To Who It May Concern:

I have known Shemika Moore in a variety of capacities for many years. She has been my colleague, friend, former board members, former members of a community organization over the years. In addition, she provided content such as career and branding development for my webinars and website.

Shemika is efficient, detail-oriented, and extremely competent. She often successfully finishes a task well before the deadline. She is extremely organized, and never misses a deadline or forgets an assignment.

Shemika also has an excellent rapport with community members, workforce development and agencies especially in the Providence, Rhode Island area. She has taught workshops on branding development, resume writing, job searching, and soft and hard skills. Her excellent communication skills (both written and verbal) allow her to connect with all kinds of people and to inspire them to put for their best effort.

In summary, I highly recommend Shemika for any position or endeavor that she may seek to pursue. She will be a valuable asset to any organization.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Andrea C. Imafidon
