarships, GTACC contributes to other charitable funds in the Georgetown area throughout the year.
