Have kids? Need to get them out of the house?

Join your neighbors this spring on Saturdays from 3-5pm at the Woodview Elementary playground for casual get togethers for the neighborhood kids to get to know one another, to run around, and maybe even to play a pick up game of soccer or gaga ball.

The newly renovated playground is now open every weekday evening and on the weekends. It has two playscape features, a gaga ball pit, several swings, a walking trail, and an expansive green space to play games! We hope to see you there!

Neighborhood Guidelines

As Spring Branch continues to thrive, we continue to work together as we embrace neighborhood building changes while preserving our neighborhood's historical quaintness. If you make construction updates, please ensure you are following deed restrictions and city ordinances. Deed restrictions can be accessed on our neighborhood [website](#). If you notice a violation, please report it to 311. If you are not sure whether it is a violation or are not sure how to report it, send us an email. We'll help you out.

Please join us in welcoming new neighbors as they move in. Our community is a wonderful place to raise a family, enjoy retirement, and have simpler access to a variety of profession!
